B. The CNA agrees to co-host a Neighborhood Development Forum with the City when requested by a development interest and to report the results of such meetings to the City. A Neighborhood Development Forum process shall include an opportunity for an applicant for development approval to present a project description and plans to the CNA membership. Such meetings shall be open to the public and shall provide an opportunity for public comment 	<p>V. Permit Review for New Development</p> <p>The parties agree that it is important to inform affected community members and neighborhoods early in the permit review process for a land use project. The City conducts public notification of a project by distributing a formal Notice of Application in accordance with RCW 36.70B.110 and OMC Chapter 18.78. Methods for providing public comments are included in the notice. The parties agree to coordinate creatively and collaboratively when communicating with neighborhoods regarding new development proposals in neighborhood areas. For projects of neighborhood and/or community-wide interest, the City will host a public information meeting open to the public for the project proponent to describe the project, for staff to explain the permit review process, and for the public to ask questions. The City agrees to continue to make enhancements to its permit system so that neighborhoods can easily track and be proactively aware of project proposals early in the review process.</p>
