# Affordable Housing Emergency Declaration

The ordinance reduces barriers to increasing affordable housing supply through six actions:

- Prioritize affordable housing projects in the permitting process;
- Dedicate CPED staff to assist developers;
- Waiver request process;
- IRS Section 1033 Tax Exchange transaction;
- Infrastructure Assistance Grant; and
- Permit Fee Grant

# Permit Fee Grant Funding Strategy

- 1) Maintain fund balance between \$500,000 and \$700,000.
- 2) Seed the program with \$500,000 from the Economic Development Fund.
- 3) Additional funding would be generated by investing up to 10% of net proceeds of any sale of City property\*
