Greeting Commissioners,

Note: Please do not 'reply all' to this message.

As a follow up to Monday's meeting, I'm sending along a number of links to websites and documents that may be of interest and provide context for your upcoming discussion of the Urban Waterfront zoning district:

- <https://portolympia.com/about-us/planning/destination-waterfront-development/> - link to the Port's Destination Waterfront webpage with additional links to Vision 2050, Scheme of Harbor Improvements, Strategic Plan, public meeting videos, etc.
- <https://olympiawa.gov/community/downtown-olympia/downtown-strategy.aspx> - link to a variety of documents produced during the development of the Downtown Strategy.
- <http://olympiawa.gov/smp> - link to most recent Shoreline Master Program, effective as of June 29, 2021
- <https://www.codepublishing.com/WA/Olympia/?OlympiaNT.html> – link to Olympia Municipal Code. Commercial provisions, including intent statements and the use table, is in Chapter 18.06. The Comprehensive Plan can also be found through this link.
- [City of Olympia - Calendar \(legistar.com\)](#) – once you're in Legistar, you'll need to select 2021 and Planning Commission in the drop-down menus for the packet and media from the February 22 meeting.

I hope you find this information useful, but please do not hesitate to get a hold of me if you have any questions.

Thanks, and have a great weekend!
