Good morning Mr Stamm,

I'm sorry I was not able to attend the hearing of July 20th because I was out of town. I understand the City is inquiring if the Banomi parcel is wanting to be included in the MADELA Rezone and YES, we do want to be included in the rezone.

If you have further questions of us please feel do not hesitste to email me.

Thank you.

Mark,

I'm not sure of your preferred protocol so I'll ask by email to make record of the inquiry. This morning I received an email from a party purporting to speak for the Banomi parcel ownership. It includes added info about their position re this parcel. It was addressed to me, not you as Examiner. Do you want me to forward it so you can decide whether to consider it, or simply withhold it as 'too late.'
