St. Mike's/Sacred Heart – Cold-Weather Overflow	Single Men	12 Single Men	85%****	92%****

*Community Youth Haven House facility is not a traditional shelter “walk-in” shelter, and requires court placement of residents.

** Housing Authority Shelter units full; smaller family configurations result in fewer bednights.

***Out of the Woods Shelter occupancy currently reduced by construction work; typically 100 to 110% full.

****Cold-weather shelters that rotate locations have lower occupancy, particularly when shelters move to locations further from downtown Olympia.

TOTAL EMERGENCY SHELTER BEDS: 164 Year-round Beds (*excludes 9 additional shelter beds in Yelm and Tenino*)

59 Additional Cold-weather Beds

223 Total Current Beds Available (*excludes 9 beds in Yelm and Tenino*)

178 Total 60-Day Average Occupants (Calculated by each agency’s averages)

80% Occupancy (usage) Rate of Urban Hub Homeless Shelter Capacity
