Dear Mr. Hinton:

This is to notify you that at the City Council meeting of November 15, 2011, the City Council, by motion, directed staff to set aside \$10,000 within the Public Art Fund to be used for a possible match for the next phase of the Artspace housing project.

In the Council's motion and discussion, it was clear that the intent of these funds would be that it would be the last dollar in and would only be allocated once the art community has raised the additional \$30,000 necessary to move forward on Phase 2 of this project.

If you have any questions about this proposal or the Council's actions, please feel free to contact Stephanie Johnson, Arts Program Manager, at 709-2678.

Sincerely,

Doug Mah
Mayor
