ARTICLE 10- GRIEVANCE PROCEDURE

A. The purpose of this procedure is to provide for an orderly method for resolving grievances. As high-level managers reporting directly to the Fire Chief, a determined effort shall be made to settle any such differences informally through direct communication. Only when issues cannot be resolved informally shall the more formal grievance procedure be used.

B. For the purpose of this Agreement, a grievance is defined as a dispute, which arises between the members and the City and shall be limited to a dispute or disagreement involving the interpretation, application or alleged violation of any provision of this Agreement.

C. The formal procedure for addressing all grievances is as follows:

STEP 1. Grievances shall be filed by the union in writing with the Chief of the Fire Department within fifteen (15) calendar days after the member(s) involved knew or should reasonable have known of the occurrence giving rise to the grievance. The written grievance shall include: 1) a statement of the grievance and such facts as are deemed relevant; 2) specific provision or provisions of the contract which are alleged to have been violated; 3) remedy sought; and 4) any other material deemed relevant. The Fire Chief shall attempt to resolve the grievance within ten (10) working days after receipt of the written grievance.

STEP 2. If the solution proposed for the grievance by the Fire Chief is unsatisfactory to the Union, or if the matter remains unresolved ten (10) working days after submission of the written grievance to the Fire Chief, the written grievance shall be presented to the City Manager or his designee. The City Manager or his designee shall respond to the grievance within ten (10) working days following the submission of the grievance to the City Manager.

STEP 3. If the solution proposed for the grievance by the City Manager or his designee is unsatisfactory to the Union, or if the matter remains unresolved ten (10) working days after submission of the written grievance to the City Manager, then the grievance as considered in Step 2 may be submitted to arbitration by the union in accordance with the following procedures:

a. Notice of arbitration shall be given by the union within ten (10) working days following the issuance of the solution proposed by the City Manager or his designee. A representative of the Union and the City Manager or his designee shall meet within five (5) working days after notice of arbitration has been given to select an arbitrator. If the parties are unable to agree upon an arbitrator, they shall jointly request the Public Employment Relations Commission to appoint an arbitrator from its staff. If the Public Employment Relations Commission indicates a delay of more than two (2) months, the parties shall jointly request the Federal Mediation and Conciliation Service to provide a list of five (5) names and the parties shall alternately strike one (1) name from the list until only one (1) name remains. A coin toss shall determine the party striking the first name. The one (1) name remaining shall be the arbitrator. One (1) working day shall be allowed for the striking of each name.

b. It shall be the function of the arbitrator to hold a hearing at which the parties may submit their cases concerning the grievance. The hearing shall be kept private and shall include only such parties in interest and/or designated representatives. The power of the arbitrator shall be limited to interpreting this Agreement and determining if the disputed Article or portion thereof has been violated. The arbitrator shall have no authority to alter, modify, vacate or amend any terms of this Agreement or to substitute his judgment on a matter or condition for that of the City where the City has not negotiated and limited its authority on the matter or condition. The arbitrator shall render his decision within thirty (30) calendar days after the final hearing. Decisions of the arbitrator within these stated

limits shall be final and binding upon the parties to the grievance, provided that the decision does not involve any actions by the City which are beyond its jurisdiction. Neither the arbitrator nor any other person or persons involved in the grievance procedure shall have the power to negotiate new agreements or to change any of the present provisions of this Agreement.

c. The fees and expenses of the arbitrator and the proceedings shall be borne equally by the City and the Union. Each party shall be responsible for all costs of preparing and presenting its case including compensating its own representatives and witnesses. If either party desires a record of the proceedings, it shall solely bear the costs of such records, provided that in the event the other party subsequently requests a copy of said records, the cost shall be borne equally.

d. In case of a grievance involving any continuing or other money claim against the City, no award shall be made by the arbitrator which shall allow any alleged accruals greater than fifteen (15) calendar days prior to the date when such grievance shall have first been presented.

e. It is understood and agreed that taking a grievance to arbitration constitutes an election of remedies and a waiver of any and all rights by the grievant member, the Union or persons represented by the Union, and the City to litigate or otherwise contest the grievance of this subject matter in any court, Civil Service Commission, or any other available forum, provided that if it is determined by the arbitrator that he has no authority or power to rule in the case, it shall have been deemed to be no election of remedies or a waiver of rights. Conversely, litigation of the subject matter of the grievance in any court shall be deemed to constitute an election of remedies and a waiver of the right to arbitrate the matter.

f. In the event the arbitrator finds that he has no authority or power to rule in the case, the matter shall be referred back to the merits of the case and with a written statement indicating the reasons for the arbitrator's conclusion.

D. A grievance will be deemed to have been waived if the grievant member or Union chooses to take a grievable matter to any city, state or federal agency.

E. Any and all time limits specified in the grievance procedure may be waived by mutual agreement of the parties. Failure of the member or the Union to submit the grievance in accordance with these time limits without a waiver of the time limits by the City shall be deemed an abandonment of the specific grievance. For the purposes of this Article, "Working Days" shall mean Monday through Friday, normal City business days, but shall not include holidays occurring during the normal business week of the City. A grievance or arbitration proceeding may be terminated at any time upon receipt of a complete authorized statement from the Union and the grievant member stating that the matter has been resolved to the satisfaction of the Union and the grievant member.

ARTICLE 11- RULES AND REGULATIONS

The Union agrees that its members shall comply in full with Fire Department rules, regulations, policies and procedures including those relating to conduct and work performance. The employer agrees those Department rules, regulations, policies and procedures adopted which affect working conditions and performance may be subject to the grievance procedure as to whether or not there has been a violation of such rule, regulation, policy or procedure.

In the event that an Assistant Chief has compensatory time on the books from before he/she was an Assistant Chief, in order for that compensatory time to be credited towards the Assistant Chief’s final average salary for the purposes of reporting to the Washington State Department of Retirement Systems (DRS), the compensatory time would have to have been earned during the Assistant Chief’s last year of employment.
