Operation Guidelines
Resources ordered through the DNR Region or Division for
Dispatch outside of District/Department jurisdictional boundaries

Department of Natural Resources (DNR) agrees to dispatch District/Department resources to incidents outside of the Districts/Department jurisdictional boundaries as needed to meet DNR responsibilities and as approved by the District/Department. Dispatches can include out of the state of Washington. Participation by a District/Department with incidents outside its jurisdiction is voluntary and separate from involvement in State Fire Mobilization.

This Agreement extends to paid members:

- Washington Fire Service (WFS) paid members who participate on the Northwest Interagency Incident Management Teams (NWIMT primary/alternate pool/trainee) and any paid members who wish to participate in any other capacity on incidents in which District/Department supports.

This Agreement does NOT extend to volunteers:

- Members of Washington Fire Service who are volunteers will need to be hired by the DNR via the DNR casual hire process. This may be completed pre-season or at the time of the incident. Your local DNR Region office will handle the casual hire process.

District/Department agrees:

- 1) All personnel dispatched outside of their jurisdictional boundaries will have a valid Incident Qualification Card (red card) stating current qualifications; and will adhere to qualifications and standards described in PMS 310-1;
- 2) To provide a copy of the Master IQS Record for each participating employee (needed to update status in the Resource Ordering Status System (ROSS));
- 3) To keep equipment and personnel status current in ROSS by selecting option a. or b. below as the preferred option. List available resources on the following resource list addendum. (Check one):
 - a. DNR Region will give Web-Status rights to ROSS for district employees. It is the employee's responsibility to ensure that their status is accurate.
 - b. DNR Region will status your employees. For this option, you would need to provide your local DNR Region Dispatch with the status of your employees every Monday by 1200 hours. Dispatch would then update their status in ROSS for that week (0800 Tuesday to 0800 Tuesday).

For dispatches outside of the DNR region, approval from DNR host region fire staff is required. Host region fire staff will coordinate with Wildfire Division in order to ensure statewide readiness.

- 4) To notify your local DNR Region of any changes in status of personnel/equipment (i.e.; dispatched/demob under State Fire Mobilization, demob & ETA home from incidents dispatched thru DNR, etc.);

- 5) All personnel and equipment dispatched will be paid by the District/Department; (except volunteers will follow payment procedures outlined in their individual agreement and be paid directly by DNR);
- 6) All Equipment and Personnel dispatched under this Agreement will arrive at each incident with a copy of their current Forestland Response Agreement.
- 7) Invoice for personnel and equipment costs billed to DNR will include:
 - a. Original Emergency Fire Time Report (OF-288); hourly wage rate (regular and OT) for personnel hours on the OF-288. This applies to paid district/department staff. Volunteers will be paid directly by DNR.
 - b. Original shift ticket (OF-286) documenting mileage to/from incident as well as mileage incurred on the incident signed by the incident supervisor.
 - c. Copy of Resource Order card.
- 8) Invoices requesting payment for equipment (engines/tenders) will be submitted to DNR within sixty (60) business days of the last date of the incurred expense for the incident and shall include Original Emergency Equipment Use Invoice Form (OF-286) and shift tickets (OF-297); and
- 9) Invoices requesting payment for other travel costs (meals, lodging not provided by the incident) must be submitted to DNR within sixty (60) business days of the last date of the incurred expense for the incident.
- 10) Only utilize agency owned vehicles or procured rental vehicles on the fire line or off-road.

DNR agrees to:

- 1) Assist the District/Department with updating status in ROSS;
- 2) Maintain IQS records for District/Department personnel with wildland fire qualifications, if red carded through the DNR;
- 3) Reimburse District/Department within 30 days of invoice receipt and documentation as required above;
- 4) Reimburse the Fire Service District/Department at the Total Cost of personnel. This includes, regular time, overtime, and District/Department backfill for that position as outlined in the State Mobilization Plan. The DNR will not pay for muster time, wildland premium pay, or other unspecified pay provisions.

****Rental vehicles must be procured consistent with the R6 USFS rental vehicle agreement. Rental vehicle authorization must be documented on the resource order. Please speak with your local DNR Region for more specific information. In order to provide audit tracking for all rental vehicles, rentals ordered for overhead resources with ROSS O # Resource Orders, will have a support request ROSS order attached to that O# resource, with an E# assigned to the vehicle. The overhead resource and Dispatch will ensure that if that person is re-assigned or released, the supporting vehicle order will also be re-assigned or released.**

RE: termination of contract 93-097293

Dear Mr. Burney:

Due to changes in how Forest Land Response Agreement (FLRA), Interagency Agreement and Federal Grant Agreement contracts are currently processed, the Washington State Department of Natural Resources (DNR) executed new contracts in 2019. The intent was that the new contracts would take the place of prior contract(s) for the same agreement(s). However, our records show that the prior contracts are still active through the expiration period. We would like to clean up records on both sides and avoid confusion as to which agreement trumps the other. Therefore, agreement(s) number 93-097293, issued 7/24/2018 is hereby terminated effective 3/12/2020, in accordance with Termination section number 24 in the original agreements. The current contract #93-099279 remains active and is in full force and effect.

Please keep a copy of this notice for your records.
