OLYMPIA HOME FUND: CAPITAL FUNDS FOR AFFORDABLE HOUSING

The City of Olympia (City) is seeking proposals from qualified development teams to submit proposals for developing affordable housing, shelter, or treatment for specific income levels and populations in Thurston County.

APPLICATION REQUIREMENTS

- Proposers must have submitted an application for a 2019 Consolidated Grant Application to Thurston County Housing Construction Pipeline.

The deadline for submission of proposals is **4 PM PDT, Wednesday May 15, 2019.**

Only email submissions will be accepted.

INTRODUCTION

The Olympia Home Fund was created in 2018 by a sales tax levy approved by Olympia voters. Proceeds from the Home Fund Account will be used to construct affordable and supportive housing and housing-related purposes, including mental and behavioral health facilities, and for costs for operations, maintenance, delivery, and evaluation of mental health programs and services, or housing-related services, as allowed by [RCW 82.14.530](#)¹.

OBJECTIVES

- **Construct new affordable housing units, shelter beds or treatment beds.** Construction can include conversion of existing market rate units into affordable housing.
- **Provide housing to households earning no more than 50 percent of area median income (AMI).** Beyond the minimum 50 percent AMI requirement, applicants are strongly encouraged to include as many units as possible that are affordable to households with incomes below 50% AMI.
- **Provide housing, treatment or shelter for targeted vulnerable household types** including:
 - Seniors
 - Single adults who are chronically homeless and have a disability
 - Families with children

¹ Olympia Home Fund Proposition 1 Ballot Language, 2018

- Unaccompanied youth or young adults
 - Survivors of domestic violence
 - Veterans
- **Reduce homelessness to Thurston County's most vulnerable homeless households** through referrals from a Thurston County Coordinated Entry provider. Proposals should articulate what levels of service and operating subsidies would likely be necessary for the project to be successful, and any partnerships have been or will need to be established to successfully operate the homeless units.
 - Demonstrate **readiness** to begin construction based on occupancy date and other measures.
 - Provide **integrated supportive services** at the housing, shelter, or treatment facility after construction.
 - Demonstrate **efficiency in development costs** to maximize the impact of City and other public and private fund sources. This priority will be evaluated through per-unit costs and a review of the project budget.

CONTRACT AND COMPENSATION

The selected consultant will be required to enter into a contract with the City with a duration of up to five years. The City Council has budgeted \$1,300,000 for these activities from this fiscal year and may obligate 2020 funds at their discretion. The City may award multiple contracts, or chose not to award.

All prospective contractors are advised that the ***Equal Benefits Compliance Declaration Review Form*** will be used on this project. These contracts are subject to certification of equal benefits supplied to all employees.

SUBMISSION REQUIREMENTS

Proposals must be delivered to Cary Retlin, Home Fund Manager, by email **no later than 4:00 p.m. PDT on May 15, 2019** to cretlin@ci.olympia.wa.us. Submissions must include:

1. Your project must have submitted a 2019 Consolidated Grant Application to Thurston County for the Housing Construction Pipeline.
