

SECTION 1. 2014 Policy Issues - Recommendations to City Council

The committee has scheduled 8 regular meetings to accomplish this work plan. Consistent with past practice, committee recommendations are forwarded to the full Council as part of the report for the relevant Council agenda items, often as an attached memo authored by the Chair or committee and/or an oral report by the Chair at a Council meeting. Unless otherwise noted, there is sufficient professional and administrative staff time to accomplish the Section #1 staff commitments in 2014

Professional staff liaison for PRAC is Jonathon Turlove.
Administrative staff support is provided by Tammy LeDoux.

Estimated Percent of Overall Committee Effort: 80%

SECTION 2. 2014 Program Implementation and/or Input to Staff

As programs are implemented and administrative procedures developed, staff often consults with committees for their input and perspective. Input from committee members is considered by staff in implementing the program or policy. This work is secondary to the primary committee purpose of policy recommendation advice to the City Council.

Unless otherwise noted, there is sufficient staff time/resource available in 2014 to accomplish or advance these items.

Estimated Percent of Overall Committee Effort: 20%
