

2006 - 2013 County Point-in-Time Count

Goal: Reduce Homelessness by 50% to 220 homeless people by July 2015
Reality: Homelessness increased by 56% since 2006.

The annual Point-in-Time Census (PIT) occurs every year at the end of January, and presents a snapshot of homelessness in Thurston County.

On January 24, 2013, 686 individuals were counted.
