

# Olympia Comprehensive Plan

- PL16.2 Adopt zoning that allows a wide variety of compatible housing types and densities.
- PL16.5 Support affordable housing throughout the community by minimizing regulatory review risks, time and costs and removing unnecessary barriers to housing, by permitting small dwelling units accessory to single-family housing, and by allowing a mix of housing types.
- PL16.9 In all residential areas, allow small cottages and townhouses, and one accessory housing unit per home -- all subject to siting, design and parking requirements that ensure neighborhood character is maintained.
- PL16.10 Require effective, but not unreasonably expensive, building designs and landscaping to blend multi-family housing into neighborhoods.
- PS3.1 Promote a variety of residential densities and housing types so that housing can be available in a broad range of costs.
