

# TITLE 18 – UNIFIED DEVELOPMENT CODE

---

## OMC Chapter – 18.02, Basic Provisions

### Proposal #1 - 18.02.180, Definitions

*Proposed amendments to definitions of “ Dwelling Unit ” types and “ Family ”. These amendments are proposed in response to changes in state law as adopted pursuant to House Bill 1220 (2021), Senate Bill 5235 (2021) and House Bill 1023 (2020).*

#### **Dwelling Unit**

**Dwelling Unit**. See definition for single-family. Various types of housing or human shelter, which are listed below and categorized by use.

- a. Dwelling, Conventional.
  - i. Accessory Dwelling Unit. A dwelling unit that has been added onto, created within, or separated from a single-family detached dwelling for use as a complete independent living unit with provisions for cooking, sanitation and sleeping.
  - ii. Apartment. A dwelling within a structure designed and used for occupancy by three or more individual persons or families living independently of each other. These structures include triplexes, fourplexes, and other multi-unit configurations.
  - iii. Boarding Home. Any home or institution, however named, which is advertised, announced or maintained for the express or implied purpose of providing board and domiciliary care to three or more aged persons not related by blood or marriage to the operator, under the provisions of Chapter [18.20](#) RCW. It shall not include any home, institution or section thereof which is otherwise licensed and regulated under the provisions of state law providing specifically for the licensing and regulation of such home, institution or section thereof. (See also Dwelling, Assisted Living.)
  - iv. Co-Housing. Co-housing developments consist of two or more dwelling units, one or more shared community structures (e.g., containing a meeting hall, dining hall/kitchen, community center, or day care) and perhaps a community garden, recreation area, or similar community-oriented use.
  - v. Condominium. A development consisting of an undivided interest in common for a portion of a parcel coupled with a separate interest in space in a residential or commercial building on the parcel.
  - vi. Cottage Housing Development. Four or more small, detached dwelling units sharing a commonly owned courtyard/common area and parking area.
  - vii. Courtyard Apartment. A dwelling within a structure or small detached structures on one parcel designed and used for occupancy by four or more individual persons or families living

- independently of each other. The units are oriented around a shared open space courtyard from which all ground floor units have primary entrances facing.
- viii. Duplex. One building containing two single-family dwelling units totally separated from each other by a one-hour fire wall or floor.
  - ix. Guest House. Living quarters without kitchen facilities located on the same lot with a principal building and occupied for the sole use of members of the family, temporary guests, or persons permanently employed on the premises. (See also Accessory Dwelling Unit.)
  - x. Manufactured Home. A single-family residence constructed after June 15, 1976, and installed in accordance with the U.S. Department of Housing and Urban Development (HUD) requirements for manufactured housing and bearing the appropriate insignia indicating such compliance.
  - xi. Manufactured Home, Designated. A manufactured home constructed after June 15, 1976, in accordance with state and federal requirements for manufactured homes, and which meets the requirements of OMC [18.04.060.O](#).
  - xii. Manufactured Home, New. Any manufactured home required to be titled under Title [46](#) RCW, which has not been previously titled to a retail purchaser, and is not a "used mobile home" as defined in RCW [82.45.032\(2\)](#).
  - xiii. Mobile Home. A single-family residence transportable in one or more sections, built on a permanent chassis, designed to be used as a permanent dwelling and constructed before June 15, 1976.
  - xiv. Modular Home. A structure constructed in a factory and installed in accordance with the applicable Building Code and bearing the appropriate insignia indicating such compliance. This definition includes "pre-fabricated," "panelized" and "factory built" units.
  - xv. Single-Family Dwelling. A single unit providing complete, independent living facilities for a family, including permanent provisions for living, sleeping, cooking and sanitation.
  - xvi. Single-Room Occupancy. A housing type consisting of one room with cooking facilities and with shared bathroom facilities. (See also Boarding Home, Lodging House and Bed and Breakfast.)
  - xvii. Townhouse. A single-family dwelling unit which is part of a group of two or more such units separated by a completely independent structural wall (including utilities in separate walls), extending from the ground to the roof in accordance with the applicable Building Code and which has no doors, windows or other provisions for human passage or visibility through the wall. In certain zoning districts, such dwelling units are platted with common side and/or rear property lines between the structural walls. See Chapter [18.64](#).
  - xviii. Triplex. One building containing three single-family dwelling units totally separated from each other by a one-hour fire wall or floor.

- xix. Fourplex. One building containing four single-family dwelling units totally separated from each other by a one-hour fire wall or floor.
- xx. Sixplex. One building containing six single-family dwelling units totally separated from each other by a one-hour fire wall or floor.

b. Dwelling, Transient.

- i. Bed and Breakfast. A dwelling for the purpose of providing lodging for travelers and guests for a period of less than two weeks for compensation and having at least one kitchen used to provide breakfast but no other meals. Such dwelling shall have no more than five such guest rooms for persons other than the immediate family of the operator occupying such dwelling. Any such dwelling having over five such guest rooms is a hotel.
- ii. Hotel. Any building containing six or more guest rooms where lodging, with or without meals, is provided for compensation, and where no provisions are made for cooking in any individual room or suite.
- iii. Lodging House. A dwelling having only one kitchen and used for the purpose of providing lodging, or lodging and meals, for compensation for no more than five persons other than the members of the immediate family of the operator occupying such dwelling. Any such dwelling having over five such guests is considered a hotel. (See also Boarding Home.) [NOTE: A lodging house allows for an unlimited stay, unlike a Bed and Breakfast which is limited to two weeks.]
- iv. Motel. Guest rooms or suites occupied on a transient basis often with most rooms gaining access from an exterior walkway. (See also Recreational Vehicle.)
- v. Trailer House. See Recreational Vehicle.

c. Dwelling, Assisted Living.

- i. Adult Day Care Home. A residence in which adults (at least 18 years in age) and who are not related to the caregiver stay for no more than 12 hours per day. Emergency medical care may be provided in such facilities, but not convalescent care. (See also Convalescent Home and Elder Care Home.)
- ii. Convalescent Home. Any home, place, institution or facility which provides convalescent or chronic care, or both, for a period in excess of 24 consecutive hours for three or more patients not related by blood or marriage to the operator, who by reason of illness or infirmity, are unable properly to care for themselves. Such establishment shall be duly licensed by the State of Washington as a "nursing home" in accordance with the provisions of Chapter [18.51](#) RCW.
- iii. Congregate Care Facilities. A building or complex of dwellings specifically designed for occupancy by senior citizens which provides for shared use of facilities, such as kitchens, dining areas, and recreation areas. Such complexes may also provide kitchens and dining

space in individual dwelling units. Practical nursing care may be provided, but not nursing care as described in Section [18.04.060\(S\)](#).

- iv. Elder Care Home. An elder care home or adult family home in the primary residence of a person licensed pursuant to Chapter [70.128](#) RCW to provide personal care, room, and board for one to five adults (at least 18 years of age) who are not related to the caregiver. Home health care and limited nursing care (dispensing of medicine and emergency medical aid) may be provided, but not convalescent care. (See also Convalescent Home, and Boarding Home.)
- v. Group Homes. A place of residence for the handicapped, physically or mentally disabled, developmentally disabled, homeless, or otherwise dependent persons. Group Homes are intended to provide residential facilities in a home-like environment. Such homes range from licensed establishments operated with 24 hour supervision to non-licensed facilities offering only shelter. They shall not include correctional facilities (except as authorized by Chapter [137-56](#) and [137-57](#) WAC for work/training release programs), nursing homes, Type III group care facilities, foster family homes, or adult family homes as defined by the Washington State Department of Social and Health Services or its successor agency. Group homes include, but are not limited to the following:
  - (a) Confidential Shelters. Shelters for victims of domestic violence as defined and regulated in Chapter [70.123](#) RCW and Chapter [388-61A](#) WAC. Such facilities are characterized by a need for confidentiality.
  - (b) Home for the Disabled. A home or other facility which provides board and domiciliary care to individuals who, by reason of infirmity, require such care. An infirmity may be based on conditions including, but not limited to, physical handicap, mental illness, and other developmental disabilities. These group homes are a type of boarding home, as defined and regulated in Chapter [18.20](#) RCW. However, boarding homes serving the aged infirm are not included in this definition.
  - (c) Homeless Shelter. A facility offering lodging and/or emergency shelter to homeless individuals for an indefinite period of time and meeting the standards of Chapter [248-144](#) WAC.
    - (c)(i) Emergency Housing. Temporary indoor accommodations for individuals or families who are homeless or at imminent risk of becoming homeless that is intended to address the basic health, food, clothing, and personal hygiene needs of individuals or families. Emergency housing may or may not require occupants to enter into a lease or an occupancy agreement.
    - (c)(ii) Emergency Shelter. A facility that provides a temporary shelter for individuals or families who are currently homeless. Emergency shelter may not require occupants to enter into a lease or an occupancy agreement. Emergency shelter facilities may include day and warming centers that do not provide overnight accommodations.

- (d) Group Home for Youth. Any home maintained and operated for the care of children on a 24 hour basis as defined and regulated in Chapter [388-73](#) WAC and Chapter [74.15](#) RCW.
- (e) Group Home for Offenders. A home or other facility operated for housing and supervision of work/training release residents during their stay in a work/training release program as defined and regulated in Chapters [137-56](#) and [137-57](#) WAC.
- vi. Hospice Care Center. Facilities licensed under Chapter [70.41](#) RCW which provide for the emotional and physical care of terminally ill patients. Such centers provide food, lodging, and palliative care on a full-time (24 hour) basis for two or more people, unrelated to the Center's operator, who are in the latter stages of a disease expected to cause death.
- vii. Nursing Homes. See Convalescent Home.
- viii. Rest Home. See Congregate Care.
- ix. Permanent Supportive Housing. Subsidized, leased housing with no limit on length of stay that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a successful tenant in a housing arrangement, improve the resident's health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW.
- x. Transitional Housing. This housing provides stability for residents for a limited time period, usually two weeks to 24 months, to allow them to recover from a crisis such as homelessness or domestic violence before transitioning into permanent housing. Transitional housing often offers supportive services, which enable a person to transition to an independent living situation.

## **Family**

Family. An individual, or two or more persons ~~related by blood, or marriage, or a group of not more than six persons who are not related by blood or marriage~~, living ~~together~~ in a dwelling unit or a foster family home, or an adult family home, as defined under Washington State law or administrative code.

## OMC Chapter – 18.04, Residential Districts

### Proposal #2 – 18.04.040, TABLES: Permitted and Conditional Uses

The intent of these revisions is to address changes in state laws that require local governments to allow certain housing types in certain locations. The proposal also identifies triplexes as a permitted use in the R-4CB zone, which was inadvertently removed during earlier code amendments. The amended state laws were adopted in House Bill 1220 (2021), Senate Bill 5235 (2021), and House Bill 1023 (2020).

## Proposal #3 – 18.04.040 Permitted, Conditional and Prohibited Uses

*The intent of this revision is to replace Figure 4-2a in OMC 18.040.040.EE with one that is legible. This figure identifies neighborhoods that are subject to infill and residential design standards in OMC 18.175.*

### EE. GARAGE PLACEMENT AND WIDTH.

(Also see OMC [18.100](#), Design Review, and OMC [18.175](#), Infill and Other Residential.)

1. Applicability. The standards listed in Subsection 3 below apply only to:
  - a. Single-family dwellings on lots of less than five thousand (5,000) square feet in size located in subdivisions for which a complete preliminary plat application is submitted after April 22, 1996;
  - b. Duplexes;
  - c. Triplexes; and
  - d. Fourplexes.
2. Exceptions. The dwellings listed in Subsection 1.a. above are exempt when located on one of the following types of lots:
  - a. Lots fronting on private access lanes (see the City of Olympia Engineering Design and Development Standards as adopted in OMC [12.02](#)) where the garage would not face a public street;
  - b. Flag lots (see OMC [18.02.180](#), Definitions, Lots);
  - c. Wedge-shaped lots (see OMC [18.02.180](#), Definitions, Lots); and
  - d. Lots with trees or topography which preclude compliance with the provisions of this Section, as determined by the approval authority.
3. Garage Standards.
  - a. Garages shall not protrude ahead of the dwelling's ground floor front facade more than:
    - i. Eight (8) feet on two (2) story dwellings (i.e., dwellings with habitable space above the ground floor); or
    - ii. Four (4) feet on single-story dwellings.

These requirements above (i. and ii.) do not apply to garages with doors which do not face the street (see OMC [18.175.060](#), Residential Design Guidelines - Garage Design), or garages flush with the supporting posts of covered porches which span the remainder of the dwelling's front facade.

- b. Garage width shall not exceed the following percentage of the dwelling's front facade:
  - i. Two-story dwellings (containing habitable space above the ground floor): sixty (60) percent.
  - ii. Single-story dwellings: fifty percent (50%).

For purposes of the above measurements, garage width shall include the garage doors facing the street plus any required supporting panel. The dwelling's facade shall be measured in a straight line, parallel to the building face, between the outermost ends of the facade facing the street. See Figure 4-2b.

Where the boundary coincides with a street, lots on both sides of the street are subject to the applicable regulations and design guidelines.

FIGURE 4-2a

Measurement of Front Facade

FIGURE 4-2b

**Proposal #4 - 18.04.080, Table 4.04, Residential Development Standards**

*Intent: The intent of these revisions is to clarify that increases to the amount of hard surfaces allowed is subject to soil suitability and stormwater standards.*

## OMC Chapter – 18.05, Villages and Centers

### Proposal #5 – 18.05.040, TABLES: Permitted and Conditional Uses

*Intent: The intent of these revisions is to delete or correct code citations that are no longer current and to address changes in state laws that require local governments to allow certain housing types in certain locations. The proposal also identifies triplexes as a permitted use in the R-4CB zone, which was inadvertently removed during earlier code amendments. The amended estate laws were adopted in House Bill 1220 (2021), Senate Bill 5235 (2021), and House Bill 1023 (2020).*

## OMC Chapter – 18.38, Parking Standards

**Proposal #8 – 18.38, Parking Standards:** *The intent of these revisions is to replace figures with ones that are more legible.*

**~~Downtown Area Exempt From Loading Berth Requirements~~**

**FIGURE 38-1.5**

### 18.38.140 Loading berths required

[NOTE: Loading berths are not required in Downtown Olympia (see Figure 38-1.5). (See Section [18.36.180\(C\)\(2\)\(b\)](#) for landscape requirement.)]

#### A. RETAIL, WHOLESALE AND MANUFACTURING USES.

Any building being or intended to be used for retail, wholesale, warehouse, freight, hospital, industrial and manufacturing uses shall be provided with off-street loading berths according to this schedule.

1. For buildings under five thousand (5,000) square feet, an off-street loading space, having access to a public thoroughfare, shall be required adjacent to each business building, hereafter erected or enlarged; and such loading space shall be of adequate size to accommodate the maximum number and size of vehicles simultaneously loaded or unloaded in connection with the business conducted in such building.

2. One (1) berth shall be required for each building containing five thousand (5,000) to twenty thousand (20,000) square feet of floor area.
3. Two (2) berths shall be required for each building containing twenty thousand (20,000) to fifty thousand (50,000) square feet of floor area.
4. Three (3) berths shall be required for each building containing fifty thousand (50,000) to one hundred thousand (100,000) square feet of floor area.
5. One (1) additional berth shall be required for each fifty thousand (50,000) square feet of floor area in excess of one hundred thousand (100,000) square feet.

#### B. OFFICE AND HOTEL USES.

Any building intended to be used for offices, hotel, restaurant, assembly area or other similar use shall be provided with off-street loading berths according to this schedule.

1. One (1) berth for each building containing twenty thousand (20,000) to fifty thousand (50,000) square feet of floor area.
2. Two (2) berths for each building containing fifty thousand (50,000) to one hundred thousand (100,000) square feet of floor area.
3. One (1) additional berth for each one hundred thousand (100,000) square feet of floor area in excess of one hundred thousand (100,000) square feet.

#### C. LOADING BERTH DESIGN STANDARDS.

Off-street loading facilities shall be designed and maintained in accordance with the standards hereunder.

1. Each loading berth shall be at least ten (10) feet wide, forty-five (45) feet long and fourteen (14) feet high.
2. Loading berths and spaces may be located in any required yard providing such berth is not roofed and is not within a required landscape area.
3. Loading berths and spaces shall be located entirely on the property they are intended to serve and designed in such a way that a street is not used as a maneuvering area.
4. Access to loading berths shall be from an alley when such exists.
5. Two (2) or more separate occupancies or buildings having a common wall may locate their required loading berths in one (1) location; provided, the number of berths is not less than the sum of required berths for all buildings concerned; and there shall be interior access from each building to the loading berth.
6. Loading areas shall be designed that traffic congestion and interference is avoided and the highest possible of safety is maintained.

**Downtown Area Exempt From Loading Berth Requirements**

**FIGURE 38-1.5**

**18.38.160 Specific zone district requirements**

A. Ten (10) Percent Reduction in Parking Requirements.

The median motor vehicle parking requirements contained in Section [18.38.100](#) shall be reduced by ten (10) percent for uses in the High Density Corridor 1, 2, 3, and 4 Districts (see High Density Corridor Map), Neighborhood and Urban Villages, and within the Downtown (see Figure 38-2). This shall not be used in combination with an administrative parking variance or other reductions unless approved by the Director.

B. Urban Residential (UR), High Rise Multifamily (RM-H) Residential Mixed Use (RMU) and Commercial Services - High Density (CS-H) Zones.

Residential uses shall be provided with one (1) motor vehicle parking space per unit unless otherwise exempted below.

C. Downtown Exempt Parking Area (See Figure 38-2).

1. Existing buildings constructed prior to January 1, 2002, which are located within the Downtown Exempt Parking Area (See Figure 38-2), shall be exempt from the vehicle parking standards. However, a change of use within such existing structures shall comply with the long-term and short-term bicycle parking standards pursuant to Table 38.01;
2. All new residential buildings and uses located within the Downtown Exempt Parking Area (See Figure 38-2) shall be exempt from vehicle parking standards. However, if any new residential parking is constructed, the parking facility shall meet the Parking Design, Pedestrian Street and Design Review Criteria (OMC [18.38.180](#) through [18.38.240](#) and applicable OMC [18.04](#) or [18.06](#), [18.16](#) and [18.20](#)). All new residential buildings and uses shall comply with the long-term and short-term bicycle parking standards pursuant to Table 38.01; and
3. All new commercial buildings or expansions totaling over 3,000 square feet of gross leasable area, constructed after January 1, 2002, which are located within the Downtown Exempt Parking Area (See Figure 38-2) shall be required to meet vehicle parking and bicycle standards (OMC [18.38.020](#) through [18.38.240](#)).
4. Bicycle parking is not required for those buildings and uses located within the Downtown Exempt Parking Area (see Figure 38-2) that do not provide on-site motor vehicle parking.

D. High Density Corridor 1 and 2, and Urban Residential (UR).

1. Townhouse units shall provide one and one-half (1.5) parking spaces per unit;
2. Multifamily units shall provide one (1) parking space per unit;
3. Small restaurants (up to 750 square feet of service area) shall provide two (2) parking spaces/1,000 square feet; and
4. Small retail including food stores and laundries (up to 3,000 square feet) shall provide two (2) parking spaces per 1,000 square feet. (The first 350 square feet are exempt from parking requirements.) Small retail may provide additional parking up to three and one-half (3.5) parking spaces per 1,000 square feet.

**FIGURE 38-2**

**Proposal #9 – 18.72, Administration:** *The intent of these revisions is to update the review authority table for consistency with other parts of the OMC.*

**18.72.100 Review and appeal authority**

The following table describes development permits and the final decision and appeal authorities. When separate applications are consolidated at the applicant’s request, the final decision shall be rendered by the highest authority designated for any part of the consolidated application

KEY:

- Director = Community Planning and Development Director or designee
- SPRC = Site Plan Review Committee
