The Department shall forward rezone requests to the Planning Commission for review and recommendation and to the City Council for consideration for review and action. The following criteria will be used to evaluate the rezone request.

- A. The rezone is consistent with an approved amendment to the future land use map.
- B. The rezone is consistent with the Comprehensive Plan; and
- C. The rezone will maintain the public health, safety, or welfare; and
- D. The rezone is warranted in order to achieve consistency with the Comprehensive Plan, or because of a need for additional property in the proposed land use district classification, or because the proposed zoning classification is appropriate for reasonable development of the subject property; and
- E. The rezone will not be materially detrimental to uses or property in the immediate vicinity of the subject property.

Rezone requests not accepted for review may be resubmitted by the proponent, subject to the timelines contained in this chapter.
