

Ordinance No.

AN ORDINANCE OF THE CITY OF OLYMPIA, WASHINGTON, RELATING TO UTILITY FEES AND CHARGES, AMENDING SUBSECTIONS 4.24.010A, 4.24.010B, 4.24.010C, AND 4.24.010D OF THE OLYMPIA MUNICIPAL CODE.

WHEREAS, the City's utilities are managed with a goal of resource sustainability in order to maintain, rebuild, expand systems, and prepare for revenue variability; and

WHEREAS, the City Council intends to meet the goals and policies for utility fiscal management set forth in the Comprehensive Plan and utility master plans; and

WHEREAS, the City Council intends to promote rate equity through cost recovery by customer class, and to smooth out rate spikes over a period of up to six years, the time period for which the CFP is developed; and

WHEREAS, the City's Storm and Surface Water Utility and the Wastewater Utility are managed to maintain minimum operating expense reserves of ten (10) percent, and the Drinking Water Utility is managed to maintain minimum operating expense reserves of twenty five (25) percent; and

WHEREAS, in order to incorporate the foregoing principles into Water Utility, City Storm and Surface Water Utility, City Wastewater collection and LOTT Cleanwater Alliance wastewater (LOTT) treatment rates, the City Council received recommendations from the Utility Advisory Committee, held hearings, and reviewed the utility rates set forth in this ordinance; and

WHEREAS, pursuant to the Interlocal Cooperation Act Agreement for Sewer Treatment, the LOTT Board of Directors is empowered to "impose, alter, regulate, and control rates, charges, and assessments;" and the LOTT Board of Directors held a public hearing and approved certain rate increases, which the City Council must annually adopt;

NOW, THEREFORE, THE OLYMPIA CITY COUNCIL ORDAINS AS FOLLOWS:

Section 1. Amendment of OMC Section 4.24.010. Section 4.24.010 of the Olympia Municipal Code is hereby amended to read as follows:

04.24.010 - Computation and assessment of charges

The rates set forth below do not reflect any possible surcharges or discounts provided to a parcel of property or customer under any provision of city ordinances or taxes assessed directly upon customers for which the city acts as collection agent.
