10.16.055	Residential Parking Program		4 Change fee from \$10/year to \$5/month	Per strategy, need to transition residential permit holders to montly fee, with the intent to a) move vehicles off-street in downtown core and b) provide appropriate revenue for adequate enforcement in South Capital neighborhood.

Chapter	Section	Item	Suggested Change	Explanation
10.16.280	Parking Services' Scofflaw List (vehicles involved in eight or such greater number of parking tickets unpaid more than sixty days after their issuance)	G	Remove "and OMC Section 10.16.290, Immobilization,"	A hearing for an immobilized vehicle would prevent vehicle from being impounded, leaving it on the street for days, if not weeks.
10.16.290	Immobilization	A, B, C, and D	Change "boot" to "immobilization device" and describe barnacle	Immobilization technology changing to include other methods of immobilizing vehicles
10.16.300	Impoundment	A.7, A.8, A.9	Adding hazardous vehicles with 3 consecutive restricted citations, 12 hour hooded meters, and vehicles in load zones with 3 consecutive citations over 24 hours	Having the authority to impound allows business to continue, reduces chaos.
10.16.310	Downtown Carpool Parking Program	A, D.1.a.vii.	Changing "free of" to "without" and requiring permit renewal by first of following month.	"free" can give the false impression that the permit is free, and the code needed specificity pertaining to the renewal deadline.

Restricting access via permits, increasing the penalties, and adding the option to impound an offending vehicle will return the flow of commerce back to normal faster.
10.20.070	RCW parking enforcement - Administrative fees	New Ordinance	Specify administration fees added to enforcement of RCW 46.19.050 and RCW 46.08.185	Enforcing RCW costs the City money that is not recouped by the citation.
