Subject: RE: notices for planning commission meetings

Dear Ms. Friedman,

The City will be sending notice of our City Council's public hearing on November 5th ten days prior to that hearing, and notice will be sent to the County's distribution list. I will double-check to make sure you are on that list.

Because this area is in Thurston County, while also part of Olympia's urban growth area (meaning it will one day be annexed into Olympia) the decision regarding whether or not to approve the proposal will be made by both Thurston County and City of Olympia. We refer to the process as Joint Planning. Here are the dates for the City meetings involving these issues:

- October 22 – Olympia Planning Commission will deliberate on their recommendation, meeting starts at 6:30pm at Olympia City Hall.
- November 5 – Olympia City Council public hearing, meeting starts at 7:00 p.m. at City Hall.
- November 20 – Olympia City Council deliberation and decision on first reading, meeting starts at 7:00p.m. at City Hall
- December 11 – Olympia City Council final decision (typically does not involve further discussion, just a technical and final decision on the matter.)
- You can view the agendas and staff reports for these meetings 5 days prior to the meeting here: <http://olympia.legistar.com/Calendar.aspx>.

After that, the City Council's decision will be forwarded to the Thurston County Commissioners, and I understand they are set to deliberate in early January 2013. I also believe the Thurston County Commissioners will deliberate their recommendation on November 7.

Hope that helps,

Amy Buckler

Subject: notices for planning commission meetings

Dar Ms. Buckler,

I attended the combined City and County planning commission meeting on Oct 10. I am on the mailing list to receive info about County meetings, but not for the City planning commission. Does the City send out email notices about meetings? or postal mail? I'd like to be added to the list please.

thank you,
Ann Friedman
