

# Pre-Application Request

Martin Way Heights  
2640 MARTIN WAY E, OLYMPIA

Revival Architects is proposing an apartment building to be located at 2640 MARTIN WAY E, OLYMPIA where a trailer park currently sits. The building is planned to be 7 stories tall, and contain up to 131 apartment units. On site parking will be provided, with 60 spaces shown currently on the site plan.

We would like to discuss the provided plans to provide guidance and clarification as we work through the design process. We would like to discuss any potential issues with the current design, and the potential impacts the project may have.
