During this portion of the meeting, community members may address the City Council regarding items related to City business, including items on the Agenda. In order for the City Council to maintain impartiality and the appearance of fairness in upcoming matters and to comply with Public Disclosure Law for political campaigns, speakers will not be permitted to make public comments before the Council in these two areas: (1) where the public testimony may implicate a matter on which the City Council will be required to act in a quasi-judicial capacity, or (2) where the speaker promotes or opposes a candidate for public office or a ballot measure.

Individual comments are limited to two (2) minutes or less. In order to hear as many people as possible during the 30-minutes set aside for Public Communication, the City Council will refrain from commenting on individual remarks until all public comment has been taken.
