

# Sea Level Rise Response Planning

## Menu of Sea Level Rise Adaptation Strategies

## Examples of Physical Strategies:

TEMPORARY FLOOD PROTECTION	LIVING WITH WATER	PERMANENT FLOOD PROTECTION
 FLOOD GATES	 LIVING SHORELINE	 RAISE WALL
 SAND BAGS	 FLOODABLE LANDSCAPE	 STEPS
 SEAL STREET GRATES	 STORMWATER MANAGEMENT	 BERM
 PORTABLE BARRIERS	 ELEVATED STRUCTURES	 WALL
	 FLOOD PROOFING	 ELEVATED PATH
	 WET FLOOD PROOFING	 ELEVATED STREET
		 RAISED PLANTERS
		 ELEVATED BOARDWALK

## Non-Physical Strategies:

### Governance

- Update design standards
- Update building code
- Floodplain Management
- Interagency partnerships

### Informational

- Tide station installation
- Groundwater observations
- Measure subsidence
- Modeling studies

### Operational

- Traffic detours
- Emergency response
