

AN ORDINANCE OF THE CITY OF OLYMPIA, WASHINGTON, RELATING TO PUBLIC HEALTH AND SAFETY AND DECLARING A CONTINUING STATE OF PUBLIC HEALTH EMERGENCY RELATING TO HOUSELESSNESS; AUTHORIZING SUCH ACTIONS AS ARE REASONABLE AND NECESSARY TO MITIGATE THE CONDITIONS GIVING RISE TO SUCH PUBLIC HEALTH EMERGENCY; AND DECLARING AN EMERGENCY SO THIS ORDINANCE SHALL BE EFFECTIVE UPON ADOPTION

WHEREAS, persistent and increasing houselessness is a public health and safety issue that greatly impacts people experiencing houselessness, as well as the entire community, all citizens, neighborhoods, and businesses; and

WHEREAS, the Olympia City Council passed Ordinance No. 7146 on July 17, 2018, finding and declaring a public health emergency relating to human health and environmental conditions caused by increasing houselessness in the City of Olympia; and

WHEREAS, since the adoption of Ordinance No. 7146, the number of houseless persons and tents within the City of Olympia dramatically increased, particularly since August 2018, causing serious and detrimental conditions relating to human health, sanitation, and welfare; and

WHEREAS, after considering public testimony and reviewing the conditions that gave rise to this public health emergency, the City Council found that the conditions still existed and passed and adopted ordinances declaring a continuing state of public health emergency relating to houselessness as follows:

- Ordinance No. 7179 – December 18, 2018
- Ordinance No. 7192 – May 7, 2019
- Ordinance No. 7207 – November 12, 2019

and

WHEREAS, after considering public testimony and finding that the emergency relating to houselessness was continuing and increasing in the City of Olympia and was further compounded and exacerbated by the special dangers posed by the COVID-19 pandemic, the City Council passed and adopted the following ordinances declaring a continuing state of public health emergency relating to houselessness:

- Ordinance No. 7243 – May 5, 2020
- Ordinance No. 7256 – November 2, 2020
- Ordinance No. 7277 – May 4, 2021
- Ordinance No. 7295 – November 1, 2021
- Ordinance No. 7319 – April 25, 2022
- Ordinance No. 7341 – October 25, 2022

WHEREAS, the number of houseless persons occupying portions of the City of Olympia has caused significant and real problems for public health and safety relating to human excrement, urine, trash, refuse, needles associated with drug use; all of which pose a serious and immediate danger to public health; and

WHEREAS, the Olympia City Council finds that in Olympia and Thurston County and throughout the nation, large numbers of individuals, families and unaccompanied youth are experiencing houselessness

due to such factors as job loss, rising housing costs, stagnant and declining wages, family crisis, domestic violence, trauma, substance abuse or addiction, and mental health issues, and discrimination based on race, disability, sexual orientation, gender expression, and transgender status; and that such conditions have not abated or decreased since the adoption by Council of Ordinance No. 7146 on July 17, 2018, but have shown increasing signs within the City of Olympia; and

WHEREAS, communities such as Seattle, Washington; Tacoma, Washington; Portland, Oregon; and Los Angeles, California, have declared states of emergency in order to provide expedited emergency services and shelters for unsheltered individuals, families and unaccompanied youth and are continuing to struggle with the effects of houselessness within their respective jurisdictions; and

WHEREAS, the supply of available temporary shelter beds in Thurston County and the City of Olympia is inadequate to meet demand of houseless persons; and

WHEREAS, the Eighth Amendment to the U.S. Constitution, as interpreted by the Ninth Circuit Court of Appeals in *Martin v. City of Boise*, 902 F.3d 1031 (Sept. 4, 2018), precludes the City from enforcing criminal ordinances against houseless persons for sleeping outside on public property when there is no access to alternative shelter or lawful camping sites, and the United States Supreme Court declined review of the Ninth Circuit's decision on December 16, 2019, resulting in the *Boise* decision being the law within the Ninth Circuit; and

WHEREAS, the Olympia City Council finds there is an emergency need for designated public property so houseless persons may lawfully camp within the City of Olympia with public sanitation facilities, potable water, and collection of trash and refuse for proper solid waste disposal; and

WHEREAS, the experience of being unsheltered is traumatic and endangers public health as these conditions expose occupants to harmful weather conditions, communicable diseases such as hepatitis, tuberculosis, respiratory illnesses, malnutrition, and violence; and exacerbate medical conditions such as high blood pressure, diabetes, and asthma because there is no safe place to properly store medications or syringes; and

WHEREAS, mental health issues such as depression or schizophrenia often develop or intensify for unsheltered individuals, and those conditions frequently co-occur with a complex mix of severe physical, alcohol and/or substance use, and other social problems; and

WHEREAS, when a patient's health is continually compromised by unstable conditions, health care services are rarely effective, and inpatient hospitalization or residential drug treatment and mental health care rarely have lasting impacts when a patient is returned to a houseless environment; and

WHEREAS, other environmental degradation can occur, such as damage to critical wetlands and river buffers when occupied by encampments, or surface water contamination due to runoff from garbage that can find its way into groundwater, rivers, and to other waterbodies causing harm to people, fish and wildlife; and

WHEREAS, conditions necessitating a public health emergency continue to exist in the City of Olympia, including widespread unsanctioned camping, threats of communicable diseases from unsanitary conditions, environmental degradation from human waste and garbage, illegal drug use, and improper use of public and private property throughout our community; and

WHEREAS, the above circumstances are and continue to present significant public health and safety issues for the entire community and necessitate urgent further actions to mitigate the conditions giving rise to this threat to public health and safety; and

WHEREAS, the City of Olympia is confronted with exigent financial circumstances related to this public health and safety emergency to protect its citizens and residents, and to protect the community; and

WHEREAS, the growing houseless population in the City of Olympia has surpassed Olympia's available means and resources, such that assistance is urgently needed from Thurston County and the State of Washington to make available county and state lands, buildings, and other resources to help provide temporary camping and shelter for Olympia's houseless population; and

WHEREAS, the above circumstances warrant the exercise of the City of Olympia's power to declare a public health emergency under authority of Article XI, Section 11, of the Washington State Constitution; 35A.11.020 RCW; 35A.11.030 RCW; 35A.13.190 RCW; 35A.38.010 RCW; 35.33.081 RCW; Chapter 38.52 RCW; Chapter 39.04 RCW; WAC 197-11-880; and other applicable laws and regulations, and pursuant to Chapter 2.24 of the Olympia Municipal Code, and pursuant thereto, and the authorization of such extraordinary measures as are reasonable and necessary in light of such continuing public health emergency to mitigate the conditions giving rise to the public health emergency; and

WHEREAS, the City Council has reviewed the conditions that have given rise to this public health emergency to determine if such conditions warrant keeping in place the extraordinary measures authorized herein to respond to this continuing public health emergency; and

WHEREAS, the City Council finds such conditions still exist and determines it to be in the best interest of the residents of the City of Olympia to extend the ordinance declaring a public health emergency due to houselessness for an additional six (6) month period;

NOW, THEREFORE, THE OLYMPIA CITY COUNCIL ORDAINS AS FOLLOWS:
