Question applies to multiple boards

Advisory committees are a structured way for individual community members to share their opinions and perspectives, study issues, and develop recommendations in a focused small group. Their primary purpose is to provide judicious advice, from a community member's perspective, to the Olympia City Council.

Committee activities may include study of critical issues, hearing public testimony, independent research, and reviewing staff reports and recommendations - all of which is intended so that the committee is prepared to discuss, formulate, and forward well-developed, thoughtful recommendations to the City Council in a timely manner.

The City of Olympia values participation from all perspectives and life experiences and looks for equity and inclusion in advisory board appointments.

To reduce barriers to community member participation, beginning April 1, 2021, the City will offer stipends of \$25 per meeting attended to Advisory Committee members. Those members who certify as low income are eligible to receive stipends of \$50 per meeting attended. Advisory Committee members may waive the stipend upon request.

Applications are accepted for the calendar year only. The Olympia City Council's General Government Committee recommends appointments to the full Council. Recommendations are made following review of applications and interviews of qualified candidates.

The City of Olympia is committed to the non-discriminatory treatment of all persons in employment and the delivery of services and resources.

2. Describe your experience, qualifications, and/or skills which would benefit this advisory committee.

I am a strong speaker and I have great people skills. I am also in my twenties and I think being able to represent that age group is important. Other than my own experience with skating and frequenting the parks, I mostly bring a strong presence and a different perspective.

3. Describe your involvement in the Olympia community.

I have a group called Oly Broads On Boards that myself and another friend manage, and we plan skate meetups to provide a safe space for women and girls and queer folks to learn to skate or try new things, in an environment that is encouraging and not intimidating. We use a lot of Olympia park space to do this, Friendly Grove being one of our favorites! I also work downtown and spend a lot of time in the community.
