

Council Consideration of Comprehensive Plan Topics 8/12/14

Topic	No Change	Staff Clarification	Refer to Committee	Council Study Session	Comments
1.0 Vision & Values		X			Ready to move forward except for one staff clarification request to strengthen identity of Olympia as Capital City
2.0 Street Connectors and Other Transportation Issues				1	Decatur/Fern/16th connections specifically, whether to remove – Council work session with pre-work by staff on language to remove recognizing unique nature of SW area.
				2	Alleys – require where feasible/establish objective criteria (2 nd approach, top p6); include some context; pre-work looking for consistency with LUEC discussion.
		X			Safety of newly connected streets – staff clarification (p5).
3.0 View Protection and Waterfront Uses				3	Specified View Corridors – should specific views be listed in plan? Is list too extensive, or not?
				4	Capitol Lake –How does it fit in Comp Plan? Implications for City of different directions that may be taken by State (within context that Capitol Lake is state property). Not a discussion about lake vs estuary.
4.0 Urban Corridors				5	Urban Corridors topic area – Council work session. See #14 re basic visuals.
