

OPC INITIAL DELIBERATIONS – Commissioner Requests*

A majority of Commissioners may request that comments and requests are added to the lists below:

1. REQUESTS FOR FURTHER INFORMATION:

Staff will provide information as an attachment to a future staff report with an initial target deadline of October 29, and a final deadline of November 19. Staff will notify the Commission if resources cannot support the request within the Commission's review timeframe.

September 17 Meeting (Foundations):

- Is July Draft silent regarding greenhouse gas emissions?
- How is adaptive planning (& adaptive management) addressed in July Draft?
- What is in the July Draft to address the aging population?
- Current housing vacancies and supply? Trend? Age of housing stock?
- Provide information showing where population directly affects areas of the Plan.
- Buildable Lands Report. Point to analysis regarding where infill could occur.

September 24 (Environment):

- What is the resource impact for staff to provide a comment response document for April comments?
- Which population forecast is being used? What is the confidence level (statistics, if possible)?
- Which sections of the Plan address liquefaction?
- Provide a copy of the proposed urban agriculture policies received by staff early in 2012.
- Who currently receives recycled water?
- Provide University of Washington study on liquefaction risk.
- Provide information regarding valuation (\$) of natural environment and open space.

2. REQUESTS FOR NEW OPTIONS OR DRAFT LANGUAGE FOR FINAL DELIBERATIONS:

Specifically requested language changes or alternative options will be provided during Final Deliberations in November, in accordance with the schedule and work plan to be created by the CPU Subcommittee.

September 10 Meeting (Vision/Values)

- OPC requested specific changes to the community Vision and Value statements.

September 17 Meeting (Foundations):

- *None*

September 24 (Environment):

- Qualifiers regarding population forecast (statement of caution)
- Add explanation regarding structure/organization of Plan

*Staff will continue to add to each of the three lists with new requests/comments from each meeting.

Last Updated: September 25, 2012

3. "PARKING LOT" ITEMS:

These are comments Commissioners wanted noted for possible future discussion. There is no expectation that staff will respond to comments noted on this list.

September 17 Meeting (Foundations):

- How does the City address the needs of struggling businesses, particularly regarding aging infrastructure?
- Livability, happiness & health. Does Seattle have a definition?

September 24 (Environment):

- Staff response to public comments on the April and July Drafts
- Add Sea Level Rise monitoring policy
- Conservable lands

*Staff will continue to add to each of the three lists with new requests/comments from each meeting.
