#### **Background and Analysis:**

For general background, the City owns the building and executes an Operations and Maintenance Agreement with the Olympia Farmers Market for the ongoing operations on the premises. The building sits on Port of Olympia property, and the City and Port currently are in the middle of a 50-year lease agreement for the location of the market on this property.

The Farmers Market Community Solar Project, LLC was granted a lease agreement in 2011 allowing the placement of solar panels on the roof of the City-owned Farmers Market building. The agreement has reached expiration, and this extension (through the end of June) will allow the City and Farmers Market to determine if they are interested in retaining possession of the panels, or requiring the Farmers Market Community Solar Project, LLC, to remove the them. It also allows the

Solar, LLC, to collect any remaining incentives through the expiration of the Washington State Department of Revenue-managed incentive program in June of 2020.

The Farmers Market currently receives the power generated from the panels, which are operated and maintained by the “LLC.” There have been no safety concerns with the panels over the life of the project, and panels are affixed by clamps which means the integrity of the roof remains intact.

The “LLC” is responsible for all insurance and maintenance, and secures a \$10,000 Letter of Credit that ensures financial resources are committed if needed.

**Neighborhood/Community Interests (if known):**

The Farmers Market and Port of Olympia have both been informed of the requested extension and are supportive of the continuation of the project.

**Options:**

1. Approve the resolution as written
2. Request language modifications to the resolution
3. Do not approve the resolution as written and provide staff with alternate direction.

**Financial Impact:**

There are no financial obligations directly related to the proposed agreement

WHEREAS, on March 9, 2011, the City of Olympia (Olympia) and The Farmer's Market Community Solar Project (Lessee) entered into a Lease Agreement for Olympia to grant a nonexclusive lease for Lessee to place solar panel equipment on a building located on Lot 3 of the Olympia Farmer's Market; and

**RENEWAL  
OF  
SOLAR PANEL AGREEMENT  
AT  
FARMER'S MARKET**

THIS RENEWAL AGREEMENT "**Renewal**" is made and entered into as of the date of the last authorizing signature affixed hereto, by and between the City of Olympia, Lessor, herein referred to as "**Olympia**" and **The Farmer's Market Community Solar Project, LLC**, herein referred to as "**Lessee.**"

1. Background. On March 9, 2011, Olympia and Lessee entered into a Lease Agreement for Olympia to grant a nonexclusive lease for Lessee to place Equipment on the following described building on property located within the City of Olympia, Thurston County, State of Washington described as follows:

Lot 3, SS-5888, Recorded under Auditor's File No. 3056940

("Property"). The 2011 Agreement expired on January 31, 2020. The parties wish to enter into a new Agreement "Renewal" for a six month period, while the solar program remains beneficial, at least until June 30, 2020.

2. Use of Building & Area. Lessee's use has been and continues to be expressly limited to use of the portion of Olympia's building ("**Building**") and any part of the Property described on the attached **Exhibit A**, hereafter called the "**Area.**" The use of the term "Property" throughout this Renewal also includes the "Area" outlined in **Exhibit A**.

3. Approval and Cooperation with Port of Olympia and Olympia Farmer's Market. Lessee acknowledges that Olympia leases from the Port of Olympia ("**Port**") the real property on which an Olympia Building sits, for the purpose of operating a public market. Lessee understands, acknowledges and agrees that Olympia's right to use the real property is pursuant to a Ground Lease between Olympia and the Port. Lessee understands, acknowledges and agrees that it shall be bound by any provisions in the Ground Lease (**Schedule B attached to the Market Lease is the "Ground Lease"**), to which Olympia is subject, including but not limited to provisions related to protection of air space, environmental provisions and any limitation on uses of the property and the Area. Lessee acknowledges that it has had an opportunity to review the Ground Lease in its entirety and takes no exception to any of its provisions. Olympia also has a Lease with the Olympia Farmers Market ("**Market**") for the Market to operate a farmer's market. Lessee acknowledges that it has had an opportunity to review the Market Lease in its entirety and takes no exception to any provisions therein. (**Exhibit B—"Market Lease"**),

(a) For purposes of the original Agreement, Lessee obtained written approval from the Port and Market (acceptable to Olympia) to use the Area for the purpose stated in the original lease Agreement. This Renewal is contingent upon both the Port and Market granting continuing approval, which Lessee shall obtain in written form and provide to Olympia.

(b) Lessee shall at all times cooperate with the Port and Market with respect to any issues that arise from Lessee's use of the Property and/or Area and Lessee must work with those entities directly, without need for Olympia's involvement, to resolve those issues. Olympia reserves the

right to become involved, if the issue involves Olympia's interests. Olympia is not in any way responsible or liable for any interference by the Port or Market with Lessee's use or vice versa. In the event that the Port, Market or Lessee have issues with each others' use of the Property and/or Area and Lessee cannot resolve the issue directly with the Port or Market, Lessee's sole remedy against Olympia is to terminate this Agreement.

The obligations of this Section shall survive the expiration or other termination of this Renewal.

4. Limits of Olympia's Interest in Real Property. As stated above, Olympia leases the Property from the Port and owns only the Building on which the Equipment is to be placed. Olympia has rights of access to the Property until Olympia's lease with the Port terminates. Renewal is expressly contingent upon continuation of Olympia's lease with the Port. At the time Olympia's lease with the Port terminates, this Renewal shall automatically terminate, regardless of its anticipated term.

4. Type of Lessee's Use is Limited.

(a) Lessee's use of the Property is limited to construction, maintenance, repairs, and operation of solar panels and associated equipment and one separate meter (panels, meter, associated equipment is hereafter collectively "**Equipment**") within the Area, in accordance with all terms and conditions provided in this Renewal. Lessee has, at Lessee's sole expense, installed a separate meter in order to determine the renewable energy for cost recovery. Lessee and Market are solely responsible for resolving any dispute related to entitlement to the power generated by the community solar project, without Olympia's involvement. Olympia grants Lessee reasonable access to the Area twenty-four (24) hours a day, seven (7) days a week, as necessary to maintain, operate, and/or

remove the Equipment, provided Lessee is solely responsible for coordinating notice and obtaining permission from the Port and from the Market so as not to disrupt any Port and/or Market activities.

(b) Should a conflict of use arise between Lessee and the Market, Lessee agrees that the Market's use shall take priority over Lessee's use.

(c) Olympia makes no representation about whether or not the project has in the past or continues to meet any requirements for a community solar project. Lessee continues to be solely responsible for performing any research, meeting any requirements, and obtaining any required approvals to for eligibility and/or to continue to qualify as a community solar project.

4. Alteration. Lessee shall not make any alterations, additions, or improvements to the Area that are not within the usual and customary method of installation of this type of Equipment, without first obtaining the prior written consent of Olympia. Such consent does not include consent by Olympia in its regulatory capacity. All alterations, additions, and improvements shall be at the sole cost and expense of Lessee and shall become the property of Olympia, excluding Equipment except as otherwise provided in this Agreement, and shall remain and be surrendered to Olympia at the termination of this Agreement, without disturbance or damage. Any additions or improvements outside the Area must be pre-approved by the Port.

5. Indemnity. Lessee shall defend, indemnify, and hold harmless Olympia, its officers, agents, and employees; the Port of Olympia, its officers, agents, and employees; and the Farmers Market, its officers, agents, and employees, from any and all claims, costs, lawsuits (including but not limited to attorneys fees), damages, actions, or liability whatsoever alleged by third parties which may arise from Lessee's use of the Area and/or Property. The foregoing promise shall include, but

not be limited to, liability due to falling objects such as solar panels, or any other attachments to Equipment.

This indemnification includes, but is not limited to, defense, indemnification, and agreement to hold harmless Olympia, its officers, agents, and employees, from any and all claims, costs, lawsuits (including but not limited to attorney's fees), damages, actions, or liability whatsoever alleged by the Port or Market, against Olympia, arising out of Lessee's use of the Property and/or Area. The indemnification shall include any period of time between expiration of the 2011 Agreement and the effective date of this Renewal.

The obligations of this Section shall survive the expiration or other termination of this Renewal.

6. Insurance. While this Renewal is in effect and extending to the time period while any of Lessee's Equipment is located on the Property, Lessee shall maintain in effect and pay for a policy of comprehensive general liability insurance covering bodily injury and property damage with coverage of Two Million Dollars (\$2,000,000) combined limit. Olympia, its officers, agents, and employees and the Port of Olympia, its officers, agents, and employees shall be additional named insureds on such policy. Lessee shall deliver to Olympia a certificate evidencing, to the satisfaction of Olympia, such insurance coverage prior to final execution of this Agreement. Any such insurance shall cover the time period between the expiration of the 2011 Agreement and the effective date of this Renewal.

The obligations of this Section shall survive the expiration or other termination of this Agreement

7. Letter of Credit. Lessee shall provide to Olympia a letter of credit in favor of Olympia, held at a bank chosen by Lessee with Olympia's approval, for a term extending six months past the termination of this Agreement in the amount of \$10,000, in order to insure Lessee's obligations under this Agreement. Olympia will be authorized to draw upon such letter of credit in the event Lessee fails to perform necessary maintenance of its Equipment or removal of Equipment or restoration of Property. This obligation may be waived upon written approval of the City Manager if Lessee provides other assurance of Lessee's financial ability to meet its obligations regarding (1) Equipment maintenance and removal and (2) maintenance and restoration of the Property during this Renewal and upon termination. Lessee may not subject the letter of credit to any encumbrance that would in any way prevent Olympia from drawing upon such Letter of Credit in the full amount of such Letter of Credit.

The obligations of this Section shall survive for six months past the expiration or other termination of this Renewal.

8. Compensation. Lessee shall pay to Olympia the sum of One Dollar (\$1), per year commencing with the effective date of this Lease due upon execution of this Agreement, payable by March 1, 2020. Lessee shall be solely responsible for any and all fees and taxes of any kind or character associated with the installation and operation of Equipment, including Leasehold taxes, if applicable.

9. Term and Renewal. The term of this Agreement shall commence on the date of the last authorizing signature on this Agreement and remain in effect until **June 30, 2020, unless extended by mutual agreement of the parties.**

10. Notice. Any notice required to be given under this Renewal shall be deemed given three (3) days subsequent to deposit of such notice(s), properly addressed, in the United States mail, postage prepaid, sent by registered or certified mail, return receipt requested.

TO LESSOR:           City of Olympia  
                          ATTN: Parks Department, Scott River  
                          P.O. Box 1967  
                          Olympia, WA 98507-1967

TO LESSEE:           Farmers Market Community Solar Project LLC  
                          ATTN: Ray LaForge  
                          PO Box 41  
                          Olympia, WA 98507

11. Breach. In the event Olympia determines that Lessee has violated any term or condition of this Renewal, Olympia will provide notice in writing to Lessee to cease the violation and immediately comply or correct the violation. In the event Lessee fails to do so within thirty (30) days of such written notice, Olympia may immediately terminate this Renewal.

12. Termination. In addition to termination for Breach, either party may terminate this Agreement for convenience by providing thirty (30) days written notice to the other party. Upon termination of this Agreement, Olympia may require the removal of all Equipment from the Area and restoration of the Area to as good or better condition than when the Agreement began. Such removal shall be accomplished at the sole expense of Lessee and must be completed within sixty (60) days after notice from Olympia or at a time that does not interfere with the Market's use of the Property, as determined by Olympia. The obligations of this Section shall survive the expiration or other termination of this Renewal.

13. Ownership and Removal of Equipment. At Olympia's option, all Equipment will become the property of Olympia free of charge upon expiration of the term of this Renewal. If Olympia takes ownership of the Equipment, Lessee is no longer responsible for the removal of the Equipment, but will be responsible for restoration of any portion of the Property that has been modified or affected by the project regardless of the location of the Equipment, at the discretion of Olympia. In the event that Olympia determines it does not want ownership of the Equipment and would prefer to have the Equipment removed, Lessee shall be responsible for removal of such Equipment, along with any improvements, and for restoration of the Property. Such removal and restoration shall be accomplished at the sole expense of Lessee and must be completed within sixty (60) days after notice from Olympia or at a time that does not interfere with the Market's use of the Property, as determined by Olympia. The obligations of this Section shall survive the expiration or other termination of this Renewal.

14. Hazardous Substances. Lessee shall not introduce any hazardous substance on the Property in violation of any applicable law. Lessee will be solely responsible for and shall defend, indemnify, and hold Olympia, its agents and employees harmless from and against any and all direct claims, costs, and liabilities, including reasonable attorneys fees and costs arising out of or in connection with the cleanup or restoration of the Property associated with the introduction by Lessee to the Property of any hazardous substance(s), as defined by state or federal law. Lessee further agrees that in the event of any occurrence in violation of the law, Lessee shall take all steps required by law and the appropriate authorities to clean up and restore the Property, and any other contaminated or affected area, to the satisfaction of said authorities and to provide a letter from said

authorities to Olympia and to the Port certifying that the Property and affected areas have in fact been cleaned or restored and are presently in compliance with all federal, state, and local laws. The obligations of this Section shall survive the expiration or other termination of this Renewal.

15. Lessee shall not Sell Equipment or Assign or Sublease the Area or Property. Lessee shall not sell the Equipment or assign, or transfer this Renewal or sublet all or any portion of the Area or Property without the prior written consent of Olympia, the Port, and Farmer's Market. Prior to Olympia's consideration under this section, Lessee shall be required to demonstrate to Olympia that any new owner or sub lessee qualifies for the same cost recovery incentives as Lessee.

16. Right of Entry. Olympia, its agents, officers, and employees, may enter the Property at any time, for any purpose, with or without notice to Lessee.

17. Maintenance and Security. Olympia reserves the right to maintain the Property and Building in any way it deems fit. Olympia has no responsibility for maintenance and/or for security of Lessee's Equipment or other improvements of the Area. In the event that Olympia desires to conduct maintenance of the Building, Olympia agrees to provide a courtesy five (5) day written notice to Lessee when practical to do so. Lessee agrees to accommodate Olympia by taking whatever action is necessary to secure the Equipment of Lessee, or to remove it temporarily, in order for Olympia to make repairs and/or perform necessary maintenance. Olympia will use its best efforts to timely perform any work which requires Lessee to remove or otherwise disable its Equipment. The Market is responsible for roof replacement. Should roof maintenance or replacement require removal of the Equipment, such removal shall be at the sole expense of Lessee and Lessee will use its best efforts to work with the Market to allow necessary roof maintenance, repair, and/or

replacement. Lessee is solely responsible for proper maintenance of its Equipment and shall keep its Equipment in clean, good, working order, so as not to detract from appearance and ambiance of the farmer's market. If Lessee is responsible for any damage or degradation of the Area during the term of the 2011 Agreement or this Renewal, Lessee shall be responsible for immediate restoration of the Area to as good or better condition as before the 2011 Agreement was in place.

18. Lessee's Compliance with all Laws. Lessee agrees to comply in all respects with all city, state, and federal laws and regulations. This includes but is not limited to Lessee installing, maintaining, operating Equipment, removing Equipment, and obtaining credits in connection with a community solar project. Further, Lessee shall comply with all public works bid laws (as applicable), building review and permitting, applications for credits, certifications, and tax codes. This Renewal does not grant to Lessee any zoning or land use approvals. Lessee shall obtain any and all regulatory, land use, and/or zoning approvals as are necessary for its operations, including but not limited to, permits for installation, use, maintenance, and removal of Equipment.

The policy and process shall give equal opportunity to all qualified vendors and contain criteria for selection consistent with this Agreement.
3. **Farmers Market Season:** A representative from the Market and Olympia shall meet prior to January 31st of each year at which time the Market shall notify Olympia of

Olympia shall give notice of such use to the Market representative within a reasonable amount of time prior to the use. Olympia further agrees to not use the Farmers Market facilities for any use that competes with the uses authorized for the Market under this Agreement. The Market shall also submit to Olympia a quarterly financial report and activity or event report in a format acceptable to Olympia. The Market acknowledges and understands that Olympia is bound by all the provisions of the Port of Olympia Lease and that Olympia has no authority to act beyond or contrary to its terms. 8. **Parking:** The Market shall cooperate with the Port of Olympia implementing a plan of shared parking assignments on or adjacent to the Property, to be effective on each day the Market is opened, for Market vendors and customers. Until further agreement or development of parking solutions, the Market shall encourage its customers to park in said lots as provided for in the shared parking agreements. Olympia shall support the Market's efforts with parking management expertise as staff and resources permit, to facilitate the Market's negotiations with the Port of Olympia concerning the lease of any parking in addition to the 238 shared parking spaces provided by the Port of Olympia Lease. The Market shall be responsible for ongoing coordination with the Port of Olympia with respect to said shared parking spaces.
9. **Use of Sidewalks:** The Market may use the sidewalks within the Property as needed and agreed upon to support the Market and for public pedestrian use. The Market shall at least annually inspect the sidewalks along the streets and the sidewalks within the property for damage or defects.

## **10. Facility Maintenance:**

**Facility Maintenance responsibilities are set out in Exhibit "A" of this Agreement as follows -**

**General/Annual Maintenance:** The Market shall be responsible, at the Market's sole cost, for performance of the General/Annual Maintenance items allocated to the Market in Exhibit "A" attached hereto. Additionally The Market shall be responsible for day-to-day cleaning and maintenance of the Market premises and restrooms so as to present a safe and clean venue to the community, including removal of snow, ice and debris from pedestrian walkways. The Market will furnish from its annual operating budget the funds to pay for the staff and supplies to maintain the above referenced services. The Market shall perform such general / annual maintenance in compliance with the same standards as Olympia applies to other Olympia -owned property, and shall provide Olympia with written verification that such maintenance work has been done within the timeframes set forth in Exhibit "A." Olympia shall have the right to approve or disapprove the quality of the work done by the Market under this section. Should the Market fail to perform such general / annual maintenance pursuant to Exhibit "A," Olympia is authorized upon thirty (30) days advance written notice to make such repair and maintenance and receive compensation therefore from the Market, and the Market shall pay such compensation to Olympia within thirty (30) days of receiving an invoice.

The annual payment amount may be adjusted by the Market so as not to exceed an account balance of \$100,000. The account balance shall be defined by subtracting encumbered expenses and unexpended appropriations from net assets as of January 1 of each year. At the expiration or termination of this Agreement, all funds in this account shall be retained by Olympia. The Market acknowledges and agrees that the \$100,000 dollar cap may be eliminated in future amendments of this contract.

11. **Capital Fund:** In addition to the payments required above, the Market shall deposit into a Capital Fund account separate from its operation account an amount equal to one half percent (½%) of the annual gross sales. The Market shall hold such funds in a Capital Fund to be used for future farmers' market customer/vendor parking and possible expansion to the Olympia-owned farmers' market facilities. All insurance policies shall contain a clause of endorsement providing that they may not be terminated or materially amended during the Term of this Agreement, except after forty-five (45) days prior written notice to the City. If Contractor's insurance policies are "claims made" or "claims paid", Contractor shall be required to maintain tail coverage for a minimum period of three (3) years from the date this Agreement is actually terminated. Contractor's failure to maintain such insurance policies shall be grounds for the City's immediate termination of this Agreement.

**12.3. Insurance Limits.** The insurance limits stated above are not intended to be an indication of exposure nor are they limitations on indemnification.

**12.4 Expiration/Termination of Insurance.** The provisions of this Section shall survive the expiration or termination of this Agreement with respect to any event occurring prior to such expiration or termination.

**13. Indemnification.** Furthermore, the Market agrees to defend, indemnify and hold harmless Olympia, its officers, officials, employees and volunteers from any

claims, suits, actions, or liabilities for injury or death of any person, or for loss or damage to property, which arises out of the use of the premises or adjacent streets here in question, or from any activity, work or thing done, permitted, or suffered by the Market in or about the premises, which may arise out of the use of the public market facility, the Property, and adjacent streets by the Market, any vendor or concession permitted by the Market, or any of them; provided, that Olympia shall indemnify and hold the Market harmless from any claims, actions, damages or liability arising out of the sole negligence of Olympia. The provisions of this Section shall survive the expiration or termination of this Agreement with respect to any event occurring prior to such expiration or termination.

## **B. RESPONSIBILITIES OF CITY**

1. **Facility Ownership:** The parties acknowledge that the public market facilities constructed on the leased Property leased from the Port of Olympia are owned by the City of Olympia.; provided, however, that any materials and improvements that are not fixtures, and that were specifically contributed to the Market by either the Friends of the Market, a non-profit organization created to assist the Market or any other charitable entity are the property of the Market. Any funds derived from such insurance shall be used to repair or replace the damaged portions of public market facilities.
3. **Major Repair and Replacement:** Olympia shall perform, as its sole cost, the major repair and replacement items allocated to Olympia in Exhibit "A" of this Agreement. The plan shall be reviewed by the parties annually after the close of the Market season to determine if updates need to be made. The parties shall work cooperatively in this review; however, Olympia has the authority to amend the plan as it deems necessary to preserve the Market facility. Olympia shall hold funds received from the Market under Section A.11.b in a separate account and may manage expenditures and disbursements from said account in its sole discretion. If this Agreement is renewed, any funds in the account at renewal shall be carried forward into the major maintenance and repair account, if any, called for by the renewed Agreement.

4. **Market Promotion:** Olympia will provide space on public rights-of-way as available for the Market to place banners in promoting the Market and subject to City policies on banners.
5. **Liaison:** Olympia will provide a liaison for the Market Board meetings to facilitate communications between Olympia and the Market.

### C. MISCELLANEOUS TERMS OF AGREEMENT

1. **Assignment of Interests:** The Market shall not, either directly or indirectly, assign, transfer, mortgage, pledge, hypothecate, or encumber this Agreement or any interest therein, and shall not lease or sublet the Property or Market facilities or any part thereof, without the prior written consent of Olympia, which shall be in Olympia's sole discretion; and any attempt to do so without such consent being first obtained shall be wholly void and shall constitute a breach of this Agreement.

Notwithstanding the foregoing, the Market shall have the right at any time, without Olympia and Port of Olympia's consent, to grant concessions on the Property and Market facilities to growers, makers, and catchers or produce, seafood, meat, poultry, sellers, and resellers of agricultural products, sellers of local crafts and sellers of prepared food; all in accordance with the requirements of this Agreement including, but not limited to, the restrictions on the use of the property contained in Section A.5 herein.

No consent by Olympia to any assignments, leasing or subletting by the Market shall relieve the Market of any obligation to be performed by them under this Agreement, whether occurring before or after such consent, assignment, leasing or subletting. The consent by Olympia to any assignment, leasing or subletting shall not relieve the Market from obligation to obtain Olympia's express written consent to any other assignment, leasing or subletting. The acceptance of rent by Olympia from any other person shall not be deemed to be a waiver by Olympia of any provision of this Agreement or to be a consent to any assignment, leasing, subletting, or other transfer. Consent to one assignment, subletting, or other transfer shall not be deemed to constitute consent to any subsequent assignment, leasing, subletting or other transfer.

2. **Independent Contractor:** The parties agree that the Market's use of the Property and public right-of-way pursuant to this Agreement is as an independent contractor and not as a department of Olympia. Further, Market employees are not employees of Olympia.
3. **Implied Waivers:** Waiver by Olympia of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or of any subsequent breach of the same or any other term, covenant, or

condition herein contained. The subsequent acceptance of rent hereunder by Olympia shall not be deemed to be a waiver of any preceding breach by the Market of any term, covenant, or condition of this Agreement, other than the failure of the Market to pay the particular rental so accepted, regardless of Olympia's knowledge of such preceding breach at the time of acceptance of such rent.

4. **Right of Entry:** Olympia reserves, and shall at any and all reasonable times have the right to enter the Property site to inspect the Market facilities for any reason; provided, that Olympia shall exercise good faith in attempting to minimize the extent of any interference with the Market's operation of a farmers' market
5. **Term of Agreement; Improvements:** The term of this Agreement shall run from March 2, 2010 through March 2, 2015. The Market may terminate this Agreement prior to such expiration date by giving Olympia at least six (6) months notice prior to the scheduled opening date of the Farmers Market. Olympia may terminate this Agreement effective on its anniversary date of March 2 by giving notice thereof to the Market no later than April 15 of the preceding such anniversary date.

At the expiration or earlier termination of this Agreement, Olympia agrees to discuss with the Market the possibility of removal of the public market facilities (which are owned by Olympia as set forth in Section B.1 above) on terms and conditions agreeable to both parties. The Market may, in its discretion, donate to Olympia any personal property provided to the Market by the Friends of the Market.

DUPLICATE ORIGINAL

OPTION

THIS OPTION is entered into the 19<sup>th</sup> day of October, 1995, between the PORT OF OLYMPIA, a Washington municipal corporation, hereinafter referred to as "the Port," and the CITY OF OLYMPIA, hereinafter referred to as "Optionee" or "the City."

*IT IS HEREBY AGREED AS FOLLOWS:*

1. **Option to Lease.** In consideration of Optionee paying the sum of Ten (\$10.00) Dollars and other good and valuable consideration, including all of the design and engineering work being done by Optionee in connection with the Farmers Market move, the Port does hereby grant to Optionee the exclusive Option to lease the following described real property, hereinafter referred to as "the property," to be used for purposes identified on Schedule "A":

60,000± square feet, identified as Lot 3 in a pending short plat application, subject to modifications as required by the City of Olympia.

The above consideration is nonrefundable and is intended to reimburse the Port for its costs in the preparation of this Option, its review of the engineering and plans of Optionee and such other related costs.

2. **Term of Option.** Optionee shall have the exclusive Option to lease the property for a period of one (1) year from the date hereof, and in the event Optionee does not exercise such option, this Option shall expire at 12:00 noon, one year from the date hereinabove written. The option will be extended for an additional one (1) year if the Optionee has secured all building permits and other permits necessary for the construction of the Farmers Market, consistent with the site plan approved by the Port Commission, and has awarded contracts for the completion of the market improvements within the extended option period.

3. **Notice of Exercise.** This Option is to be exercised and the lease term to commence upon the date of the first beneficial occupancy of the site for its intended use.

4. **Lease to be Signed.** Attached to this Option and marked Schedule "B" is the Port's Ground Lease, which contains the terms and conditions for leasing the property. Before the Port will sign the Ground Lease, Optionee must first have submitted to the Port, and the Port Commissioners have approved, Optionee's intended uses of the property, design and development plans and other required documentation so that development will be in harmony with the Port's long range plans for its property.

5. **Representations, Warranties & Covenants.** The Port represents and warrants to Optionee that it has good and marketable, indefeasible fee title to the property, and it has full power and authority to enter into this Agreement and, if the Option is exercised, the Lease. The Port and Optionee each covenant that it will indemnify and hold the other harmless from any and all claims from real estate agents and brokers alleged to have been hired by such person or other fees arising from or out of this Option of the Lease contemplated hereby and they will not place encumbrances or restrictions on the property during the term hereof or permit such to be placed on the property. See also site conditions on Schedule "A."

6. **Permits.** Optionee shall file for and process all permits required for Optionee's intended use, which permits shall be consistent with all requirements of: (a) the site plan approved by the Port of Olympia and (b) the short plat pending before the City of Olympia, including any additional requirements of the City of Olympia specified for the market site due to the use of the lot as a market during plat approval. The City of Olympia is not responsible for the construction necessary to secure preliminary or final plat approval, nor is the City responsible for improvements to the parking lot.

7. **Return of Property.** If Optionee does not exercise this Option granted it hereunder, it shall return the property to the Port free and clear of any liens and any encumbrances arising out of its or its employees' efforts hereunder or those of its representatives or agents retained in connection herewith.

8. **Failure to Exercise Option.** If Optionee does not exercise this Option, the Optionee also would provide to the Port at no cost, any studies or reports done in connection with the specific site conditions, including design and engineering work. If Optionee does not exercise this Option as provided in this Agreement, all sums paid by Optionee are nonrefundable and shall be retained by the Port, free of all claims of Optionee, and neither party shall have any further rights or claims against the other.

9. **Exercise of Option.** If this Option is exercised as herein provided, the Port and Optionee will respectively perform the obligations set forth in the attached Lease and the collateral rules and regulations for development at the Farmers Market site and associated parking.

10. **Recording Option.** Optionee shall not record this Option with the Thurston County Auditor without first obtaining the written permission of the Port. If Optionee records this Option in violation of this clause, all the rights, powers and privileges of Optionee shall terminate automatically, and all monies paid by Option shall be considered forfeited. A memorandum of this option may be recorded with the Port's consent.

11. **Assignment of Option.** Optionee may not assign this Option. If Optionee attempts such transfer or assignment, all rights of Optionee herein are forfeited automatically.

**SCHEDULE "A"**  
**USE AND AVAILABILITY**

Site and Use

Parcel 3 of the proposed subdivision shall be available to the City of Olympia for the design, construction, and operation of a Farmers Market and all associated structures on the site, including public restroom facilities.

An easement is granted to the City of Olympia for all studies, engineering, construction, and other purposes related to the design and construction of said market and public restroom facilities.

**Environmental conditions and limitations.** The site is delivered to the City of Olympia "as is." The only exceptions are those conditions represented in the Bradley Noble report on site conditions relating to MTCA and CERCLA contaminant issues. If subsequent investigation identifies potential MTCA and CERCLA contamination on site other than as represented in the Bradley Noble report, not attributable to the City, the Port of Olympia shall bear the cost of remediation of such additional contamination, not to exceed \$100,000. In the event the total cost to the port of the remediation of any additional MTCA or CERCLA contamination other than as disclosed in the Bradley Noble report shall exceed \$100,000, the Port shall, at the Port's sole discretion, have the right to terminate the option. The Port will accept, store, and dispose of at no cost to the City any soils identified under the terms of the letter from WDOE to the Port and City Re: New Farmers Market Site and Existing Conditions dated March 29, 1995 where the City agrees the Port may store such dirt on other Port property in Olympia. The City will obtain any permits required for bulk storage as part of its permit responsibilities.

Public Facilities - Restrooms

The Port Commission has identified a need for a restroom to serve not only the Farmers Market area but the general public using Port properties. Inasmuch as the restroom is to be constructed on the property to be leased to the City, the Port would pay the City the sum of \$132,000 toward the cost of the restrooms which the City would otherwise be required to provide for the Market facility. The size and general configuration of the facility is reflected in the preliminary drawings shown to the Port. The funds would be paid to the City on three conditions:

- A. Care, custody, and control of the restrooms, including the ownership, operation, maintenance, and security for the facilities, rests with the City for the duration of the lease.
- B. The City would maintain the restrooms open to the general public on a schedule determined by the City. If the Port determines that the restrooms should remain open beyond the City schedule, it may do so in cooperation with the City, but shall reimburse the City for the additional maintenance costs attributable to the expanded schedule.
- C. The Port approves the final the design of the facility. (To this end, The Port Commission requests that the City seek a "raised stage" rather than the flat stage shown in the preliminary drawings.)

**THE PARTIES HEREBY AGREE AS FOLLOWS:**

2. **LEASED PREMISES.** The Port hereby leases to Tenant, and Tenant hereby leases from the Port, the premises described in paragraph 1 above, located in Thurston County, hereinafter called "the premises."

3. **TERM.** This Lease shall be for the term specified in paragraph 1 above.

4. **RENT.** It is the intention of the parties hereto that the rent specified in the Lease shall be net to the Landlord in each year during the term of the Lease. Accordingly, all costs, expenses and obligations of every kind relating to the leased property (except as otherwise, specifically provided in the Lease) which may arise or become due during the term of the Lease shall be paid by Tenant and the Port shall be indemnified by the Tenant against such costs, expenses and obligations.

Tenant agrees to pay as rent for the use and occupancy of the premises during the term of this Lease, without deduction or offset, the rent specified in paragraph 1 above, payable to the Port on or before December 15 of each year the lease is in effect, at such place as the Port may designate.

If the Tenant does not pay the rent as provided above, then in addition to the overdue rent, Tenant shall pay a late charge on the rent payment then due of eighteen percent (18%) per annum or two (2) percentage points over the prime rate charged by commercial banks in the Olympia, Washington area, whichever is greater. Such late charge commences on the date the rent is due and continues until such rent is paid. In the event that Tenant does not pay the rent when due and a late charge is incurred each month for three (3) consecutive months, the rent called for herein shall automatically become due and payable quarterly in advance rather than monthly, notwithstanding any other provision in this Lease to the contrary, and regardless of whether or not the late charges are paid or collected. The imposition of such late charge does not prevent the Port from exercising any other rights and remedies under this Lease.

5. **LEASE SURETY.** Tenant shall, upon execution of this Lease, file with the Port a good and sufficient surety in accordance with the requirements of state law, the form and terms of which surety shall be subject to approval of the Port and in which the surety shall guaranty the full performance by Tenant of all the terms and conditions of this Lease and the payment by Tenant of the rents and all other amounts herein provided for the full term hereof. Initially, the surety required is set forth in paragraph 1 above. These provisions as to lease surety are subject to revision and adjustment as may hereafter result from changes in state requirements or as established by the Port Commission.

6. **ACCEPTANCE OF PREMISES.**

a. Tenant has examined the premises, the adjoining premises and the premises of which this is a part, and accepts them in their present condition. There are no warranties expressed or implied as to condition apparent or unknown except as otherwise stated in this Lease.

b. The site did contain some petroleum products which required remediation consistent with the WDOE letter dated March 29, 1995. In the event hazardous waste or petroleum contamination is identified on site after the effective date of this Lease, which is attributable to occurrences prior to the date of this Lease not under the City's control, in excess of that described in the Bradley Noble report, and such discovery results in a requirement for further site remediation, the Port shall hold Tenant harmless from any liability therefore, including any costs to remediate such contamination as may be required by any State or Federal agency with jurisdiction. The Tenant agrees that the indemnity and additional cleanup shall be the Port's sole obligation and that the Tenant and its

subtenant agree to make available to the Port that portion or portions of the site required for study and further remediation.

The Tenant and its subtenants will make no claim for any indirect cost or loss due to the study or remediation actions of the Port, including but not limited to loss of use of all or any portion of the market site, rebuilding of any portion of the market facility, any loss of business, or diminution of value in the market or facility as a result of such cleanup activity. In the event any action described above disrupts market activity for more than 30 consecutive days, then for each such period of disruption, rent for the market will be abated on a prorata square foot basis for market building space loss. (e.g. If 10% of the market building area is affected for an entire market season, 10% abatement of the rent would be in order.)

7. **POSSESSION.** If the Port shall be unable for any reason to deliver possession of the premises or any portion thereof at the time of the commencement of this Lease, the Port shall not be liable for any damage caused thereby to Tenant, nor shall this Lease thereby become void or voidable, nor shall the term specified herein be in any way extended, but in such event Tenant shall not be liable for any rent until such time as the Port can deliver possession; provided that if Tenant shall take possession of any portion of the premises in the interim, it shall pay the full rent specified herein reduced pro rata for the portion of the premises not available for possession by Tenant; and provided further, that if the Port shall be unable to deliver possession of the premises at the commencement of this Lease, Tenant shall have the option to terminate this Lease by giving at least thirty (30) days' written notice of such termination, and this Lease shall terminate unless the Port shall deliver possession of the premises prior to the effective date of termination specified in such notice. If Tenant shall, with the Port's consent, take possession of all or any part of the premises prior to the commencement of the term of this Lease, all of the terms and conditions of this Lease shall immediately become applicable, with the exception that Tenant shall not be obligated to pay any rental for the period prior to the commencement of the term of this Lease unless otherwise mutually agreed.

8. **USE OF PREMISES.** Tenant shall use the premises only for those purposes stated in paragraph 1 above and shall not use them for any other purpose without the written consent of the Port; the premises will be used only for lawful purposes; the premises will be used in accordance with all applicable building, fire and zoning codes. Tenant shall use the entire premises for the conduct of said business in a first-class manner continuously during the entire term of this Lease.

9. **REQUIREMENTS AS TO IMPROVEMENTS.** The specific requirements as to the planning, construction and completion of any major improvements planned by Tenant on the subject premises are attached hereto as Exhibit "A" to this Lease, which by this reference is incorporated herein as if set forth in full. Prior to the submission of any plans for contemplated improvements on the leased premises, Tenant shall furnish a survey of the appropriate leased premises as prepared by a registered and licensed surveyor, all at Tenant's own expense. The schematic designs attached as Exhibit "B" are approved.

10. **RIGHTS-OF-WAY.** The Port agrees to grant other such right-of-way easements across the property of the Port for the installation and maintenance of necessary and adequate services to the premises of Tenant.

11. **RESERVATION OF RIGHTS.** *reserved*

12. **AIR SPACE RESERVATIONS AND USE RESTRICTIONS.** *reserved*

13. **UTILITIES AND SERVICES.** After Tenant's installation of all utilities and services as may be required by Tenant, Tenant shall be liable for and shall pay for all utility services furnished

to the premises, including but not limited to, electricity, water, sewerage, including any connection fees, and utility assessments, and any fire protection, police protection, or emergency health services provided to the premises.

14. **INDEMNIFICATION/LIABILITY INSURANCE.** The Port, its employees and agents shall not be liable for any injury (including death) to any persons or for damage to any property, regardless of how such injury or damage be caused, sustained or alleged to have been sustained by Tenant or by others as a result of any condition (including existing or future defects in the premises), or occurrence whatsoever related in any way to Tenant's premises and the areas adjacent thereto or related in any way to Tenant's use or occupancy of the premises and areas adjacent thereto, so long as such claim does not result from the direct action of the Port, its employees or agents. Tenant agrees to indemnify, defend and to hold and save the Port harmless from all liability or expense (including expense of litigation) in connection with any such items of actual or alleged injury or damage. Likewise, Port agrees to indemnify, defend and hold and save the City harmless from all liability or expense (including expense of litigation) arising out of any direct action by the Port, its employees or agents. In addition, Tenant shall, at its own expense, maintain proper liability insurance with a reputable insurance company<sup>1</sup> or companies satisfactory to the Port in the minimum policy limits set forth in paragraph 1 above, and hereafter in such increased amounts as the parties may from time to time mutually agree upon, to indemnify both the Port against such liability or expense. In the event of any sublease or rental of the premises, the Port shall be named as one of the insureds on the subtenants' policies and shall be furnished with a copy of such policy or policies of insurance, which shall provide that such insurance may not be canceled without the insurance company first having given the Port thirty (30) days' advance written notice of such intent to cancel. At the Port's option, Tenant may submit certificates evidencing compliance with this paragraph in lieu of furnishing the actual policies or copies thereof.

15. **WAIVER OF SUBROGATION.** The Port and Tenant hereby mutually release each other from liability and waive all right of recovery against each other for any loss from perils insured against under their respective insurance contracts, including any extended coverage endorsements thereto, provided, that this paragraph shall be inapplicable to the extent it would have the effect of invalidating any insurance coverage of the Port or Tenant.

16. **TAXES.** Tenant shall pay all license and excise fees, occupation, leasehold, personal property and all other taxes and governmental charges, whether such charges are by contract or statute, during the term of this Lease. Tenant shall also pay a pro rata share of any L.I.D., U.L.I.D. or other governmental assessments for services or facilities benefiting the premises.

17. **MAINTENANCE AND REPAIR.** Tenant shall, at its own expense, keep the premises, structures and other improvements and the adjoining roadways, sidewalks and areas in a neat, clean, safe and sanitary condition and maintain and keep all of the premises maintained equal in quality to of other owners of similar class properties and conditions in the Thurston County, Washington area, reasonable wear and tear excepted, and to maintain the landscape and undeveloped areas in a clean, sanitary, orderly and attractive condition free from rubbish and debris. Tenant shall replace any and all improvements which become worn out, obsolescent, deteriorated, unsafe or unusable and shall replace such improvements with new fixtures and improvements of at least as good a quality as originally installed at the commencement of this Lease. In the event Tenant fails to properly maintain, repair and replace the premises or any improvements thereon, and if the Port shall give a ten (10) day written notice to Tenant, Tenant shall comply with Tenant's responsibilities under this paragraph, and the Port shall be entitled, but shall not be obligated, to enter the leased premises and perform such work as may be necessary to

<sup>1</sup> Membership in WCIA or Company Self Insurance Program will constitute satisfaction of this provision.

restore the leased premises and improvements to the conditions set forth herein. The cost of such repairs shall be billed to Tenant by the Port and shall be payable upon receipt and subject to the same penalties for late payment as if such payment was additional rent.

Tenant shall be responsible for a prorata share of all costs of operation and maintenance of the parking lot abutting on Lot 2. Tenant may satisfy its entire obligation for this share by providing routine cleaning [sweeping] of the entire parking lot on Lot 2 and providing security for the entire parking lot on Lot 2 (see Exhibit D).

Tenant shall keep the premises free and clear of any liens and encumbrances arising or growing out of the use and occupancy of the premises by Tenant. At the Port's request, Tenant shall furnish the Port with written proof of payment of any item which would or might constitute the basis for such a lien on the premises if not paid.

18. **ALTERATIONS AND IMPROVEMENTS.** Tenant shall make no major structural alterations or improvements to or upon the premises without first obtaining written approval of the Port. Additions or modifications consistent with the approved site plans and elevations shall not be considered a major change. The Port's response to Tenant's requests for approval shall be prompt, and such approval shall not be unreasonably withheld. Upon installation, Tenant shall furnish the Port with a copy of the "as-built" drawings including utility installations and site plans detailing the nature of the additions, alterations or improvements. The Port reserves the right to have Tenant remove, at Tenant's sole expense, all or any of such alterations, additions or improvements at the end of the Lease term upon giving Tenant sixty (60) days' advance written notice of the Port's exercise of this option. If the Port exercises this option, all such alterations and improvements will be removed prior to the last day of the Lease term.

19. **DISPOSITION OF IMPROVEMENTS.**

a. Within sixty (60) days after the expiration or earlier termination of this Lease, the Tenant shall at Tenant's expense, promptly and diligently remove, demolish or clear off from the leased premises all or any designated portion of the improvements and other property owned by Tenant, and after such removal or clearance, Tenant shall restore the surface of the ground to a graded, properly filled, level and uniform condition, free from all debris; provided, however, that if Tenant at such time shall be in default in the payment of rents or any other charges hereunder, the Port shall have a lien on the improvements to secure payment of such rents or charges. Provided, however, the Port may at its sole discretion direct the City to leave the restroom facilities, in which event title to such facilities shall pass without further action of the parties.

20. **INSPECTION.** The Port reserves the right to inspect the premises at any and all reasonable times throughout the term of this Lease, provided that it shall not interfere unduly with Tenant's operations. The right of inspection reserved to the Port hereunder shall impose no obligation on the Port to make inspections to ascertain the condition of the premises, and shall impose no liability upon the Port for failure to make such inspections.

21. **RESTORATION.**

a. If any building or improvement erected by Tenant on the leased premises or any part thereof shall be damaged or destroyed by fire or other casualty during the term of this Lease, Tenant may, at its option, at its own cost and expense, repair or restore the same according to the original plans thereof or according to such modified plans as shall be previously approved in writing by the Port. Such work of repair or restoration shall be commenced within one hundred twenty (120) days after the damage or loss occurs and shall be completed with due diligence but not longer than one (1) year after such work

is commenced plus force majeure, and such work shall be otherwise done in accordance with the requirements of the provisions hereof pertaining to the construction of improvements upon the leased premises. All insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration, or if Tenant elects not to repair or restore, to the cost of removing, demolishing, or clearing off the building or improvements. If (i) there are not insurance proceeds, or (ii) the same shall be insufficient for said purpose, Tenant shall make up the deficiency out of its own funds. Should Tenant fail or refuse to make the repair, restoration or removal as hereinabove provided, then in such event said failure or refusal shall constitute a default under the covenants and conditions hereof, and all insurance proceeds so collected shall be forthwith paid over to and be retained by the Port on its own account, and the Port may, but shall not be required to, sue and apply the same for and to the repair, restoration or removal of said leased premises or improvements, and the Port may, at its option, terminate this Lease as elsewhere provided herein.

b. Notwithstanding anything to the contrary contained in the preceding section, if any building erected on said leased premises shall be damaged by fire or other casualty, and if the cost of repairing or restoring the same shall exceed the insurance payable for such damage, and if such damage shall occur during the term so that the remaining term of this Lease is of insufficient length to allow Tenant to finance such cost in a commercially reasonable manner, the Tenant shall have the option, to be exercised within thirty (30) days after such event, to repair or restore said building as hereinabove provided, or to terminate this Lease by written notice thereof to the Port.

22. **DEFAULTS.** Time is of the essence of this Lease, and in the event of the failure of Tenant to pay the rental or other charges at the time and in the manner herein specified, or to keep any of the covenants or agreements herein, the Port may elect to terminate this Lease and reenter and take possession of the premises with or without process of law, provided, however, that Tenant shall be given fifteen (15) days' notice in writing if the default is for the nonpayment of rent, or thirty (30) days' notice in writing stating the nature of the default in order to permit such default to be remedied by Tenant within the appropriate time periods. If the Port issues a notice of default for the nonpayment of rent, in order to cure such default, Tenant must pay the overdue rent, together with the late charge as set forth in paragraph 4 above, plus a Fifty Dollar (\$50.00) lease reinstatement fee.

If upon such reentry there remains any personal property of Tenant or any other person's upon the premises, the Port may, but without the obligation to do so, remove said personal property and hold it for the owners thereof or may place the same in a public garage or warehouse, all at the expense and risk of the owners thereof, and Tenant shall reimburse the Port for any expense incurred by the Port in connection with such removal and storage. The Port shall have the right to sell such stored property, without notice to Tenant, after it has been stored for a period of thirty (30) days or more, the proceeds of such sale to be applied first to the cost of such sale, second to the payment of the charges for storage, and third to the payment of any other amounts which may then be due from Tenant to the Port, and the balance, if any, shall be paid to Tenant. Notwithstanding any such reentry, the liability of Tenant for the full rental provided for herein shall not be extinguished for the balance of the term of this Lease, and Tenant shall make good to the Port any deficiency arising from a reletting of the premises at a lesser rental than that chargeable to Tenant. Tenant shall pay such deficiency each month as the amount thereof is ascertained by the Port.

23. **ADVANCES BY PORT FOR TENANT.** If Tenant shall fail to do anything required to be done by it under the terms of the Lease, except to pay rent, the Port may, at its sole option, do such act or thing on behalf of Tenant, and upon notification to Tenant of the cost thereof to the Port, Tenant shall promptly pay the Port the amount of that cost. However, if the Port shall pay any monies on Tenant's behalf, Tenant shall repay such monies, together with interest thereon commencing on the date the Port paid such monies and shall be calculated at the rate of eighteen percent (18%) per annum, or two

(2) percentage points over the prime rate charged by commercial banks in the Olympia, Washington area, whichever is greater.

24. **HOLDING OVER.** If Tenant shall, without the consent of the Port, hold over after the expiration or sooner termination of this Lease, the resulting tenancy shall, unless otherwise mutually agreed, be on a month-to-month basis. During such month-to-month tenancy, Tenant shall pay to the Port the rate of four (4) times the then-current rental under the terms of the Lease, unless a different rate shall be agreed upon, the Tenant shall be bound by all of the additional provisions of this Lease.

25. **ASSIGNMENT OR SUBLEASE.** Except as provided below, Tenant shall not assign or transfer this Lease or any interest therein nor sublet the whole or any part of the premises, nor shall this Lease or any interest thereunder be assignable or transferable by operation of law or by any process or proceeding of any court, or otherwise, without the advance written consent of the Port. The Port does grant its consent to a sublease to The Olympia Farmers Market which incorporates the material terms of this lease and to the periodic use of the site by Tenant or to the rental of the site to other users where the terms of the rental is less than thirty (30) days. Nothing herein shall prevent Tenant from pledging, assigning, or otherwise hypothecating this Lease or any interest therein, or any improvements on the premises, for the purpose of obtaining financing for the acquisition of a building or buildings or any improvements to be located on the premises. If the Port shall give its consent to any assignment or sublease, Tenant shall remain liable under the terms of this Lease, and this paragraph shall nevertheless continue in full force and effect and no further assignment or sublease shall be made without the Port's consent.

26. **COMPLIANCE WITH PORT REGULATIONS/ALL LAWS.** Tenant agrees to comply with all applicable rules and regulations of the Port pertaining to the building or other realty of which the premises are a part, now in existence or hereafter promulgated for the general safety and convenience of the Port, its various tenants, invitees, licensees and the general public. The Port shall provide Tenant with current copies of all such rules and any updates or changes. Tenant further agrees to comply with all applicable federal, state and municipal laws, ordinances and regulations and to indemnify the Port for any costs or fees incurred by the Port due to Tenant's failure to comply with the requirements of this section. Costs and fees shall include all direct and indirect costs and professional fees, including engineering and attorney's fees. The parking lot on Lot 2 is owned by the Port and Tenant shall have the undivided right to use 238 stalls for one half of the time (a 1/3 use of the parking lot). Use of the lot will be subject to rules of operation adopted by the Port Commission.

27. **PETROLEUM, DANGEROUS, TOXIC AND HAZARDOUS MATERIALS.** Tenant agrees to abide by all federal, state and local laws pertaining to the handling, storage, use and transportation of petroleum, dangerous, hazardous and toxic materials. (For purposes of this Agreement, wood waste shall be considered a dangerous material to be handled in accordance with the Department of Ecology's requirements or guidelines for wood waste disposal.) Tenant further agrees in the event of any occurrence in violation of such laws (including but not limited to, any action resulting in a spill, emission, accumulation, contamination or fire, whether discovered during the term of this Lease or after termination or renewal thereof), Tenant shall take all steps required by law and the appropriate authorities to clean up and restore the premises, and any other contaminated or affected area, to the satisfaction of said authorities and to provide a letter from said authorities to the Port certifying that the premises and affected areas have in fact been cleaned or restored and are presently in compliance with all federal, state and local laws. Finally, Tenant agrees to indemnify the Port for any claims, damages, costs or professional fees incurred by the Port by reason of any event or occurrence involving petroleum, dangerous, toxic or hazardous wastes directly or indirectly attributable to Tenant's use of Port property.

28. **STORAGE TANK LICENSES.** All storage on site, whether permanent or mobile, capable of holding more than two hundred fifty (250) gallons either in bulk or in separate containers or

any material identified in Exhibit "C" shall require a separate hazardous materials license. Such license shall provide for appropriate handling and storage facilities, inspections, testing and clean up procedures and any special insurance provisions which may be required.

**29. INSPECTIONS AND NOTICE OF CHANGE.**

a. Tenant agrees that inspections may be required by the Port at the Tenant's expense to assure compliance with paragraphs 27, **PETROLEUM, DANGEROUS, TOXIC AND HAZARDOUS MATERIALS**, and 28, **STORAGE TANK LICENSES**. Such inspections shall be made once every five (5) years or at any time the Port has good cause to believe a problem may exist.

b. The Tenant shall annually identify any materials listed in Exhibit "C" used in the course of its ordinary business.

**30. TERMINATION BY THE PORT FOR PUBLIC USE. *reserved***

**30A. TERMINATION BY THE TENANT.** If during the term of this Lease the current Farmers Market organization terminates or abandons its use of the premises and the Tenant determines it is not feasible thereafter to operate a Farmers Market on the premises or on other sites, Tenant shall have the right to terminate this Lease upon giving the Port twelve (12) months notice; provided, that Tenant shall not have the right to terminate under this provisions prior to five (5) years from the date this Lease is signed. If the Tenant terminates the Lease pursuant to this provision, Tenant shall remove the improvements constructed thereon at its own expense, except for the restroom facility. The restroom facility shall be removed only at the Port's request. This provisions shall be considered authority in addition to that provided either party in other portions of this Lease.

**31. TERMINATION FOR GOVERNMENT USE.** In the event that the United States government, the State of Washington or any agency or instrumentality other than the Port thereof shall, by condemnation or otherwise, take title, possession or the right to possession of the premises or any part thereof, the Port may, at its option, terminate this Lease as of the date of such taking, and if Tenant is not in default under any of the provisions of this Lease on said date, any rental prepaid by Tenant shall, to the extent allocable to any period subsequent to the effective date of the termination, be promptly returned to Tenant. Any compensation due to the termination shall be distributed in accordance with an agreement of the parties or by an order of the appropriate court.

**32. INSOLVENCY.** If Tenant shall file a petition in bankruptcy, or if Tenant shall be adjudged or insolvent by any court, or if a receiver of the property of Tenant shall be appointed in any proceeding brought by or against Tenant, or if Tenant shall make an assignment for the benefit of creditors, or if any proceedings shall be commenced to foreclose any mortgage or any other lien on Tenant's interest in the premises or on any personal property kept or maintained on the premises by Tenant, the Port may, at its option, terminate this Lease, provided, however, that these provisions shall not apply so long as Tenant, or any assigns, trustee or receiver, is not in any way in default under the terms of this Lease.

**33. PROMOTION OF PORT COMMERCE.** The purpose of the Port is to encourage the development of commerce within the Port district, and to every reasonable extent possible, increase the movement of passengers and freight through Port facilities. In furtherance of this purpose, Tenant agrees to cooperate with the Port in the promotion of these purposes during the term of this Lease, and wherever reasonably possible, to utilize the Port's facilities in the movement of freight and passengers as a part of Tenant's business activities. Nothing in this paragraph shall be construed to obligate Tenant to accept signs, provide facilities, or spend monies in the Port's promotional advertising, nor shall this paragraph apply to the conduct of general city business, comprehensive planning, zoning or to other city functions

beyond those incidental to the City's role as a tenant under this Lease, but Tenant does agree to supply such information and data for the Port's promotional and advertising activities.

34. **ATTORNEY'S FEES AND COSTS.** Should a dispute arise between the parties hereto as to the effect of any provision hereof and said dispute is referred to an attorney, the losing party shall pay the prevailing party's actual and incurred attorney's fees; costs of court, including such fees and costs of any appeal; other legal expenses; and collection costs, except that the amount of such fees, costs or expenses taken separately or in the aggregate, shall not be unreasonable. If such dispute arises and is later settled by the parties, such settlement shall include a specific allocation of disposition of attorney's fees on both sides.

35. **NONDISCRIMINATION - SERVICES.** Tenant agrees that it will not discriminate by segregation or otherwise against any person or persons because of race, creed, color or national origin in furnishing, or by refusing to furnish, to such person or persons the use of the facility herein provided, including any and all services, privileges, accommodations and activities provided thereby.

It is agreed that Tenant's noncompliance with the provisions of this clause shall constitute a material breach of this Lease. In the event of such noncompliance, the Port may take appropriate action to enforce compliance, may terminate this Lease, or may pursue such other remedies as may be provided by law.

36. **NONDISCRIMINATION - EMPLOYMENT.** Tenant covenants and agrees that in all matters pertaining to the performance of this Lease, Tenant shall at all times conduct its business in a manner which assures fair, equal and nondiscriminatory treatment of all persons without respect to race, creed or national origin, and in particular:

a. Tenant will maintain open hiring and employment practices and will welcome applications for employment in all positions from qualified individuals who are members of racial or other minorities; and

b. Tenant will comply strictly with all requirements of federal, state or local laws or regulations issued pursuant thereto relating to the establishment of nondiscriminatory requirements in the hiring and employment practices, and assuring the service of all patrons or customers without discrimination as to any person's race, creed, color or national origin.

The Port reserves the right to take such action as the appropriate governmental authority may direct to enforce these provisions.

37. **APPRAISAL PROCEDURE.** *reserved*

38. **ARBITRATION PROCEDURE.** *reserved*

39. **JOINT AND SEVERAL LIABILITY.** Each and every party who signs this Lease, other than in a representative capacity, as Tenant, shall be jointly and severally liable hereunder.

40. **INVALIDITY OF PARTICULAR PROVISIONS.** If any term or provision of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and shall continue in full force and effect.

41. **NOTICES.** All default and other substantial notices required under the provisions of this Lease may be personally delivered or mailed. If mailed, they shall be sent by registered mail to the following addresses:

To the Port:  
Port of Olympia  
915 Washington Street N.E.  
Olympia, WA 98501-6931

To the Tenant:  
City of Olympia  
900 Plum Street  
Olympia, WA 98507

or to such other respective addresses as either party hereto may hereafter from time to time designate in writing. Notices sent by mail shall be deemed to have been given when properly mailed, and the postmark affixed by the United States Post Office shall be conclusive evidence of the date of mailing.

42. **WAIVER.** The acceptance of rental by the Port for any period or periods after a default by Tenant hereunder shall not be deemed a waiver of such default unless the Port shall so intend and shall so advise Tenant in writing. No waiver by the Port of any default hereunder by Tenant shall be construed to be or act as a waiver of any subsequent default by Tenant. After any default shall have been cured by Tenant, it shall not thereafter be used by the Port as a ground for the commencement of any action under the provisions of paragraph 24, **HOLDING OVER.**

43. **BINDER.** This Lease is binding upon the parties hereto, their heirs, personal representatives, successors in interest and assigns, including all subtenants or licensees.

## EXHIBIT "A"

### REQUIREMENTS AS TO IMPROVEMENTS

These conditions relating to improvements in this Exhibit "A" shall control unless the Port and Tenant have otherwise separately agreed to more specific time periods for production and coordination of drawings, financing and commencement of construction. In the event such additional documentation becomes a part of this Lease, then the time periods set forth in such documents shall be logically coordinated, the intent being that the shorter time periods should control the parties' respective performances.

1. **PORT APPROVAL OF TENANT IMPROVEMENTS.** As used herein, the terms "improvements" or "structures" shall mean and include without limitation all permanent buildings, and all other major structures or improvements of any kind located above the ground level of any site, plus any replacements, additions, repairs or alterations thereto. No improvement shall be constructed or maintained on the leased premises until the Port has first approved the design, density, size, appearance and location thereof. Before commencing any work of improvement or applying for any governmental permit or approval, Tenant shall first deliver to the Port for approval two (2) sets of schematic plans and preliminary specifications, including grading and drainage plans, exterior elevations, floor plans, site plans, and showing in reasonable detail existing topography and proposed type of use, size, land coverage, shape, height, location, material and elevation of each proposed improvement, all proposed ingress and egress to public or private streets or roads, all utilities and service connections, and all proposed landscaping, exterior materials and fences, parking, exterior lighting, signs, cut and fill, finished grade, runoff and concentration points. Nothing in this paragraph shall imply a submission standard higher than that required for a building permit, except as it relates to land use(s), utilities, infrastructure and impact upon adjoining properties and use(s) of adjoining properties.

The Port shall then have twenty (20) days during which to accept and approve or reject such preliminary plans and specifications. Once the preliminary plans and specifications have been approved, but prior to commencing any such work, Tenant shall submit to the Port for approval of final plans and specifications for any proposed improvements in the same manner as provided above.

All plans and specifications for grading or improvements to be submitted to the Port hereunder shall be prepared by a licensed or registered architect or engineer, as the case may be. All grading, piling, footing and foundation work must be conducted under the supervision of an appropriate licensed engineer. At the Port's option, a final certification by a licensed soils engineer or geologist must be filed with the Port upon completion of the grading work. The Port shall not unreasonably withhold its approval of any such plans or specifications.

The Port shall be conclusively deemed to have given its approval unless, within thirty (30) days after all such plans and specifications have been received by the Port, the Port shall give Tenant written notice of each item of which the Port disapproves. Unless so disapproved, the Port shall endorse its approval on at least one set of plans and return the same to Tenant. The Port may disapprove any plans which are not in harmony or conformity with other existing or proposed improvements on or in the vicinity of the leased premises, or with the Port Master Plan or other plans or criteria for the leased premises in the general area in which the leased premises are located, the sole discretion as to such adequacy remaining with the Port. Notwithstanding the foregoing, Tenant may, in accordance with the lease, repair, replace, alter or reconstruct any improvement on the leased premises for which plans were previously approved by the Port as provided above, but only if such repair, replacement, alteration or reconstruction is substantially identical to the improvement previously approved.

Concerning utility installations, Tenant, at Tenant's sole cost, including any connection fees, assessments or changes, shall be responsible for the installation on the leased premises of all utilities required by Tenant's use of the premises, assuming such utility services are available to the leased premises. Any contractual arrangements with any municipal supplier with respect to the improvements or utility installation shall not be entered into by Tenant without first obtaining the Port's approval. In the event that such utility services are not readily available at the leased premises, Tenant, at Tenant's sole cost, shall pay for the extension of such utilities to the leased premises.

The Port shall not be liable for any damages in connection with the approval or disapproval of any plans or specifications, any construction or performance by Tenant on the leased premises in connection with the erection of such improvements, any mistake in judgment, negligence or omissions in exercising its rights and responsibilities hereunder, or the enforcement or failure to enforce any provisions contained in the Lease. The Port's approval of plans and specifications shall not constitute the assumption of any responsibility by the Port or its representatives for the accuracy, efficacy or sufficiency thereof, and Tenant shall be solely responsible therefor.

2. **CERTIFICATES OF COMPLIANCE.** Tenant shall obtain all necessary permits and shall send copies of same to the Port, as well as copies of Certificates of Completion/Occupancy associated with such permits and pay the cost thereof. Prior to commencement of any such work of improvements, Tenant shall supply to the Port a certificate from a licensed civil engineer or land surveyor verifying that the proposed improvements will be located on the correct parcel and in accordance with plans previously approved by the Port. The Port may waive such requirement if the Port has already surveyed the proposed premises. Upon completion of any such improvements, Tenant shall supply to the Port a further certification by Tenant's architect (including the landscape architect in the case of improvements consisting of landscaping) that the improvements, as designed by the architect, have been completed in accordance with the plans previously approved by the Port. Final landscaping as approved by the Port shall be completed within sixty (60) days after completion of the structure. Tenant shall also supply to the Port one (1) set of "as-built" grading plans showing all underground installations within sixty (60) days following completion of any substantial improvement within the leased premises. Tenant shall also furnish the Port with a complete set of "as-built" building plans and an itemized statement of the actual construction cost of such improvements, not later than sixty (60) days after completion.

3. **DILIGENT COMPLETION AND COMPLIANCE.** After commencement of construction, Tenant shall diligently complete the construction so that the improvements will not remain in a partly finished condition any longer than is reasonably necessary, and Tenant shall comply with all applicable governmental laws, ordinances and other requirements or conditions and restrictions which may affect the leased premises, all at the sole cost and expense of Tenant.

So long as such services are provided, the services are deemed equal to the Tenant's share and shall constitute the City's prorata share under this provision.

### Background and Analysis:

The cities of Olympia, Lacey, Tumwater and Thurston County incur significant costs operating and caring for the treatment of animals brought into Joint Animal Services (JAS), including food, supplies, drugs, medicine and chemical materials for the animals. Each year thousands of dogs and cats are euthanized because they are not wanted, many times due to surrender by pet owners. This Ordinance should reduce the number of unwanted animals brought to organizations like JAS that may have health or behavioral issues, which would also serve to reduce the financial burden on Olympia's taxpayers. Further, consumers may be more likely to adopt a dog or a cat if dogs and cats were not readily available for purchase in pet stores. Moreover, there is a large financial benefit to consumers who adopt animals, as the fee charged by JAS is in many cases significantly lower than

the cost of purchasing a dog or cat from a pet store.

According to The Humane Society of the United States, hundreds of thousands of dogs and cats in the United States have been housed and bred at substandard breeding facilities known as “puppy mill” or “kitten factories,” that mass produce animals for sale to the public; and many of these animals are sold at retail in pet stores. Because of the lack of proper animal husbandry practices these facilities, animals born and raised there are more likely to have genetic disorders and lack adequate socialization, while breeding animals utilized there are subject to inhumane housing conditions are indiscriminately disposed of when they reach the end of their profitable breeding cycle.

In the United States and Canada alone, over 40 cities have enacted ordinances addressing the sale of puppy and kitten mill dogs and cats, including Chicago, Illinois; Los Angeles, California; San Diego, California; Albuquerque, New Mexico; Austin, Texas; Brick, New Jersey; Poulsbo, Washington, and Toronto, Canada, to name but a few.

**Neighborhood/Community Interests:**

Citizens have expressed support during Public Comment for regulation of the retail sale of dogs and cats in Olympia.

**Options:**

1. Approve the proposed ordinance enacting a New Chapter to Title 6 of the Olympia Municipal Code regulating the retail sale of dogs and cats on first reading and advance to second reading.
2. Direct staff to modify the proposed ordinance.
3. Do not enact the proposed ordinance.

**Financial Impact:**

No immediate impacts.

**AN ORDINANCE OF THE CITY OF OLYMPIA, WASHINGTON, REGULATING THE RETAIL SALE OF DOGS AND CATS, AND ENACTING A NEW CHAPTER TO THE OLYMPIA MUNICIPAL CODE FOR SAID PURPOSE.**

**WHEREAS**, pet stores selling live animals have traditionally been a sales outlet for young dogs and cats bred in "puppy mill" and "kitten mills" both within the United States and abroad. According to the Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet store puppies and many pet store kittens come from puppy mills and kitten mills, respectively. When consumers buy puppies and kittens from pet stores, there is a strong likelihood that consumers are unknowingly supporting the puppy mill or kitten mill industry; and

**WHEREAS**, the documented abuses of puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate food, water and shelter; lack of socialization; lack of adequate space; and the euthanization of unwanted animals. The inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issue with animals, which many consumers are unaware of when purchasing animals from retailers due to both a lack of education on the issue and misleading tactics of retailers in some cases. These health and behavioral issues, which may not present themselves until years after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

**WHEREAS**, the lack of enforcement resources at local, state and federal levels allow many inhumane puppy and kitten mills to operate with impunity. According to The Humane Society of the United States, American consumers purchase dogs and cats from pet stores that the consumers believe to be healthy and genetically sound, but in reality, the animals often face an array of health problems including communicable diseases or genetic disorders that present immediately after sale or that do not surface until several years later, all of which lead to costly veterinary bills and distress to the pet owners; and

**WHEREAS**, the cities of Olympia, Lacey, Tumwater and Thurston County incur significant costs operating and caring for the treatment of animals brought into Joint Animal Services (JAS), including food, supplies, drugs, medicine and chemical materials for said animals. Each year thousands of dogs and cats are euthanized because they are not wanted, many times due to surrenders by pet owners. This Ordinance should reduce the number of unwanted animals brought to organizations like JAS who may have health or behavioral issues, which would also serve to reduce the financial burden on Olympia's taxpayers. Further, consumers may be more likely to adopt a dog or a cat if dogs and cats were not readily available for purchase in pet stores. Moreover, there is a large financial benefit to consumers who adopt animals, as the fee charged by JAS is in many cases significantly lower than the cost of purchasing a dog or cat from a pet store; and

**WHEREAS**, a review of inspection reports by the State of California and the United States Department of Agriculture (USDA) from more than one hundred breeders who sold animals to the nation's largest retail pet store chain revealed that more than sixty percent (60%) of the inspections found serious violations of basic animal care standards, including sick or dead animals in their cages, lack of proper veterinary care, inadequate shelter from weather conditions, and dirty, unkempt cages that were too small; and

**WHEREAS**, according to The Humane Society of the United States, hundreds of thousands of dogs and cats in the United States have been housed and bred at substandard breeding facilities known as “puppy mill” or “kitten factories,” that mass produce animals for sale to the public; and many of these animals are sold at retail in pet stores. Because of the lack of proper animal husbandry practices these facilities, animals born and raised there are more likely to have genetic disorders and lack adequate socialization, while breeding animals utilized there are subject to inhumane housing conditions are indiscriminately disposed of when they reach the end of their profitable breeding cycle; and

**WHEREAS**, according to USDA inspection reports, some additional documented problems found at puppy mills include (a) sanitation problems leading to infectious disease, (b) large numbers of animals overcrowded in cages; (c) lack of proper veterinary care for severe illnesses and injuries; (d) lack of protection from harsh weather conditions; and (e) lack of adequate food and water; and

**WHEREAS**, the homeless pet problem notwithstanding, there are many reputable dog and cat breeders who refuse to sell through pet stores and who work carefully to screen families and ensure good, lifelong matches; and

**WHEREAS**, responsible dog and cat breeders do not sell their animals to pet stores. The United Kennel Club (UKC), the second oldest all-breed registry of purebred dog pedigrees in the United States and the second largest in the world, asks all of its member breeders to agree to a Code of Ethics which includes a pledge not to sell their puppies to pet stores. Similar pledges are included in Codes of Ethics for many breed clubs for individual breeds; and

**WHEREAS**, across the country, thousands of independent pet stores as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these stores collaborate with local animal sheltering and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

**WHEREAS**, the Olympia City Council recognizes that not all dogs and cats retailed in pet stores are products of inhumane breeding conditions and would not classify every commercial breeder selling dogs or cats to pet stores as a “puppy mill” or “kitten factory,” it is the City Council’s belief that puppy mills and kitten factories continue to exist in part because of public demand and the sale of dogs and cats in pet stores; and

**WHEREAS**, the Olympia City Council finds that the current state of retail sale of dogs and cats in pet stores in the City of Olympia is inconsistent with the City’s goal to be a community that cares about animal welfare; and

**WHEREAS**, Olympia City Council believes that eliminating the retail sale of dogs and cats in pet stores in the City will promote community awareness of animal welfare and, in turn, will foster a more humane environment in the City; and

**WHEREAS**, the Olympia City Council also believes that elimination of the retail sale of dogs and cats in pet stores in the City will also encourage pet consumers to adopt dogs and cats from shelters, thereby saving animals’ lives and reducing the cost to the public of sheltering animals; and

**WHEREAS**, this Ordinance will not affect a consumer’s ability to obtain a dog or cat of his or her choice directly from a breeder, a breed-specific rescue or a shelter; and

**WHEREAS**, in the United States and Canada alone, over forty (40) cities have enacted ordinances addressing the sale of puppy and kitten mill dogs and cats, including Chicago, Illinois; Los Angeles,

California; San Diego, California; Albuquerque, New Mexico; Austin, Texas; Brick, New Jersey; Poulso, Washington, and Toronto, Canada, to name but a few; and

**WHEREAS**, current federal and state laws and City ordinances do not properly address the sale of puppy and kitten mill dogs and cats in City business establishments; and

**WHEREAS**, the Olympia City council believes it is in the best interests of the City to adopt reasonable regulations to reduce costs to the City and its residents, protect the citizens of the City who may purchase cats or dogs from a pet store or other business establishment, help prevent these inhumane conditions, promote community awareness of animal welfare, and foster a more humane environment in the City; and

**WHEREAS**, the Olympia City Council desires to adopt a new chapter to the Olympia Municipal Code to prohibit the retail sale of dogs and cats in the City of Olympia by adding the language shown below;

**NOW, THEREFORE, THE OLYMPIA CITY COUNCIL ORDAINS AS FOLLOWS:**

**Section 1. Findings.** The above recitals are incorporated herein by reference and made the findings of the Olympia City Council.

**Section 2. Addition of New OMC Chapter 6.01.** A new Chapter 6.01 is hereby added to the Olympia Municipal Code to read as follows:

##### **Background and Analysis:**

Downtown Olympia is the social, cultural, historic, and economic core of the City. The 450-acre downtown area contains vital infrastructure such as Olympia City Hall, the Budd Inlet Treatment Plant, the Port of Olympia marine terminal, and the emergency vehicle corridor between west and east Olympia.

While our downtown's extensive shoreline helps make Olympia an extraordinary city, it also makes us vulnerable to flooding. In the coming decades, sea level rise will cause flooding downtown that could lead to property damage and loss of public services. With just 12 inches of sea level rise, a 100-year

flood event could occur every other year.

The City of Olympia has been engaged in climate change and sea level rise planning since the early 1990s. Considerable work has been completed to understand the implications sea level rise will have for downtown Olympia. Most recently, the City collaborated with the LOTT Clean Water Alliance and the Port of Olympia to produce the *Olympia Sea Level Rise Response Plan*, adopted in March 2019.

The Plan recommended that we prepare for 24 inches of sea rise by the year 2050 and 68 inches by 2100. The Plan identified the vulnerabilities and presented strategies for adapting to the sea level rise scenarios.

A key Plan strategy was to develop a governance structure and organization for managing our response. This Interlocal Agreement is a first step in implementing that strategy. The agreement will establish a “Joint Administrative Committee” to be comprised of elected officials from each jurisdiction and will commit us to creating a “Core Team” staffed by individuals from the City, Port and LOTT, to perform day-to-day coordination and production. The agreement will also allow the jurisdictions to move ahead with and share costs for limited initial near-term projects.

The agreement is scheduled to be approved by the LOTT Clean Water Alliance on February 12 and the Port of Olympia on March 9.

**Neighborhood/Community Interests (if known):**

Various community groups and other agencies are engaged in climate change and sea level rise issues. The City of Olympia Comprehensive Plan and Downtown Strategy support planning for and adapting to sea level rise. With very few exceptions, preparing for sea level rise was uniformly supported by citizens during public outreach for development of the *Olympia Sea Level Rise Response Plan*.

**Options:**

- Approve a Resolution authorizing the Interim City Manager to sign the Interlocal Agreement between the City of Olympia, Port of Olympia, and the LOTT Clean Water Alliance to establish an interjurisdictional governance framework to address sea level rise. This will allow the parties to proceed with initial sea level rise projects.
- Modify the Interlocal Agreement. Changes to the agreement will require coordination with all parties and may delay our response to sea level rise.
- Decline the Interlocal Agreement. This would be contrary to public sentiment and may ultimately make maintaining downtown public and private services challenging. The lack of a coordinated approach to sea level rise would impact relations among the City of Olympia, Port of Olympia, and LOTT Clean Water Alliance.

**Financial Impact:**

Under this Interlocal Agreement, the City of Olympia, Port of Olympia, and LOTT Clean Water Alliance will share costs to implement joint-funded, near-term projects. Each party will pay up to \$50,000 plus necessary in-house costs such as staff salaries. Additionally, as needed, the City of Olympia and LOTT Clean Water Alliance agree to repair or replace the Fiddlehead outfall tide gate at a cost of up to \$75,000 each.

The City, Port, and LOTT are referred to collectively as the “Parties” or individually as “Party.”

**RECITALS**

**WHEREAS**, RCW 39.34.010 permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities; and

**WHEREAS**, pursuant to RCW 39.34.080, each party is authorized to contract with any one or more other public agencies to perform any governmental service, activity, or undertaking which each public agency entering into the contract is authorized by law to perform: provided, that such contract shall be authorized by the governing body of each party to the contract and shall set forth its purposes, powers, rights, objectives and responsibilities of the contracting parties; and

**WHEREAS**, the Parties entered into an Interlocal Agreement in 2017 to jointly fund and participate in a formal sea level rise planning process for downtown Olympia and the Port peninsula; and

**WHEREAS**, the resulting Olympia Sea Level Rise Response Plan, dated March 2019, is a community plan that provides a comprehensive menu of short-term, mid-term and long-term strategies for minimizing and preventing flooding to downtown Olympia and protecting the Budd Inlet Treatment Plant from rising seas; and

**WHEREAS**, implementation of the Olympia Sea Level Rise Response Plan will take ongoing coordination and collaboration across governmental entities, including but not limited to the Parties, non-profit organizations, and other stakeholders; and,

**WHEREAS**, the Parties understand the critical importance of establishing the governmental and financial structure to support the timely implementation of the Olympia Sea Level Rise Response Plan; and

**WHEREAS**, the Parties desire to build on the collaboration which occurred during the sea level rise planning process and establish an interjurisdictional governance framework for implementation of the Olympia Sea Level Rise Response Plan;

**NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:**

**I. Purpose/Objective**

The Parties intend to work together to develop and implement a governance structure to coordinate sea level rise response as envisioned in the Olympia Sea Level Rise Response Plan.

The objective of this Agreement is the development of the governance structure to coordinate sea level rise response. At the conclusion of the work effort outlined in Section II, the Parties intend to execute a new interlocal agreement to formally establish the governance structure developed under this Agreement.

As recommended in the Olympia Sea Level Rise Response Plan, the governance structure may expand beyond the Parties to include, but not be limited to, the State of Washington, other jurisdictions, quasi-governmental entities and non-profit organizations engaged in regional sea level rise response actions.

This Agreement is also intended to allow the Parties to work together to implement select short-term projects identified in the Olympia Sea Level Rise Response Plan. These efforts will take place concurrent with the work effort outlined in Section II of this Agreement, and within existing budget constraints.

**II. Scope of Agreement/Work**

- a. **Joint Administrative Committee**. The Parties will appoint up to two representatives to serve as the point of contact for purposes of representing their interests in this Agreement and to formally serve on the Joint Administrative Committee. The Parties' representatives on the Joint Administrative Committee will conduct business on a consensus basis, meaning each party must agree to support any proposed action with each jurisdictions' two representatives, when applicable, having an equally weighted voice.

The Joint Administrative Committee will be responsible for reviewing and finalizing the Core Team work products outlined in Section III.b.

The City will coordinate Joint Administrative Committee meetings, decisions and work products until such time a new Interlocal Agreement as envisioned by this Agreement is executed.

- b. **Governance Structure Development.** The Parties agree to delegate day-to-day coordination and production of a draft governance structure to a staff project Core Team consisting of a minimum of one individual each from the City, Port and LOTT. The City will coordinate Core Team meetings, decisions and work products. When possible, Core Team business will be conducted on a consensus basis. If consensus is not possible, all alternative language will be forwarded to the Joint Administrative Committee for consideration and decision.

Partnership and governance structure development work products assigned to the Core Team include: 1) recommended roles, responsibilities and composition of any committee(s) recommended to be included in the governance structure 2) draft operating by-laws of any committee(s) recommended to be included in the governance structure, 3) a draft interlocal agreement pertaining to formally establishing the recommended governance structure and, 4) other products as assigned by the Joint Administrative Committee.

To gain support for the implementation of the Olympia Sea Level Rise Response Plan and participation in the governance structure, the Core Team may, at its discretion, invite others (e.g. staff representatives from State agencies or other stakeholders) to attend Core Team meetings or otherwise assist with the development of its assigned work products.

- c. **Near-term Project Implementation.** The City and LOTT will jointly fund the costs (excluding design and contract management) for installation of a new tide gate on the "Fiddlehead" outfall pipe located at the intersection of Columbia Street and Corkey Avenue. The cost for this project will not exceed \$75,000 per Party. The City of Olympia will be responsible for designing and contracting the project.

In addition to the Fiddlehead outfall tide gate project, within existing budget constraints, the Parties, working through the Core Team, will work jointly to implement select projects identified in the Olympia Sea Level Rise Response Plan. See Exhibit A for projects anticipated to be jointly implemented during the duration of this Agreement. Under this Agreement, such joint actions will not initially exceed \$50,000 per Party in funding or in-kind contributions.

Requests for joint funding to implement near-term projects may involve some or all of the Parties, depending on the Parties' respective interests in the projects. Joint funding requests will require approval of each involved Party through their established expenditure approval processes and can, if agreed upon in writing, exceed the initial dollar amount (\$50,000) contained in this Agreement.

Any required professional or construction services required to implement the jointly funded near-term projects identified in Exhibit A will be chosen through the standard selection process for professional or construction services as required by the laws of

the State of Washington. The Olympia City Manager is authorized to execute any contract necessary to implement jointly-funded near term projects.

When a contract is necessary to implement a jointly-funded near term project, City of Olympia staff will be responsible for contract management, consultant communication and dissemination of project information, and the City assumes any liability arising from such responsibilities, and the performance of these responsibilities will be interpreted as within the scope of the City's obligations to defend, indemnify, and hold harmless as set forth in Section IV of this Agreement.

**III. Rights of Ownership – Final Products**

All products that result from the work outlined in this agreement will be jointly owned by the Parties.

**IV. Indemnification & Insurance**

Each Party agrees to defend, indemnify and hold the other Parties, their officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including reasonable attorney fees, arising out of or in connection with the indemnifying Party's performance of this Agreement, including injuries and damages caused by the negligence of the indemnifying Party's officers, officials and employees.

**V. No Separate Legal Entity Created**

This Agreement creates no separate legal entity.

**VI. Duration of Agreement**

This Agreement shall be effective on the date of the last authorizing signature affixed hereto and shall terminate upon completion of the tasks necessary to accomplish the purpose of the agreement, unless sooner terminated by the Parties as provided herein.

**VII. Dispute Resolution**

- a. Step One – Negotiation. In the event of a dispute concerning any matter pertaining to this Agreement, the Parties involved shall attempt to address their differences by informal negotiation. The Party perceiving a dispute or disagreement persisting after informal attempts at resolution shall notify the other Parties in writing of the general nature of the issues. The letter shall be identified as a formal request for negotiation and shall propose a date for representatives of the Parties to meet. The

other Parties shall respond in writing within ten (10) business days. The response shall succinctly and directly set out that Party's view of the issues or state that there is no disagreement. The Parties shall accept the date to meet or shall propose an alternate meeting date not more than ten (10) business days later than the date proposed by the Party initiating dispute resolution. The representatives of the Parties shall meet in an effort to resolve the dispute. If a resolution is reached the resolution shall be memorialized in a memorandum signed by all Parties which shall become an addendum to this Agreement. Each Party will bear the cost of its own attorneys, consultants, and other Step One expenses. Negotiation under this provision shall not exceed 90 days. If a resolution is not reached within 90 days, the Parties shall proceed to mediation.

- b. Step Two – Mediation. If the dispute has not been resolved by negotiation within ninety (90) days of the initial letter proposing negotiation, any Party may demand mediation. The mediator shall be chosen by agreement. Each Party will bear the cost of its own attorneys, consultants, and other Step Two expenses. The Parties to the mediation will share the cost of the mediator. A successful mediation shall result in a memorandum agreement which shall become an addendum to this Agreement. Mediation under this provision shall not exceed 90 days. If the mediation is not successful within 90 days, the Parties may proceed to litigation.
- c. Step Three – Litigation. Unless otherwise agreed by the Parties in writing, Step One and Step Two must be exhausted as a condition precedent to filing of any legal action. A Party may initiate an action without exhausting Steps One or Two if the statute of limitations is about to expire and the Parties cannot reach a tolling agreement, or if a Party determines the public health, safety, or welfare is threatened.

#### **VIII. Termination of Agreement**

This Agreement may be terminated upon mutual written agreement of the Parties.

#### **IX. Interpretation and Venue**

This Agreement shall be governed by the laws of the State of Washington as to interpretation and performance. The Parties hereby agree that venue for enforcement of any provisions shall be in the Superior Court of Thurston County.

#### **X. Entire Agreement**

This Agreement sets forth all terms and conditions agreed upon by the Parties and supersedes any and all prior agreements oral or otherwise with respect to the specific subject matter addressed herein.

**XI. Recording**

Prior to its entry into force, this Agreement shall be filed with the Thurston County Auditor's Office or posted upon the Parties' websites as provided by RCW 39.34.040.

**XII. Counterparts**

This agreement may be executed in counterparts, and all such counterparts once so executed shall together be deemed to constitute one final agreement, as if one document had been signed by all Parties, and each such counterpart, upon execution and delivery, shall be deemed a complete original, binding on the Parties. A faxed or email copy of an original signature shall be deemed to have the same force and effect as the original signature.
