

# BELLEVUE

---

## *Overview*

---

- 14 subareas
- Subarea plans have been in place since 1993
- Adopted as part of the Comprehensive Plan

## *Plan Elements*

---

Each subarea has goals and policies associated with specific chapters, which are some combination of the following:

- Overview/Context
- Land Use/Preserving Neighborhood Character
- Commercial areas
- Residential Development
- Transportation
- Economic development
- Recreation and Open Space
- Environment

## *Planning Process*

---

Staff worked with citizen advisory committees to draft the plans. The Planning Commission and Council follow a Comprehensive Plan-type process to approve the plans, including a public hearing.
