

Six Year Transportation Improvement Program Summary 2014 - 2019

The City is required by State law to prepare a six-year Transportation Improvement Program (TIP) and submit it to the Washington State Department of Transportation (WSDOT). City staff updates the TIP annually to reflect the City's current Capital Facilities Plan (CFP). Projects cannot be included in the TIP if they are not identified in the CFP. The following includes a list of the current TIP projects. For more detailed information please refer to the complete 2014-2019 TIP Report.
