Assumptions:

- \* Average single-family residential monthly water use.
- \*\* Incorporates potential rate reductions associated with volume-based wastewater rates.
- \*\*\* Assumes 65 gallon container picked-up bi-weekly with recycling but without yard waste/organics. Yard waste/organics collection is an additional charge of \$20.50/bi-monthly in 2018.
- \*\*\*\* City of Olympia collects this rate for the LOTT Clean Water Alliance. The 2020 rate was established with the 2019-2020 biennial budget. Visit LOTT’s website for more information ([lottcleanwater.org](http://lottcleanwater.org))
