

THE WASHINGTON CENTER *for the performing arts*

512 Washington Street SE · Olympia, WA 98501-1330
(360) 753-8585 · Fax (360) 754-1177 · www.washingtoncenter.org

The Washington Center for the Performing Arts is a hub for the encouragement and presentation of performing arts in the South Sound. We provide a well-equipped and well-maintained performing and visual arts facility for the South Sound community. We are home to over 25 local Artistic Partners and also present a vibrant season of professional touring performances.

The Center provides numerous opportunities for individuals, area businesses, organizations, foundations and corporations to create a reminder of their role, or that of a loved one, in helping to fulfill the mission of The Washington Center.

Each of the available opportunities includes the right to sponsor the selected area within the facility. Plaques, name plates and/or other signage will be installed in or near the designated spaces; Plaques may include the name of the donor and the person, persons, or organizations honored.

Gifts may be secured with a pledge payable with regular installments. Gifts of stocks are also accepted and may provide significant tax savings to the donor.

All sponsorship opportunities are for **three years**, except for theater seats, which remain as long as those seats are used within the theater.
