

Finance Committee Recommendation
August 10, 2016

- Move forward with a permanent restroom
- Locate at current site of Artesian Commons temporary restroom
- Construct sewer line in roadway to lower costs
- Fund design and engineering now
- Return to Committee when costs are refined for the final funding action
- Provide dignified option for park and street-dependent users
- Early morning clean team still needed
- Won't solve all problems of Downtown sanitation
- Supported by PBIA members who attended
- Recommended to City Council on a 3-0 vote
