

STOLL RD RENAMING – PUBLIC COMMENTS

February 4, 2020 –

Received call from John Hartsuck, resident at 518 Stoll Rd SE – John stated that he has lived on this road for 50 years and doesn't think the name should be changed. He thinks the east-west leg should be changed. He is upset there will be a future connection to Martin Way and stated the City has promised residents in the past that this connection would never happen. He is upset with the development in the area. If the road name MUST be changed, he would like to suggest it be changed to "Franz Anderson Rd" after the first man who settled on Stoll Rd.

Hello, Ms. Jessica Pollett:

We are the owners and occupants of the house located at 430 Stoll Rd SE, Olympia, WA 98501, right at the corner of Stoll Rd SE and Stoll Rd SE.

We received your letter dated January 31, 2020 informing us of the city's proposal to rename our street and requesting two road name suggestions. We have actually three new name suggestions to provide.

Until they passed away, our neighbors across the street from our house (formerly at 431 Stoll Rd SE, Olympia; currently it is the new apartment building development) were Mr. Franz Anderson and his wife Mrs. Ruby Anderson. Mr. and Mrs. Anderson were the very first and the only owners of the entire area at Stoll Rd SE, from Lilly Rd SE to the end of Stoll Rd SE and from Interstate 5 all the way to Martin Way E. It was

probably about 100 years ago that they came to live at 431 Stoll Rd SE and were the only owners of everything on Stoll Road. Over time, Mr. and Mrs. Anderson started to sell all the properties on Stoll Road, and they just kept the property and the house at 431 Stoll Road SE, the house where they lived until each one of them passed away. Mrs. Ruby Anderson passed away first, then a few years later Mr. Franz Anderson passed away. The two of them were always wonderful friends and neighbors to us!

In honor of our former neighbors and the original owners of this area, we have three suggestions for renaming the North to South Leg of Stoll Rd SE, hoping that our suggestions might be taken into consideration as historical names.

Suggestion # 1: Franz Anderson Road SE or Franz Anderson Street SE

Suggestion # 2: Anderson Road SE or Anderson Street SE

Suggestion # 3: Ruby Anderson Road SE or Ruby Anderson Street SE

Thank you very much for this opportunity to give you suggestions for renaming the one section of Stoll Road SE.

Sincerely,

Mr. Timothy R. Hoefer,
Mrs. Elvia Aurora San Martin de Hoefer
