Interest and Experience

Please introduce yourself to the Olympia City Council and share with them why you are interested in being considered for this assignment. Keep answers concise. You may attach a resume.

1. Statement of Interest

I am a working artist and Faculty Emerita at The Evergreen State College. Having lived in Olympia since 1978, I believe the Cultural Access Program will launch 21st century goals for equity and access in our arts, science, and heritage organizations, and cultivate new opportunities for those in the creative economy who want to make Olympia their home. I would like to use my extensive experience in our community to help ensure the success of Inspire Olympia.

2. Statement of Relevant Experience

I have been: (1) Chair and member of the Washington State Arts Commission; (2) Chair and member of the Olympia Arts Commission; (3) a member of the 4th Avenue Corridor Vision Committee that City Council appointed to oversee the re-design of the 4th Avenue Bridge; and (4) a member of the Capitol Area Regional Public Facilities District. I bring particular grant experience from judging ArtsWA public art proposals, Artist Trust grants, and academic scholarships at The Evergreen State College. A copy of my resume is attached.

3. Do you or any of your family members work for or serve on the board of directors of any organization which may contract with or apply for funding from the City of Olympia? Do you anticipate any involvement of this kind in the future? If yes, please describe the relationship.

I am a board member and officer of Olympia Artspace Alliance. OAA has received City of Olympia funds to help sustain the Storefronts Project, which places art in otherwise empty downtown storefront windows.
