Compliance Program

The City of Olympia's Stormwater Compliance Program (MS4) is mandated and directed by Department of Ecology's NPDES Stormwater Permit. The purpose of this resource page is to help staff navigate the programs and requirements of the municipal stormwater permit. The webpage is organized in a manner consistent with the order of the NPDES stormwater permit. • <u>Clywide Permit Organization Map</u>

hùng & khay đựng phụ ngăn chặn chất tràn đổ để ảo vệ doanh nghiệp và các hồ và sông của chúng

Tại sao sử dụng ngăn chặn thứ cấp?

Các vật liệu nguy hiểm như các sản phẩm dầu mỏ, sơn, chất chống đông và dụng môi gây ra mối đe dọa đối với các tuyến đường thủy địa phương nếu các thùng chứa chúng bị rò rì, hòng hóc hoặc tràn ra ngoài. Các chất phải được cất giữ sao cho nếu xảy ra rò rì hoặc tràn đổ, các chất này vẫn được chứa và không gây ô nhiễm môi trường.

Thùng đựng phụ là gì?

Thùng đựng phụ là hàng rào kín chất lỏng sẽ chứa các vật liệu nguy hiểm thoật ra từ thùng chứa chính. Ngăn chặn thủ cấp này nắm bắt các sự cố tràn tiềm ẩn. Ngăn chặn thủ cấp có thể là một bồn nhựa di động, trống kim loại, pallet có để bằng thùng chứa, khu vực không thấm nước có gờ hoặc lất đá, bể lắng cuối cùng hoặc sàn nghiêng.

Yêu cầu khối lượng

Xác mình rằng ngăn chứa thứ cấp có thể chúa 110 phần trăm thế tích của ngăn chứa lớn nhất hoặc 10 phần trăm thể tích của tất cả các ngăn chứa, tùy theo giá trị nào lớn hơn. Lưu ý: Lưu trữ ngoài trời yếu cầu che phủ cả vớt liệu và ngăn chặn, vì vậy nước mưa không tiốo đầy thể tích ngăn chăn. Các thủng phụy trên pallet chủa ở khu vực ngoài trời có mái che

Washington Stormwater Center EJ Salon

The Washington Stormwater Center wants to partner with its colleagues and friends to host informal discussions about stormwater's connection with environmental justice. This group will work on issues beyond the permit abligations. Co-coordinated with Maddle Burke from City of Mancouver.

Municipal Environmental Justice (EJ) Workgroup and the Permit

This oprigroup is comprised of municipal starmwater staff to discuss issues, resources, and tools specific to permit obligations for overburdened communities.

FIVE THINGS I TRY TO REMEMBER, AND ONE I KEEP LEARNING OVER AND OVER...

- 1. Start by listening, and listen to understand
- 2. Wonder why you aren't getting responses
- 3. Think about what, and how, you say
- 4. Pay folks for their time
- 5. This is a marathon, not a race
