Proof of student enrollment from the school is <b>required prior to the release of funds</b> .		
6.	Career goal (please be specific): I've been interested in doing research in environmental science since I was in elementary school. Currently I'm undecided on exactly what field within environmental science I want to go into, but research is something I've become passionate about. Participating in citizen science surveys in Olympia has helped me recognize that taking data and figuring out what that data means in order to learn something new about the world brings me real joy. I love to be involved in learning things, and that's ultimately what research is. I also love to be outdoors and learning about something I'm always intrigued by: nature.	
7.	Name and address of parent(s) or legal guardian(s) Name(s): <u>Roseanne and Bradley Hoza</u> Address: <u>[REDACTED]</u> City: <u>Olympia</u> State: <u>WA</u> Zip: <u>98501</u> Primary phone of parents or legal guardians: <u>[REDACTED]</u>	

Continue application on back.

8.

Please describe your financial need. Include any financial aid you will receive and/or any circumstances that would help the committee understand your financial situation.

I am the youngest of five children, and I will be the last that my parents put through college. My siblings have all graduated from four-year universities, and I aspire to as well. At least from my perspective, my parents both do an incredible amount of work in order to care for us all. Of course, they have debt related to college payments, and money is much appreciated to alleviate this.

Western has offered me a \$4000 President's Scholarship and a \$2000 Admissions Foundation Scholarship should I choose to go there.

9.

List your city, community and civic involvement activities. (No additional materials will be accepted)

Washington Trails Association, July 2015-present: volunteer work including trail maintenance, public speaking about volunteer opportunities, lobbying at the Capital for wilderness preservation/funding.

Nisqually Reach Nature Center, June 2017-present: volunteer work including citizen science pigeon guillemot surveys and forage fish egg surveys, summer nature camp counseling, and general visitor center help.

Student Conservation Association, July 2016, winter 2017: volunteer work including a two-week trail crew and a several month leadership and environmental service crew (meeting on weekends).

10.
