Subject: LEOFF 1 hearing aid information

As we look for ways to provide coverage while reducing costs (if possible) we occasionally come across programs that might make sense to consider. We have had a number of discussions about the cost of hearing aids. Here is a program through our health insurance provider (AWC) that might make some sense to consider mandating for LEOFF retirees in need of hearing assistance: <http://www.awcnet.org/portals/0/documents/trust/VSPTruHearingDiscountOffer.pdf>

We will probably put it on the agenda for discussion at one of the upcoming meetings.

Thanks.
