If for any cause either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of the terms and conditions, the aggrieved party will give the other party written notice of the failure or violation. The aggrieved party will give the other party 15 (fifteen) working days to correct the violation or failure. If the failure or violation is not corrected within 15 (fifteen) days, the aggrieved party may immediately terminate this Agreement by notifying the other party in writing.

STATEMENT OF WORK

DNR will sponsor a Puget SoundCorps (SoundCorps) crew (all crewmembers over the age of 18 years) to assist with urban forest restoration and maintenance tasks in the City of Olympia. Each restoration project location will include baseline mapping of the site, to be included in a DNR report to the City. Local projects must be on City of Olympia property, and work performed by the crews may not replace workers already in place or other work already contracted for by the City of Olympia.

Project locations and activities in the City of Olympia include:

- Location: Downtown core and major traffic corridors throughout the City. Tasks: Plant street trees to fill empty tree grates and to replace trees removed due to hazard or disease.
- Other sites and/or locations as agreed to in writing by the City Manager or his designee and the DNR Project Coordinator. Tasks and activities assigned must pertain to restoring the ecological health and functionality of the urban forest on the site or location.

SoundCorps crews are covered by Dept. of Ecology insurance through Labor and Industries while working on project sites and traveling to/from work locations.

SoundCorps crews are responsible for the proper training, use, maintenance, and repair of any equipment provided by SoundCorps, Washington Conservation Corps and/or Dept. of Ecology.

The City is responsible for the proper training, use, maintenance, and repair of any equipment provided by the City and used by the SoundCorps crew under the direction of City staff.
