Olympia's Allocation

CDBG History: Funding, Inflation & the Number of Allocations

*Each Total Annual Allocation from 1975 to 2020 has been adjusted for inflation to the value of the dollar in 2020 by using the annual average Consumer Price Index for the corresponding years. <http://www.bls.gov/cpi>.

** For the years 1975 through 1982, the data include 51 annual allocations for the Small Cities program, the predecessor to the State CDBG Program, which later began in 1983.

** The number of actual grant agreements executed by HUD is typically less than the number of allocations because grantees form approximately 35 joint grant agreements per year.
