									Totals		0		0		8,550,000	8,550,000			
0		Intersection Improvements Various Locations from: N/A to: N/A Structure Id These projects improve the safety and function of intersections for people walking, biking and driving. Projects may include roundabouts or traffic signals. Projects may address improved access and priority for transit, such as queue jump lanes or bus-only signals. Projects will typically include curb access ramps and may include sidewalk and bike lane connections, lighting, and landscaping consistent with City standards. Traffic signal upgrades will include accessible devices for people with disabilities. A range of technological improvements for traffic signals may be funded through this program such as fiber optic installation, new controllers, or detection cameras.	N	STIP ID: Oly1122a Fed.
