Selection Criteria

- *Submissions that include advertising or logos or are political, religious or sexual in nature will not be considered.*
- Artists should bear in mind that the audiences will be broad-based and of all ages and artwork should be appropriate for display in a public place.

Location

Artwork will be displayed on traffic control boxes in Eastside Olympia. If selected for exhibition, location of individual designs during exhibit will be at the sole discretion of the City.

Duration

Wrap will be removed after 2-3 years, depending on condition.

Honorarium

Artists will be paid a \$500 honoraria for the use of each completed, camera-ready design. Artists selected for exhibition must purchase a City of Olympia Business license. Please see <http://bls.dor.wa.gov/cities/olympia.aspx> for business license information.

Submission Guidelines

Design can be prepared as illustrations, paintings, computer designed images, quilts, mosaics, photographed sculptures or photographs. Submissions may be conceptual designs, but should convey enough detail for the voting public. Submissions must be turned in on the attached form and be flat for scanning or will need to be supplied by the artist in a print-ready file, 300dpi or better. Following the selection process, all concept designs will be returned to the artists. **Artists may submit one design.**

Selected Entries

If conceptual design is selected, the final design should bring the artwork to camera-ready quality only and should not deviate in any way from the concept.

Fabrication

Artists may submit final design in one of two ways:

- A) Turn in digital, print-ready file, 300 dpi or better.
- B) Turn in physical artwork for scanning:
 - Artwork must be flat
 - Artwork must be secured to a backing board
 - Artwork must use the scale of the concept plan - no larger than 11"x17"

In either case, artists may be asked to work with the vinyl fabricator in finalizing design for fabrication. *By submitting works, artists agree to grant permission to alter/crop work as needed.* Following fabrication, all artwork will be returned to artists.

Warranty

Artists verify that submitted design is their own work and does not violate another's copyright.

Artists understand that if their artwork includes photography of partially or entirely recognizable people, they must provide the City release statements from all parties.

Recognition

Artists will be recognized by credit on their work, and on the project webpage located on the City's website.
