The Bonds shall be issued from time to time in one or more series, and shall be designated as the “City of Olympia, Washington, Limited Tax General Obligation and Refunding Bonds, 2025” with additional year and series designation or other such designation as determined to be necessary by a Designated Representative.

The aggregate principal amount of all Bonds authorized to be issued under the terms of this ordinance shall not exceed \$28,600,000. The terms of each series of Bonds shall be subject to the terms of this ordinance, including the parameters set forth in Section 10 hereof.

The Bonds of each series shall be general obligations of the City, shall be dated as of the date of Closing for such series of Bonds; shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 each, or any integral multiple thereof, within a series and maturity; shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification; shall bear interest from their date payable on the dates and at the rates and commencing as provided in the applicable Sale Document; and shall mature on the dates and in the principal amounts set forth in the applicable Sale Document, as approved and executed by a Designated Representative pursuant to Section 10 of this ordinance.

Section 3. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of a State fiscal agent. The City shall cause a Bond Register to be maintained by the Bond Registrar. So long as any Bonds of each series remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its designated office. The Bond Registrar may be removed at any time at the option of the Finance Director upon prior notice to the Bond Registrar and a successor Bond Registrar appointed by the Finance Director. No resignation or removal of the Bond Registrar shall be effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar’s powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in the Continuing Disclosure Certificate), and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond

shall be made only as described in Section 3(g), but such Bond may be transferred as herein provided. All such payments made as described in Section 3(g) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held by DTC acting as depository. The City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on the Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held by a depository, DTC or its successor depository or its nominee shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of "Cede & Co.", as nominee of DTC, with one Bond of a series maturing on each of the maturity dates for such Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Finance Director pursuant to subsection (2) below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Finance Director to discontinue the system of book-entry transfers through DTC or its successor (or any substitute depository or its successor), the Finance Director may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds together with a written request on behalf of the Finance Director, issue a single new Bond for such series for each maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Finance Director.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Finance Director determines that it is in the best interest of the Beneficial Owners of the Bonds of a series that such owners be able to obtain physical Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held by a depository. The Finance Director shall deliver a written request to the Bond Registrar, together with a supply of physical Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds of such series together with a written request on behalf of the Finance Director to the Bond Registrar, new Bonds of such series shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.* The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same series, date, maturity, and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same series, date, maturity, and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer of or to exchange any Bond during the period from the Record Date to the redemption or payment date.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners or Beneficial Owners of Bonds.

(g) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds of a series are held by DTC, payments of principal thereof and interest thereon shall be made to Registered Owners as of the Record Date as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds of a series are no longer held by DTC or other depository, interest on such Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the Record Date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds of a series (received by the Bond Registrar at least by

the Record Date), such payment shall be made by the Bond Registrar by wire transfer to the account within the United States designated by the Registered Owner. Principal of such Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the designated office of the Bond Registrar.

If any Bond is duly presented for payment and funds have not been provided by the City on the applicable payment date, then interest will continue to accrue thereafter on the unpaid principal thereof at the rate stated on the Bond until the Bond is paid.

Section 4. Redemption Prior to Maturity and Purchase of Bonds.

(a) *Redemption of Bonds.* The Bonds of each series shall be subject to mandatory redemption to the extent, if any, as set forth in the applicable Sale Document and as approved by a Designated Representative pursuant to Section 10. The Bonds of each series shall be subject to optional redemption and/or prepayment on the dates, at the prices and under the terms set forth in the applicable Sale Document approved by a Designated Representative pursuant to Section 10.

(b) *Purchase of Bonds.* The City reserves the right to purchase any of the Bonds offered to it at any time at a price deemed reasonable by a Designated Representative.

(c) *Selection of Bonds for Redemption.* If the Bonds are held in book-entry only form, the selection of particular Bonds within a series and maturity to be redeemed shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds are no longer held by a depository, the selection of such Bonds to be redeemed and the surrender and reissuance thereof, as applicable, shall be made as provided in the following provisions of this subsection (c) or as otherwise provided in the applicable Sale Document. If the City redeems at any one time fewer than all of the Taxable Bonds of a series having the same maturity date, the particular Taxable Bonds or portions of Taxable Bonds of such series and maturity to be redeemed shall be selected on a pro rata pass-through distribution of principal basis. In the event that only a portion of the principal sum of a Taxable Bond is redeemed, upon surrender of such Taxable Bond at the designated office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Taxable Bond or Bonds of like series, maturity and interest rate in any of the denominations herein authorized. If the City redeems at any one time fewer than all of the Tax-Exempt Bonds having the same maturity date within a series, the particular Tax-Exempt Bonds or portions of Tax-Exempt Bonds of such series and maturity to be redeemed shall be selected by lot (or in such manner determined by the Bond Registrar) in increments of \$5,000. In the case of a Tax-Exempt Bond of a denomination greater than \$5,000, the City and the Bond Registrar shall treat each Tax-Exempt Bond of such series as representing such number of separate Tax-Exempt Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Tax-Exempt Bonds of such series by \$5,000. In the event that only a portion of the principal sum of a Tax-Exempt Bond is redeemed, upon surrender of such Tax-Exempt Bond at the principal office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance

of the principal sum thereof, at the option of the Registered Owner, a Tax-Exempt Bond or Bonds of like maturity, series, and interest rate in any of the denominations herein authorized. To the extent the City optionally redeems or purchases for retirement any Term Bond, any remaining mandatory sinking fund payment or mandatory prior redemption requirements for such Term Bond shall be reduced on a pro rata basis.

(d) *Notice of Redemption.*

(1) Official Notice. For so long as the Bonds are held in book-entry form, notice of redemption (which notice may be conditional) shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar will provide any notice of redemption to any Beneficial Owners. Thereafter (if the Bonds are no longer held in book-entry form), notice of redemption shall be given in the manner hereinafter provided. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which redemption may be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption or otherwise) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state: (A) the redemption date, (B) the redemption price, (C) if fewer than all outstanding Bonds are to be redeemed, the identification by maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (D) any conditions to redemption, (E) that (unless such notice is conditional) on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and (F) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Bond Registrar.

On or prior to any redemption date, unless any condition to such redemption has not been satisfied or waived or notice of such redemption has been rescinded, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

The City retains the right to rescind any redemption notice and the related optional redemption of Bonds by giving notice of rescission to the affected Registered Owners at any time on or prior to the scheduled redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

(2) Effect of Notice; Bonds Due. If an unconditional notice of redemption has been given and not rescinded, or if the conditions set forth in a conditional notice of redemption have been satisfied or waived, the Bonds or portions of Bonds to be redeemed shall, on the

redemption date, become due and payable at the redemption price therein specified, and, if the Bond Registrar then holds sufficient funds to pay such Bonds at the redemption price, then from and after such date such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of such Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the series and maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 20 days before the redemption date to each party entitled to receive notice pursuant to the Continuing Disclosure Certificate and with such additional information as the City shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Amendment of Notice Provisions. The foregoing notice provisions of this Section 4, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

Section 5. Form of Bonds. The Bonds of each series shall be in substantially the form set forth in Exhibit A, which is incorporated herein by this reference, with such changes thereto as may be approved by a Designated Representative.

Section 6. Execution of Bonds. The Bonds of each series shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and the City Clerk and the seal of the City shall be impressed, imprinted or otherwise reproduced thereon.

Only such Bonds as shall bear thereon a Certificate of Authentication in the form set forth in Exhibit A, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance. Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this ordinance.

In case either of the officers who shall have executed the Bonds shall cease to be an officer or officers of the City before the Bonds so signed shall have been authenticated or delivered by

the Bond Registrar, or issued by the City, such Bond may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the City as though those who signed the same had continued to be such officers of the City. Any Bond may be signed and attested on behalf of the City by such persons who at the date of the actual execution of such Bond, are the proper officers of the City, although at the original date of such Bond any such person shall not have been such officer of the City.

Section 7. Application of Bond Proceeds.

(a) *New Money Bonds.* The Finance Director is hereby authorized to create a fund or account (the "Project Fund"), and subaccounts therein as necessary, for the purposes set forth in this section. A portion of the proceeds of the sale of the New Money Bonds, net of any Underwriter's discount and fees, in the amounts specified in the closing memorandum prepared in connection with the issuance of the Bonds, shall be deposited into the Project Fund. Such proceeds shall be used to pay and/or reimburse the City for the costs of the New Money Project and to pay costs of issuance for the New Money Bonds.

To the extent the City makes expenditures for the New Money Project prior to the date the New Money Bonds are issued, the City intends to reimburse all or a portion of those expenditures out of proceeds of the New Money Bonds as permitted by U.S. Treasury Regulation 1.150-2(d).

The Finance Director shall invest money in the Project Fund and the subaccounts contained therein in such obligations as may now or hereafter be permitted by law to cities of the State and which will mature prior to the date on which such money shall be needed, but only to the extent that the same are acquired and disposed of at Fair Market Value. Any remaining New Money Bond proceeds (including interest earnings thereon) may be used for other capital projects of the City or shall be transferred to the Debt Service Fund to pay principal on the New Money Bonds, as the Council in its discretion shall determine.

(b) *Refunding Plan.* If market conditions are favorable, the City proposes to refund and defease the Refunded Bonds as set forth herein. If a Designated Representative determines that it is in the best interest of the City to proceed with the refunding authorized herein, a Designated Representative shall designate all or a portion of the Refunding Candidates as Refunded Bonds and such designation shall be set forth in the Sale Document. Each Designated Representative is hereby authorized to select the Refunded Bonds from the Refunding Candidates, to establish the Call Date for the Refunded Bonds, to provide or cause to be provided notice of redemption of the Refunded Bonds in accordance with the applicable provisions of the 2013 Bond Ordinance, and to take any action as determined to be necessary and in the best interest of the City to refund the Refunded Bonds.

Net proceeds of any Refunding Bonds shall either be remitted to the City or deposited with the Escrow Agent pursuant to an Escrow Agreement, and shall be used immediately upon receipt thereof to defease and refund the Refunded Bonds as authorized by the 2013 Bond

Ordinance and to pay costs of issuance of such Refunding Bonds as set forth in the closing memorandum prepared in connection with the issuance of the Bonds.

Any Refunding Bond proceeds and any other available funds of the City, if any, deposited with the Escrow Agent shall be used to defease the Refunded Bonds and discharge the obligation thereon by either being held uninvested as cash or by the purchase of Acquired Obligations bearing such interest and maturing as to principal and interest in such amounts and at such times which, together with any necessary beginning cash balance, will provide for the payment of interest on such Refunded Bonds on the Call Date and the redemption price of such Refunded Bonds on the Call Date. Such Acquired Obligations, if any, shall be purchased at a yield not greater than the yield permitted by the Code and regulations relating to acquired obligations in connection with refunding the bond issues.

(c) *Escrow Agent; Escrow Agreement.* U.S. Bank Trust Company, National Association is hereby appointed as Escrow Agent. The proceeds of any Refunding Bonds remaining after acquisition of the Acquired Obligations, if any, and provision for the necessary beginning cash balance shall be used to pay expenses of the acquisition and safekeeping of the Acquired Obligations and costs of issuance of the Refunding Bonds and the administrative costs of the refunding. In order to carry out the purposes of this section, each Designated Representative is authorized and directed to execute and deliver the Escrow Agreement to the Escrow Agent.

(d) *Call for Redemption of the Refunded Bonds.* If a Designated Representative determines to proceed with the refunding of all or a portion of the Refunding Candidates, the City hereby agrees to set aside available funds of the City and sufficient funds out of proceeds of the Refunding Bonds, including from the purchase of the Acquired Obligations, if any, to make payments described above. The City authorizes each Designated Representative to call the Refunded Bonds for redemption in accordance with the provisions of the 2013 Bond Ordinance. Such defeasance and call for redemption of the Refunded Bonds shall be irrevocable after the issuance of the Refunding Bonds. The Escrow Agent is hereby authorized to carry out the terms of the Escrow Agent on behalf of the City, including the giving of notice of defeasance and redemption of the Refunded Bonds in accordance with the applicable provisions of the 2013 Bond Ordinance.

Section 8. **Tax Covenants.** The City will take all actions necessary to assure the exclusion of interest on any Tax-Exempt Bonds from the gross income of the owners of such Tax-Exempt Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of such Tax-Exempt Bonds, including but not limited to the following:

(a) *Private Activity Bond Limitation.* The City will assure that the proceeds of the Tax-Exempt Bonds are not so used as to cause the Tax-Exempt Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

(b) *Limitations on Disposition of Improvements.* The City will not sell or otherwise transfer or dispose of (i) any personal property components of the projects financed and

refinanced with proceeds of Tax-Exempt Bonds other than in the ordinary course of an established government program under Treasury Regulation § 1.141-2(d)(4) or (ii) any real property components of the projects financed and refinanced with proceeds of Tax-Exempt Bonds, unless it has received an opinion of Bond Counsel to the effect that such disposition will not adversely affect the treatment of interest on the Tax-Exempt Bonds as excludable from gross income for federal income tax purposes.

(c) *Federal Guarantee Prohibition.* The City will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the Tax-Exempt Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(d) *Rebate Requirement.* The City will take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Bonds.

(e) *No Arbitrage.* The City will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Bonds would have caused the Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(f) *Registration Covenant.* The City will maintain a system for recording the ownership of each Tax-Exempt Bond that complies with the provisions of Section 149 of the Code until all Tax-Exempt Bonds have been surrendered and canceled.

(g) *Record Retention.* The City will retain its records of all accounting and monitoring it carries out with respect to the Tax-Exempt Bonds for at least three years after the Tax-Exempt Bonds mature or are redeemed (whichever is earlier); however, if the Tax-Exempt Bonds are redeemed and refunded, the City will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the Tax-Exempt Bonds.

(h) *Compliance with Federal Tax Certificate.* The City will comply with the provisions of the Federal Tax Certificate with respect to a series of Tax-Exempt Bonds, which are incorporated herein as if fully set forth herein. In the event of any conflict between this section and the Federal Tax Certificate, the provisions of the Federal Tax Certificate will prevail.

The covenants of this section will survive payment in full or defeasance of the Tax-Exempt Bonds.

Section 9. Debt Service Fund; Pledge of Funds; General Obligation. The City hereby authorizes the creation of one or more funds, and accounts held therein, to be used for the payment of debt service on each series of Bonds, designated as the “Limited Tax General Obligation Debt Service Fund 2025” or other such designation selected by the City (the “Debt

Service Fund”). No later than the date each payment of principal of or interest on the Bonds becomes due, the City shall transmit sufficient funds, from the Debt Service Fund or from other legally available sources, to the Bond Registrar for the payment of such principal or interest. Money in the Debt Service Fund may be invested in legal investments for City funds, but only to the extent that the same are acquired and disposed of at Fair Market Value. Any interest or profit from the investment of such money shall be deposited in the Debt Service Fund.

The City hereby irrevocably covenants and agrees for as long as the Bonds are outstanding and unpaid that each year it will include in its budget and levy an *ad valorem* tax upon all the property within the City subject to taxation in an amount that will be sufficient, together with other revenues and money of the City legally available for such purposes, to pay the principal of and interest on the Bonds when due.

The City hereby irrevocably pledges that the annual tax provided for herein to be levied for the payment of such principal and interest shall be within and as a part of the tax levy permitted to cities without a vote of the people, and that a sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Bonds when due.

Section 10. **Sale of Bonds.**

(a) *Bond Sale.* The Council has determined that it would be in the best interest of the City to delegate to the Designated Representatives for a limited time the authority to authorize the Bonds to be issued in one or more series, to designate each series of Bonds as Tax-Exempt or Taxable Bonds, to approve the method of sale, the interest rates, maturity dates, redemption terms and principal maturities for each series of Bonds, and to designate the Refunded Bonds, if any, from the Refunding Candidates. The Designated Representatives are each hereby authorized to approve the issuance, from time to time, on a single date or on multiple dates to be determined to be in the best interest of the City, of one or more series of Bonds and to approve a competitive bond sale or a negotiated bond sale for each series of Bonds, as set forth below.

(b) *Negotiated Bond Sale.* If a Designated Representative determines that one or more series of Bonds are to be sold by negotiated public sale, a Designated Representative shall select one or more Underwriters that a Designated Representative determines to be in the best interest of the City. Such Bonds shall be sold to the Underwriter(s) pursuant to the terms of a Bond Purchase Agreement.

(c) *Competitive Sale.* If a Designated Representative determines that one or more series of Bonds are to be sold at a competitive public sale, a Designated Representative shall: (1) establish the date of the public sale; (2) establish the criteria by which the successful bidder will be determined; (3) request that a good faith deposit in an amount not less than one percent of the principal amount of the offering accompany each bid; (4) cause notice of the public sale to

be given; and (5) provide for such other matters pertaining to the public sale as a Designated Representative deems necessary or desirable. Such Bonds shall be sold to the Underwriter pursuant to the terms of a Certificate of Award.

(d) *Sale Parameters.* Subject to the terms and conditions set forth in this Section 10, each Designated Representative is hereby authorized to approve the method of sale and the final interest rates, aggregate principal amount, principal maturities, and redemption rights for any series of the Bonds in the manner provided hereafter so long as:

(1) the aggregate principal (face) amount of all Bonds issued pursuant to this ordinance does not exceed \$28,600,000;

(2) the final maturity date for the Bonds issued under this ordinance is no later than December 1, 2055;

(3) the true interest cost for the Bonds of a series (in the aggregate) sold as Tax-Exempt Bonds does not exceed 6.50%;

(4) the true interest cost for the Bonds of a series (in the aggregate) sold as Taxable Bonds does not exceed 8.50%;

(5) the aggregate purchase price for the Bonds of a series shall not be less than 95% or more than 140%;

(6) any Refunding Bonds are sold for a price that results in a minimum net present value debt service savings over the Refunded Bonds of 3.00%; and

(7) the Bonds conform to all other terms of this ordinance.

Subject to the terms and conditions set forth in this section, each Designated Representative is hereby authorized to execute one or more Sale Documents on behalf of the City.

Following the execution of a Sale Document, a Designated Representative shall provide a report to the Council describing the final terms of the Bonds approved pursuant to the authority delegated in this section. The authority granted to the Designated Representatives by this Section 10 to execute any Sale Document shall expire one year (365 days) after the effective date of this ordinance. If a Sale Document for the Bonds has not been executed by such date, the authorization for the issuance of such Bonds shall be rescinded, and such Bonds shall not be issued nor their sale approved unless such Bonds shall have been re-authorized by ordinance of the Council. The ordinance re-authorizing the issuance and sale of such Bonds may be in the form of a new ordinance repealing this ordinance in whole or in part or may be in the form of an amendatory ordinance approving a Sale Document or establishing terms and conditions for the authority delegated under this Section 10.

(e) *Delivery of Bonds; Documentation.* The proper officials of the City, including the City Manager, Finance Director, the Mayor, the City Attorney, and the City Clerk, are authorized and directed to undertake all action necessary for the prompt execution and delivery of the Bonds to the applicable Underwriter and further to execute all closing certificates and documents required to effect the closing and delivery of the Bonds in accordance with the terms of the applicable Sale Document. Such documents may include, but are not limited to, documents related to a municipal bond insurance policy delivered by an insurer to insure the payment when due of the principal of and interest on all or a portion of the Bonds as provided therein, if such insurance is determined by a Designated Representative to be in the best interest of the City.

(f) *Preliminary and Final Official Statements.* Each Designated Representative is hereby authorized to deem final the preliminary Official Statement(s) relating to a series of Bonds for the purposes of the Rule. Each Designated Representative is further authorized to approve for purposes of the Rule, on behalf of the City, the final Official Statement(s) relating to the issuance and sale of a series of Bonds and the distribution of the final Official Statement pursuant thereto with such changes, if any, as may be deemed to be appropriate.

Section 11. Undertaking to Provide Ongoing Disclosure. The City covenants to execute and deliver at the time of Closing of a series of Bonds a Continuing Disclosure Certificate consistent with the Rule. Each Designated Representative is hereby authorized to execute and deliver a Continuing Disclosure Certificate upon the issuance, delivery and sale of each series of the Bonds with such terms and provisions as such officer shall deem appropriate and in the best interest of the City.

Section 12. Defeasance. In the event that money and/or noncallable Government Obligations, maturing at such time or times and bearing interest to be earned thereon in amounts (together with such money, if necessary) sufficient to redeem and retire part or all of the Bonds in accordance with their terms, are set aside in a special account of the City to effect such redemption and retirement, and such money and the principal of and interest on such Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Debt Service Fund for the payment of the principal of and interest on the Bonds so provided for, and such Bonds shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive the money so set aside and pledged, and such Bonds shall be deemed not to be outstanding hereunder. The City shall give or cause to be given written notice of defeasance in accordance with the Continuing Disclosure Certificate.

Section 13. Lost, Stolen or Destroyed Bonds. In case any Bond or Bonds are lost, stolen or destroyed, the Bond Registrar may execute and deliver a new Bond or Bonds of like series, date, number and tenor to the Registered Owner thereof upon the Registered Owner's paying the expenses and charges of the City and the Bond Registrar in connection therewith and upon such Registered Owner's filing with the City (a) evidence satisfactory to the City that such Bond was actually lost, stolen or destroyed, (b) evidence of such Registered Owner's ownership of such

Bond or Bonds, and (c) upon furnishing the City and/or the Bond Registrar with indemnity satisfactory to the City and/or the Bond Registrar.

Section 14. Severability; Ratification. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds. All acts taken pursuant to the authority granted in this ordinance but prior to its effective date are hereby ratified and confirmed.

Section 15. Corrections by Clerk. Upon approval of the City Attorney and Bond Counsel, the City Clerk is hereby authorized to make necessary corrections to this ordinance, including but not limited to the correction of clerical errors; references to other local, state or federal laws, codes, rules or regulations; ordinance numbering and section/subsection numbering; and other similar necessary corrections.

Section 16. Effective Date of Ordinance. This ordinance shall take effect five days after passage and publication as provided by law.
