# The Armory Creative Campus

- A place to connect people and ideas
- 50,000+ Square Feet
- 2024 upgrades to address basic needs

2023 Art Interventions tested uses

# Welcome - You belong here

The community vision for this space is to be a catalyst for creativity in Olympia which inspires creative thinking, opportunities, community bonds and collaboration through the arts.

It will connect people and ideas.

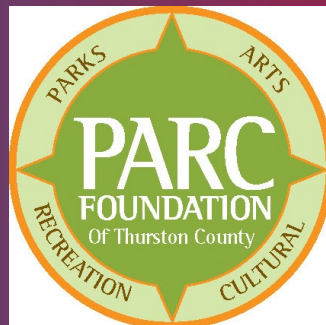

# Where We Are

- 8 Anchor Partners Selected to Negotiate Contracts
- Investment Grade Audit Proposal Received from DES Energy Savings Program

# Anchor Partners Identified

Community arts non-profits with a strong track record in community arts education and training will enter contract negotiations to become Anchor Partners in the Armory Creative Campus Building and relocate their operations to the site with a long-term lease.

# The Bridge Music Project

## Mission

Through music, mentorship, and community, The Bridge equips youth with tools for self-expression and understanding that they will carry with them for the rest of their lives.

# Capital City Pride

## Mission

Pride's mission is to create a safe and empowering stage to uplift, celebrate, heal and inspire our vibrant LGBTQIA2S+ and BIPOC community while being environmental stewards who create allyships with local businesses to boost our local economy and broadcast a culture of belonging and love.

# Community Print

## Mission

Community Print is a member-run, community-supported printmaking studio and creative space operating in downtown Olympia, Washington for over 25 years. We provide introductory Letterpress and Risograph classes, in addition to special subject classes related to printing, paper, book arts, and more. We work with mostly reclaimed materials, from donated type to paper that was slated for the dumpster. We make beautiful and tangible things in an antiquated fashion.

# Kokua Services – Hummingbird Studio

## Mission

The mission of The Hummingbird Studio is to provide a safe, warm, welcoming studio space for artists of all ages and abilities.

# OlyFilm

## Mission

OlyFilm elevates and empowers the creative economy by facilitating, promoting, and producing local film, while developing the next generation of filmmakers.

# Olympia Lamplighters

## Mission

Our mission at Olympia Lamplighters is to provide creators and artists of all ages and disciplines a space to engage, inspire, and grow together as artists and creators in an all-inclusive community.

# PARC Foundation

## Mission

The PARC Foundation of Thurston County is dedicated to preserving the vital green spaces of our natural surroundings, expanding and supporting works of art and artists in our community, ensuring all people have access to recreational opportunities and celebrating cultural activity in Thurston County.

# TCMedia

## Mission

TCMedia provides digital media resources to build stronger communities

# Next Steps

2024:

- Develop Business Plans
- Identify leased spaces and shared spaces
- Identify and detail opportunities for shared programming
- Work with DES and Ameresco on building design

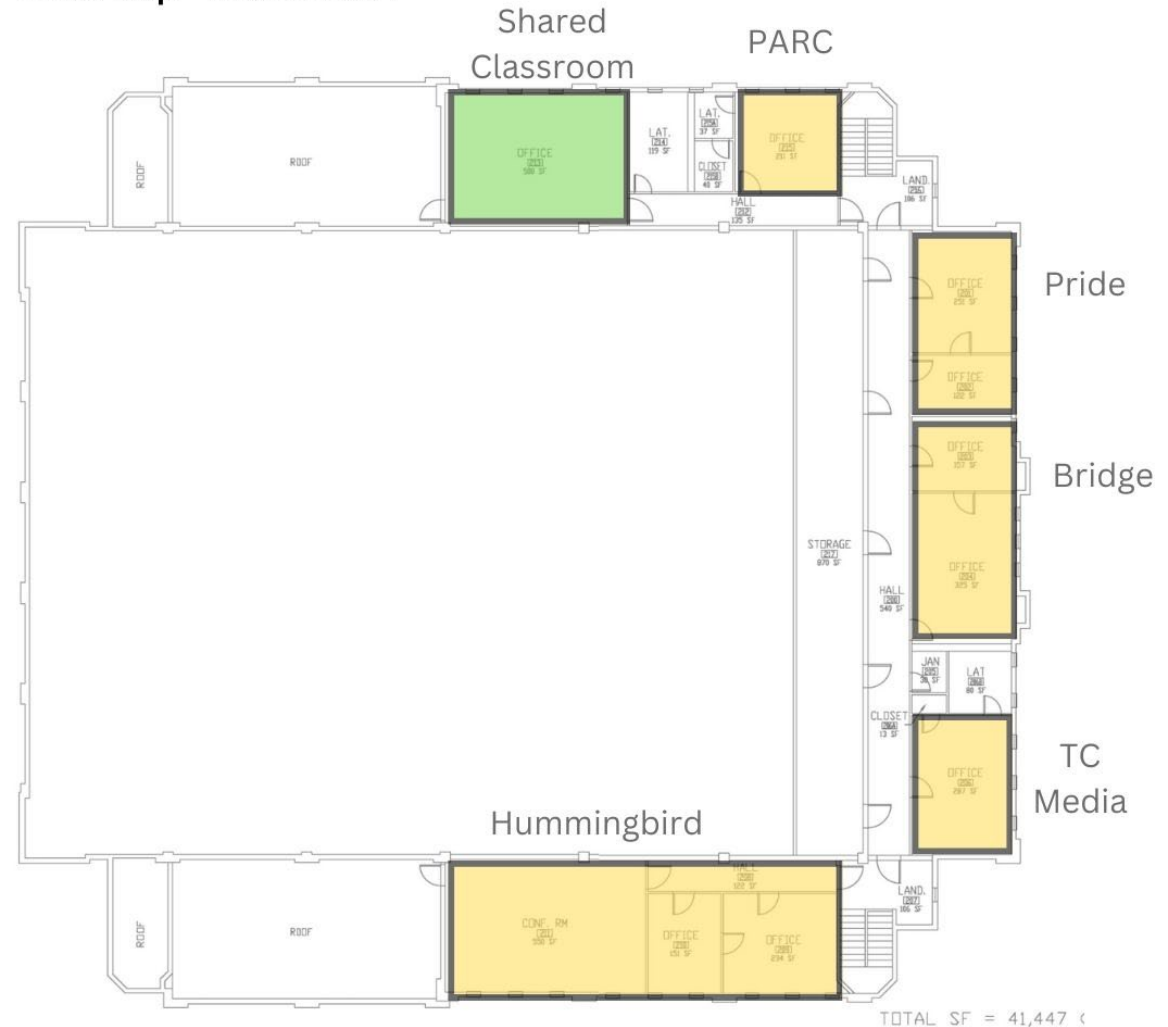

2025-2026:

- Review and align business plans
- Specify and negotiate lease agreements
- Building construction and tenant improvements
- Plan for opening the Armory in 2026
