

**Recreation and Conservation Office  
Washington Wildlife and Recreation Program (WWRP)  
Application Resolution/Authorization**

Organization Name Olympia Parks, Arts and Recreation Resolution No. (if applicable) \_\_\_\_\_

Project Name and Number (s) LBA Woods Morse-Merryman Parcel Acquisition 16-1359

This form authorizes submitting application(s) for grant funding assistance for Washington Wildlife and Recreation Program (WWRP) project(s) to the Recreation and Conservation Funding Board as provided in Chapter 79A.15 and 79A.25 RCW, WAC 286, and other applicable authorities.

WHEREAS, our organization has approved a comprehensive parks and recreation plan that includes this project; and

WHEREAS, under provisions of the WWRP program, state grant assistance is requested to aid in financing the cost of acquisition; and

WHEREAS, our organization considers it in the best public interest to complete the project described in the application(s).

NOW, THEREFORE, BE IT RESOLVED that:

1. The Olympia Parks, Arts and Recreation Director, Paul Simmons, is authorized to make formal application to the Recreation and Conservation Funding Board for grant assistance.
2. Our organization has reviewed the sample project agreement on the Recreation and Conservation Office's web site at: <http://www.rco.wa.gov/documents/manuals&forms/SampleProjAgreement.pdf> and authorizes Paul Simmons, Olympia Parks, Arts and Recreation Director, to enter into such a project agreement, if funding is awarded. We understand and acknowledge that the project agreement will contain the indemnification (applicable to any sponsor) and waiver of sovereign immunity (applicable to Tribes) and other terms and conditions that are contained in the sample project agreement. The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.
3. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project(s) referenced above.
4. Our organization expects our matching share of project funding will be derived from Voted Utility Tax and that pursuant to WAC 286-13-040 we must certify the availability of match at least one month before funding approval. In addition, our organization understands it is responsible for supporting all non-cash commitments to this project should they not materialize.
5. We acknowledge that if the Recreation and Conservation Funding Board approves grant assistance for the project(s), the Recreation and Conservation Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.
6. We acknowledge that any property acquired with grant assistance must be dedicated for the purposes of the grant in perpetuity unless otherwise agreed to by our organization and the Recreation and Conservation Funding Board. We agree to dedicate the property in a signed "Deed of Right" for fee

acquisitions, or an "Assignment of Rights" for other than fee acquisitions (which documents will be based upon RCO's standard versions of those documents), to be recorded on the title of the property with the county auditor.

7. We acknowledge that any property acquired in fee title must be immediately made available to the public unless the Recreation and Conservation Office director or the Recreation and Conservation Funding Board agrees to other restrictions.
8. This application authorization becomes part of a formal application to the Recreation and Conservation Funding Board for grant assistance.
9. We provided appropriate opportunity for public comment on this application.
10. We certify that this application authorization was properly and lawfully adopted following the requirements of our organization and applicable laws and policies and that the person signing as authorized representative is duly authorized to do so.

This application authorization was adopted by our organization during the meeting held:

Location Olympia, Washington Date April 26, 2016

Signed and approved on behalf of the resolving body of the organization by the following authorized representative:
