Kris Tucker, Director of the Washington State Arts Commission (ArtsWA), gave a presentation on her program. She described the State Arts Commission as the intersection of Washington State and the arts, and noted the Olympia Arts Commission held that role at a City level. She noted being able to talk about the arts was key in both those roles. She shared some speaking points and goals for ArtsWA and also shared a presentation on the Creative Vitality Index in Thurston County that she shared recently at the National Assembly of State Arts Agencies (NASAA).

The report was received.
