Motion to approve the proposal with the following conditions:

1. Provide the following changes and additional information with the detail design review application:
 - a. Add a pedestrian pathway connection from the north building to the solid waste facility.
 - b. Revise site plan and landscaping to reflect a min 10-foot parking lot screening.
2. Provide additional methods to step down massing to the south end of the west elevation of Building A.
3. Provide additional outdoor open space such as use of the garage roof and/or area near the SVPA.

Moved by Gulden, seconded by Cassel, Motion carries 6/1.
