### Equity Statement

The Olympia City Council is committed to making Olympia a safe and equitable place for all. We cannot make meaningful progress unless we include those most impacted by institutional and structural racism in decision making. As leaders in our community, it is our responsibility to champion and defend policies and practices that reduce inequities and provide the transparency and accountability that earns trust. Our road ahead is long, but we wholeheartedly embrace the work to eliminate racism and create a just and equitable Olympia for all people.
