

REMOTE MEETING PUBLIC COMMENT INSTRUCTIONS:

During this time, the Olympia City Council will hold Council business meetings remotely through a secure online option, using Zoom. Live public comments will be taken during the meeting at the indicated portion of the agenda, but advance registration is required. The link to register is at the top of the agenda.

After you complete the registration form, you will receive a link by email to log onto or call into Zoom for use at the meeting day and time. If you plan on calling into the meeting, you will need to provide your phone number at registration so you can be recognized during the meeting.

Once connected to the meeting you will be auto-muted. You will however be able to view and hear the meeting. At the start of the public comment period, the Mayor will call participants by name in the order they signed up to speak. When it is your turn to speak, your microphone will be unmuted once your time concludes your microphone will be muted again. Note that you do not have to use video, you may comment by audio only.
