

City of Olympia Waste ReSources

Gary Franks, Waste ReSources Director
Ron Jones, Waste ReSources Sr Planner

November 1, 2023

PBIA Discussion

- Downtown Litter Receptacles
- Shared Compactor
- Commercial Organics
- Locking Dumpsters

Litter Receptacles

44 Garbage

17 Recycle

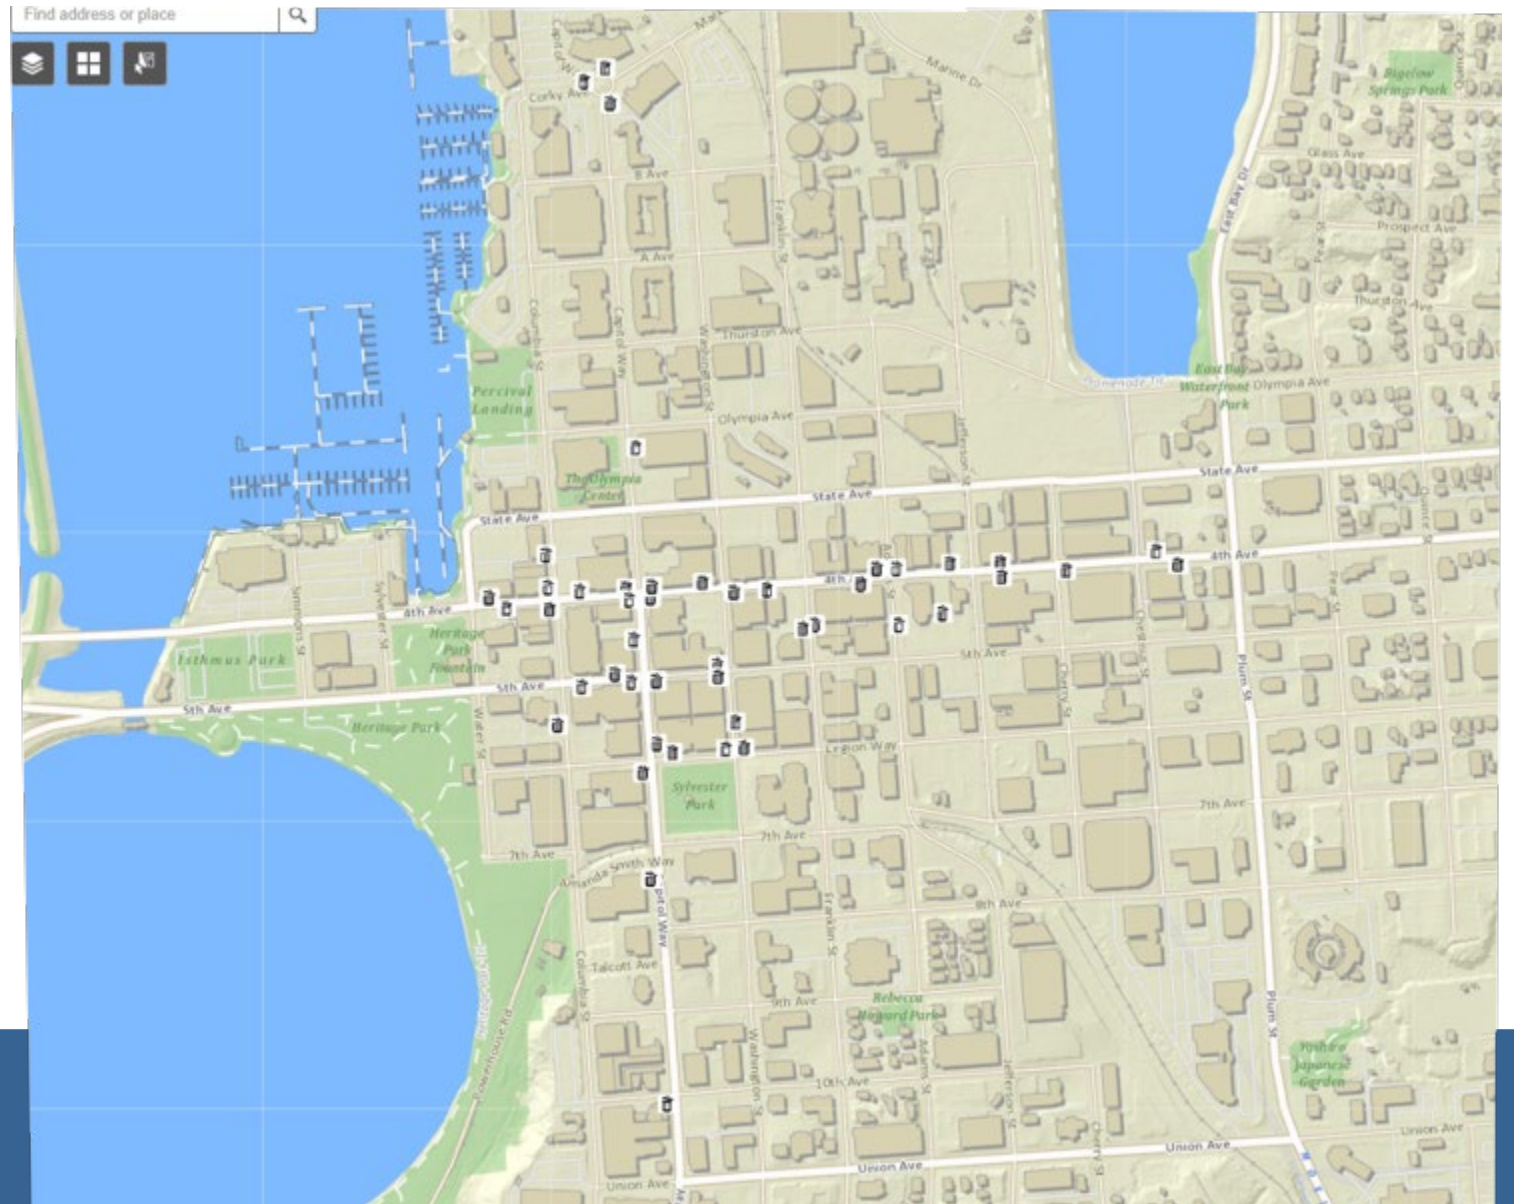

Collected 1x to 6x per week

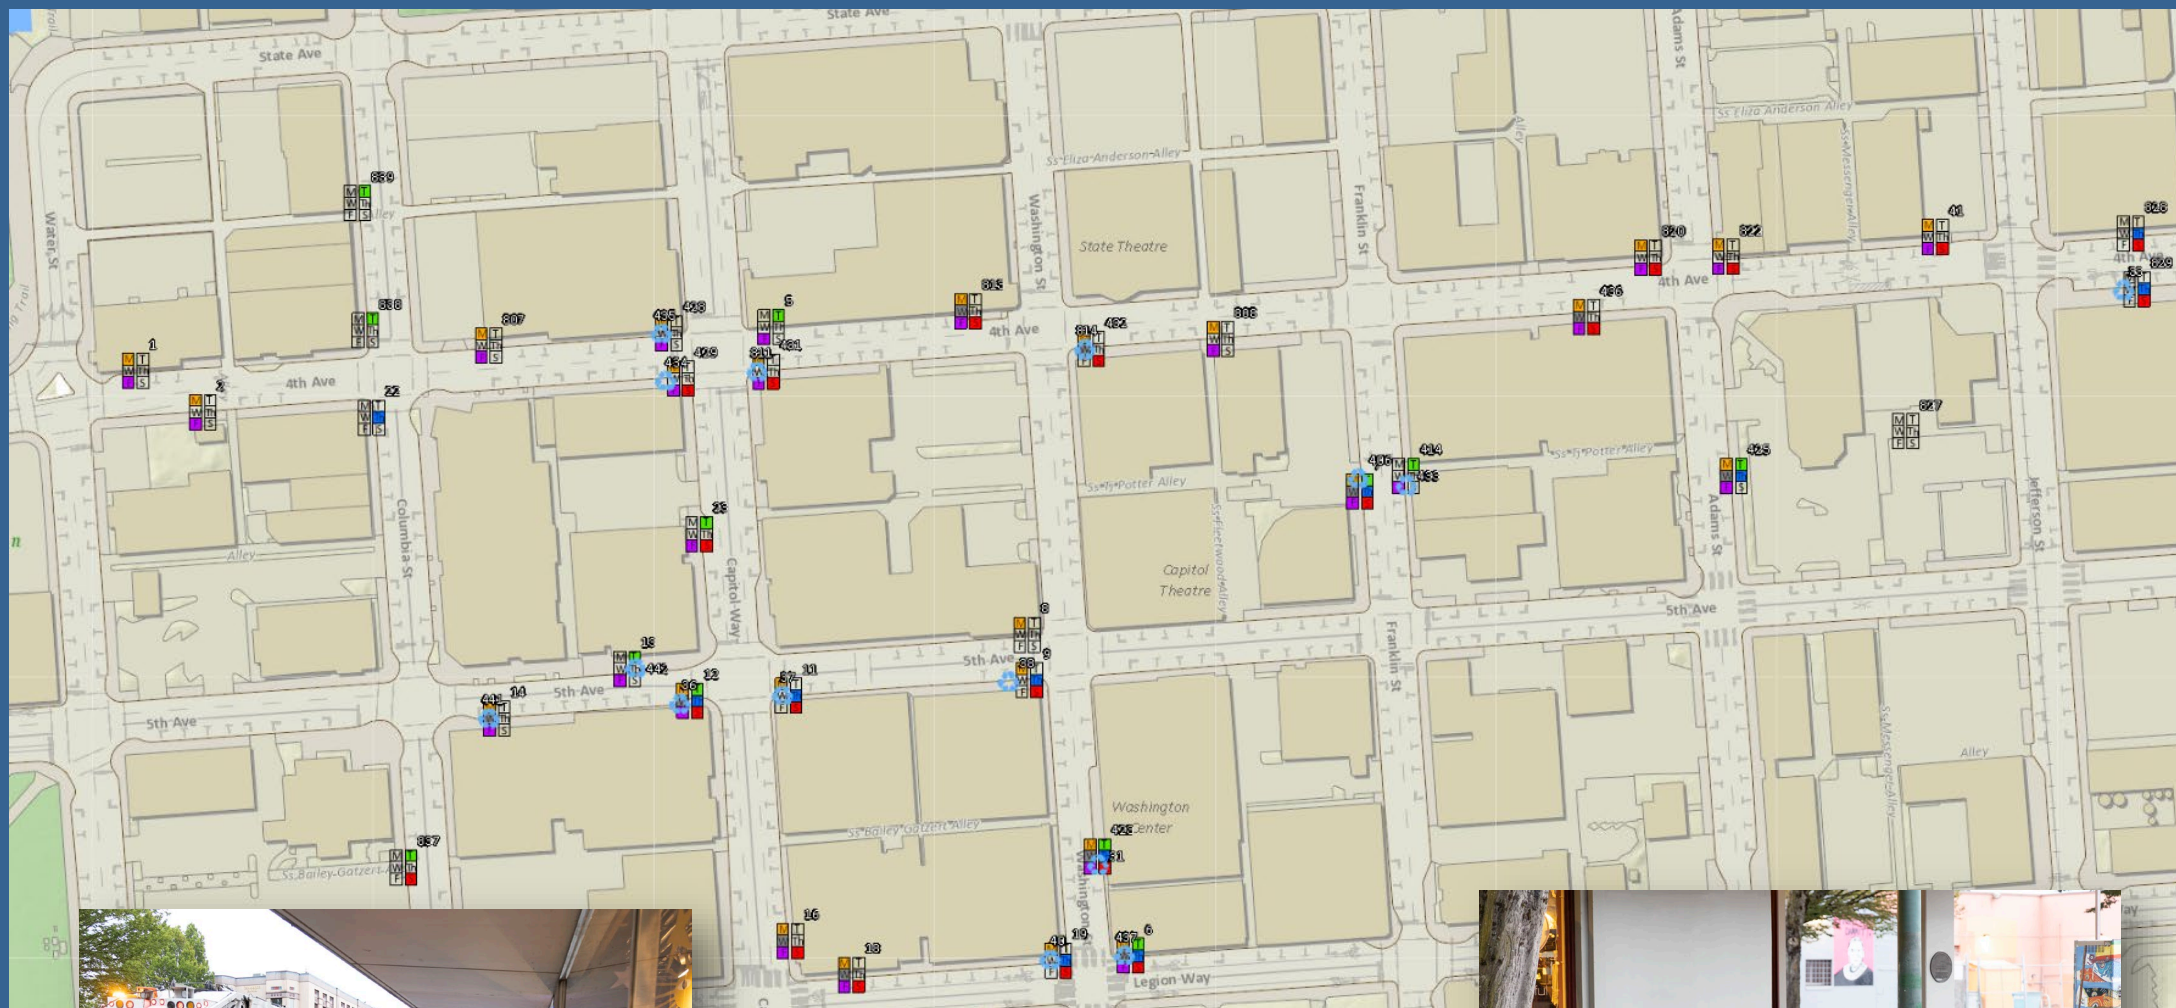

Seek intersection placement

Pedestrian areas for Incidental items

Not to be used by businesses

Not intended for downtown cleanups

Shared Compactors

Franklin Street
Shared #1

State Street
Shared #2

- 2 Locations
- Voluntary use
- Underutilized
- Fees based on equivalent dumpster service
- Consultant recommendation to optimize use
- Challenging to site, and costly to install

Commercial Organics

- Voluntary subscription
- 170 businesses
- Carts and small dumpsters
- HB 1799 (2022)
 - *Businesses required to subscribe to organics collection*
 - *Phases in 2024-2026*
- Free Waste Assessments

Locking Dumpsters

- Optional service
- Fee-based (\$7/month/lock)
- Cable/chain with padlock
- Lock on gate
- City provided lock
- Auto locking dumpsters are not reliable
 - No longer offering

Thank you
