Equity Analysis:

The board and commission recruitment process is an opportunity to reduce disparities in participation among marginalized communities in City of Olympia process and decisions.

Neighborhood/Community Interest (if known):

Residents serve on Advisory Committees to share their opinions and perspectives, study issues, and develop recommendations in a focused small group in order to provide judicious advice from a community member's perspective to the Olympia City Council.

Financial Impact:

To help defray costs (transportation, childcare, etc.) and lower barriers to participation, members of Council-appointed boards and commissions are eligible for a stipend of \$25 per meeting attended. Those who can certify they are low income can receive a stipend of \$50 per meeting attended. Members may also choose to waive receipt of the stipend.
