PBIA Mission

PBIA Mission

Five Program Areas:

1. Parking
2. Clean & Safe Initiatives
3. Beautification
4. Communications
5. Marketing

The mission of the Parking & Business Improvement Area (PBIA) is to assist in creating a vibrant business environment in the Downtown and to enhance the reality and perception of Downtown by visitors, residents and business owners through its five program areas listed in the left column.

Through these five programs the PBIA envisions a Downtown that is:

- Clean & Safe
- A vibrant and welcoming community where visitors, residents and businesses can thrive together
- Working with its partners to ensure excellent services and outcomes as not only Olympia's Downtown but the Downtown for the entire region

The PBIA and its independently elected board are uniquely positioned to bridge the gap between the private business interests in Downtown and the City of Olympia. Through this plan, the PBIA seeks to enhance its relationship with the City and to provide a clearer framework for long-term investment in Downtown.

Over the past five years the PBIA rate payers have funded well over \$500,000 in revenue that has been invested directly in Downtown. The PBIA and its elected board are responsible for developing an annual budget recommendation for the Olympia City Council. It is the objective of this plan to provide policy direction for considering how to direct future investment of these funds in Downtown.

The Strategic Plan highlights the four committees that address the five program areas, consistent with the original ordinance authorizing the creation of the PBIA.

To assist in creating a vibrant business environment in the Downtown and to enhance the reality and perception of Downtown by visitors, residents and business owners.
