

Tribal Land Acknowledgement

Utility Advisory
Committee
December 2, 2021

City-Approved Acknowledgement

We would like to acknowledge the indigenous people who have stewarded this land since time immemorial and who still inhabit the area today, the Steh-Chass Band of Indigenous people of the Squaxin Island Tribe

Proposed Acknowledgement

We would like to begin by acknowledging that we are gathered on the unceded, ancestral homeland of the Squaxin Island Tribe, “People of the Water.” We honor the past, present and future indigenous caretakers of these lands and waters with gratitude. Let this acknowledgement serve as a reminder to honor both the Squaxin and their lands and waters we benefit from today.
